re doing she said playfully I don't know very much about you and that's fine but ever since you started at Middleton there's been something about you that I've been drawn to And I don't want to be presumptuous but I think you might feel it too If you don't that's completely fine and I'm so sorry if this makes you uncomfortable but I wanted you to know that before Before what she asked breathlessly Before I asked if I could kiss you In an instant all the butterflies in her stomach were jolted awake Her hands and armpits instantly became clammy and her mouth went dry Would that be alright he asked Yes she whispered Jake leaned over the table and cupped her face with his right hand Once their lips met the butterflies went away and a calmness overtook her Jake kissed tenderly yet passionately as if it were the last kiss he would ever have When he began to pull away Madison grabbed his shirt and brought him back To say it was the best kiss she'd ever had would be a gross understatement and Madison knew right then and there that that was what love was supposed to feel like Kendra Slee is a secondary teacher in Southern Ontario While this is her debut novel her writing has been featured in Althouse Literary Magazine Canadian Stories Magazine and The Meaford Independent Kendra lives in Southampton with her husband and their son

**The Hangover Companion** Michael O'Mara Books, 2006 We've been suffering hangovers for as long as anyone can remember anyone who was sober last night that is not anyone who's currently sipping Lucozade in a darkened room with a basin by their side They can't even remember how they got home So if we've known about hangovers for so long how come we've never figured out how to put a stop to them Well you might be surprised to hear that we have A great deal of research has gone into the mystery of the hangover People are out there every night researching themselves legless in bars pubs and clubs all over the country They try different combinations of drinks wine before beer then whisky beer before wine then whisky vodka before beer and then wine before whisky drinking standing up drinking sitting down eating before the drinking eating during the drinking eating after the drinking wine before sitting down vodka during the whisky and standing up eating in the beer the researcher's notes get a bit confused here The point is we know what causes hangovers the Devil He's trying to suck out your soul through your toilet and starts with everything you've had to eat in the last three days pituitary gland causing vasopressin inhibition dehydration and a toxic accumulation of acetaldehyde when the liver's production of glutathione is exhausted The scientists have all the answers and their ultimate solution to the hangover problem is don't drink But that's just crazy talk so maybe they're not so clever after all There are plenty of hangover cures from Prairie Oysters and Bloody Marys to burnt toast fried breakfasts and bananas but only a few of them do any good at all and some of them can actually do more harm than good banging yourself on the head with a dustbin lid for example or turning up for work Different things obviously will work better or worse for different people the trick is knowing what works best for you and Rough As A Badger's Arse gives a fair and unbiased assessment of all of the best hangover cures to guide you through the tough choices the world about the perils of the demon drink the odd drinking quote or ditty lots of hard facts to help you think your head straight and plenty of soft paper if your problem is mainly at the other end As good a pick me up as a JCB or

*Scuds, Duds & Tyre* Joseph Wouk, 2023-04-08 A memoir of Middle East Madness Joseph Wouk an ex immigrant to Israel now a Hollywood television producer is initially elated over the commencement of the first Gulf War Desert Storm But when Saddam s missiles target Tel Aviv he is overcome with guilt and horror The sense of impotence sitting in Los Angeles watching CNN report chemical warheads in Ramat Gan is more than he can bear Abandoning his wife and child as well as a television film in development he flies into the war zone to rejoin his old unit in the Israeli Navy The only problem is he s

been kicked out of the Navy reserves for having failed to report for duty in six years. They don't need or want him back either. But Wouk is determined to help. Even if it means turning the whole I D F Navy inside out. *Scuds Duds Tyre* is a hilarious and torturous new journalistic account of Wouk's return to the Israeli Navy during the Gulf War. The experience prompts reminiscences of his former life in the country. From his first sexual encounter to the carnage of the first Lebanon War. Breathlessly paced, the narrative sweeps the reader along through the insanity of war and Wouk's own twisted guilt-ridden quest for self-respect. In a style reminiscent of Hunter S. Thompson and with themes reminiscent of his father Herman Wouk, the book is original, insightful, and outrageous. Most of all, it's a great read.
