dynasty This is no fairy tale This really happened IN THE GHOST SHADOWS They were the most powerful gang in Chinatown Like the notorious crime families of the Italian Mob the Asian youth gang known as the Ghost Shadows carved out their own territory in New York s underworld and ruled those streets for decades Their leader Peter Chin a young immigrant from the outskirts of Hong Kong not only found a new family among his fellow gang members but became one of the two most powerful men in Chinatown s history at that time He even straddled the line between the city s Asian Mob and the Italian Mafia adopted as a godson of a high ranking member of the Genovese crime family Eventually it all came crashing down when Chin and twenty four other Ghost Shadows were indicted and imprisoned for racketeering under the RICO Act But throughout his twenty years in prison and even since his release Chin has kept his code of silence Until now For the first time ever the former leader of the Ghost Shadows breaks his silence in this honest tell all to author Everett De Morier revealing the never before told story of his incredible harrowing life From his first arrival in New York s gritty Chinatown at the age of eight to his fateful initiation into the street gangs at thirteen Chin found a new sense of belonging and brotherhood as well as a dangerous world of gun fights and gang wars gambling and extortion Mob style shootings and ultimately arrests Now a successful businessman Chin gives readers a rarefied glimpse into why a young man would choose a life of crime and how he managed to beat the odds to rise in the ranks and live to tell the tale But at its heart Chin s is a story of family loyalty and redemption with an inspiring message of hope for anyone who s made mistakes paid the price and learned from the past to build a better tomorrow Includes 8 pages of never before seen photographs

THE KID FROM ARMOURDALE Lloyd E. Howser, 2007-05-15 This is a story about a kid that was raised during the Great Depression when the word welfare was virtually unspoken He had deep loyalties for God country and family It was the custom in those days to salute the flag each school day He attended weekday church school every Wednesday afternoon during his elementary school years His family was poor but proud and self reliant Lloyd learned early in life that if he wanted something he had to work for it His loyalty to his country was reflected in his leaving high school and volunteering for the

navy the day after the Japanese attacked Pearl Harbor It s about the struggle of two high school dropouts that fell in love They started life together on the bottom rung and it never occurred to them to feel sorry for themselves They were happy in their stroll together down the rough and rocky road that lay ahead Theirs was a love affair that lasted fifty seven years They were both from broken homes and determined that their children would not suffer a similar fate It is the story of two kids willing to work hard to study and learn to save a penny wherever possible It is a story of survival They ate weeds as some people might call them They liked to call them spring greens He hunted rabbit squirrel and quail in winter and fished during the summer It all went into the larder Inch by inch they elevated their lot in life not unlike a waterlogged timber that might slowly rise to the surface and into the sunshine They grabbed snatches of education wherever they could Esther took typing shorthand and secretarial courses and later a school of cosmetology Lloyd finished high school took college courses and acquired a little more than the equivalent of two years of college when the air force selected him for an engineering course at the University of Colorado It s about the search for Valhalla a place and the means to retire after a lifelong struggle by two kids so unlikely to succeed in life Together they proved the truth of the old adage If there is a will there is a way
