

The Hatfields And The Mccoys

Tom E. Dotson

The Hatfields And The McCoys:

The Feud Dean King, 2013-05-14 For more than a century the enduring feud between the Hatfields and the McCoys has been American shorthand for passionate unyielding and even violent confrontation Yet despite numerous articles books television shows and feature films nobody has ever told the in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia Drawing upon years of original research including the discovery of previously lost and ignored documents and interviews with relatives of both families bestselling author Dean King finally gives us the full unvarnished tale one vastly more enthralling than the myth Unlike previous accounts King's begins in the mid nineteenth century when the Hatfields and McCoys lived side by side in relative harmony Theirs was a hardscrabble life of farming and hunting timbering and moonshining and raising large and boisterous families in the rugged hollows and hills of Virginia and Kentucky Cut off from much of the outside world these descendants of Scots Irish and English pioneers spoke a language many Americans would find hard to understand Yet contrary to popular belief the Hatfields and McCoys were established and influential landowners who had intermarried and worked together for decades When the Civil War came and the outside world crashed into their lives family members were forced to choose sides After the war the lines that had been drawn remained and the violence not only lived on but became personal By the time the fury finally subsided a dozen family members would be in the grave The hostilities grew to be a national spectacle and the cycle of killing kidnapping stalking by bounty hunters and skirmishing between governors spawned a legal battle that went all the way to the United States Supreme Court and still influences us today Filled with bitter quarrels reckless affairs treacherous betrayals relentless mercenaries and courageous detectives The Feud is the riveting story of two frontier families struggling for survival within the narrow confines of an unforgiving land It is a formative American tale and in it we see the reflection of our own family bonds and the lengths to which we might go in order to defend our honor our loyalties and our livelihood

The Hatfields and the McCoys Otis K. Rice, 2010-09-12 The Hatfield McCoy feud has long been the most famous vendetta of the southern Appalachians Over the years it has become encrusted with myth and error Scores of writers have produced accounts of it but few have made any real effort to separate fact from fiction Novelists motion picture producers television script writers and others have sensationalized events that needed no embellishment Using court records public documents official correspondence and other documentary evidence Otis K Rice presents an account that frees as much as possible fact from fiction event from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to

the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta *The Hatfields & The McCoys* Charles River Editors,2025-06-21 They were men who matched the mountains they were Hatfields and McCoys They were men who matched the mountains They were men when they were boys Jimmy Wolford A lot of ink has been spilled covering the lives of history s most influential figures but how much of the forest is lost for the trees In Charles River Editors American Legends series readers can get caught up to speed on the lives of America s most important men and women in the time it takes to finish a commute while learning interesting facts long forgotten or never known The feud between the Hatfields and McCoys is the stuff of American legend and has become synonymous for vendettas In fact it has become its own term for any large scale disagreement and has made its way into everything from music to television and movies Though the fighting took place over a century ago Americans remain so fascinated by it that The History Channel s 2012 miniseries about the feuding families set records for cable television ratings These days the feud between the Hatfields and McCoys is a celebrated piece of American folklore but for two families living along the West Virginia Kentucky border during the last half of the 19th century the feud was literally a matter of life and death 21st century America might celebrate this relic of the country s rural past but modern society would also likely scoff at the idea of a couple of rural families taking pot shots at each other through the woods over slights as insignificant as a stolen pig Nevertheless for the Hatfields and McCoys the feud was every bit as dangerous as a modern gang war or organized crime activity While the feud may be harder to understand today it was a microcosm of other conflicts that shaped America s destiny First it represents the heritage of the blood feud that came to the United States with those immigrating from Scotland and Ireland The backcountry of the South was settled primarily by immigrants from the Celtic fringe of Great Britain Scotland Northern England Cornwall Wales and Ireland For these settlers family ties were paramount loyalty was key and conflicts were settled with violence The feud also demonstrated the continuing importance of honor in the South in the late 19th century and a notion that personal honor should be defended against actual or perceived slights with violence Clearly the South s code of honor persisted long after the Civil War as did tension between supporters of the Union and the Confederacy American Legends The Hatfields The McCoys chronicles America s most famous blood feud from the origins of each family to the events that sparked the fighting Along with pictures of important people places and events you will learn about The Hatfields and The McCoys like you never have before in no time at all **The Hatfields & the McCoys** Otis K. Rice,2010-09-12 A captivating account of two families whose stubbornness and loyalty were exceeded only by their capacity for a terrible revenge Southern Living The Hatfield McCoy feud has long been a famous part of Appalachian history but over the years it s become encrusted with myth and error Novelists motion picture producers television writers and others have neglected to separate fact from fiction and sensationalized events that needed no embellishment Using court records public documents official correspondence and

other sources Otis K Rice presents an account that frees as much as possible truth from legend He weighs the evidence carefully avoiding the partisanship and the attitude of condescension and condemnation that have characterized many of the writings concerning the feud He also sets the feud in the social political economic and cultural context of eastern Kentucky and southwestern West Virginia in the late nineteenth and early twentieth centuries By examining the legacy of the Civil War the weakness of institutions such as the church and education system the exaggerated importance of family the impotence of the law and the isolation of the mountain folk Rice gives new meaning to the origins and progress of the feud These conditions help explain why the Hatfield and McCoy families which have produced so many fine citizens could engage in such a bitter and prolonged vendetta

The Hatfields and the McCoys John R. Spears, 2013-04-02 Originally published in the November 1888 issue of Current Literature magazine THE HATFIELDS AND THE McCOYS THE DRAMATIC STORY OF A MOUNTAIN FEUD chronicles the true events of the notorious Hatfield and McCoy feud of the late 1800s Sample passage When the gang reached the Kentucky side they stopped and by dashing water into Farmer s face revived him that he might suffer the more Then they forced the prisoners along the grassy bank under the trees until a slight depression was reached Here were a number of pawpaw trees The prisoners were there thrown to the ground and then raised on their knees and each one tied in that position to a pawpaw bush Talbot who had asked to be shot in the face was tied with his back to his executioners but Farmer who was already nearly dead with fear was tied facing them The lad was tied facing his brothers and then the gang formed in line and Bad Anse shouted to Wall who was on the other side of the river for the word As it came they all fired and the two older brothers Talbot and Farmer fell dead The crying of the lad had ceased through horror and fear After a few shots had been fired into the dead bodies by Cap and Jonce Hatfield Ellison Mounts and Tom Mitchell to gratify their innate thirst for the safe shedding of blood the gang started down the river But fear overcame one of their number Alex Messer and he said Dead men tell no tales He referred to the lad who had recognized them all

Blood Feud Lisa Alther, 2013-02-05 America s most notorious family feud began in 1865 with the murder of a Union McCoy soldier by a Confederate Hatfield relative of Devil Anse Hatfield More than a decade later Ranel McCoy accused a Hatfield cousin of stealing one of his hogs triggering years of violence and retribution including a Romeo and Juliet interlude that eventually led to the death of one of McCoy s daughters In a drunken brawl three of McCoy s sons killed Devil Anse Hatfield s younger brother Exacting vigilante vengeance a group of Hatfields tied them up and shot them dead McCoy posses hijacked part of the Hatfield firing squad across state lines to stand trial while those still free burned down Ranel McCoy s cabin and shot two of his children in a botched attempt to suppress the posses Legal wrangling ensued until the US Supreme Court ruled that Kentucky could try the captured West Virginian Hatfields Seven went to prison and one mentally disabled yelled The Hatfields made me do it as he was hanged But the feud didn t end there Its legend continues to have an enormous impact on the popular imagination and the region With a charming voice a wonderfully dry sense of humor and an abiding gift for

spinning a yarn bestselling author Lisa Alther makes an impartial comprehensive and compelling investigation of what happened masterfully setting the feud in its historical and cultural contexts digging deep into the many causes and explanations of the fighting and revealing surprising alliances and entanglements Here is a fascinating new look at the infamous Hatfield McCoy feud *The Hatfields and the McCoys* Kirra Fedyszyn,2014-07-15 The American Civil War was a time of great upheaval in our nation Slavery was becoming a major issue and the decision over what to do formed a great rift in our nation The story of the Hatfields and McCoys demonstrates just how high emotions ran between the two sides One man s choice to fight for the Union when his neighbors have joined forces with the Confederacy launches two families into an infamous feud that lasts for half a century and causes many deaths *Feud* Altina L. Waller,2012-12-01 The Hatfield McCoy feud the entertaining subject of comic strips popular songs movies and television has long been a part of American folklore and legend Ironically the extraordinary endurance of the myth that has grown up around the Hatfields and McCoys has obscured the consideration of the feud as a serious historical event In this study Altina Waller tells the real story of the Hatfields and McCoys and the Tug Valley of West Virginia and Kentucky placing the feud in the context of community and regional change in the era of industrialization Waller argues that the legendary feud was not an outgrowth of an inherently violent mountain culture but rather one manifestation of a contest for social and economic control between local people and outside industrial capitalists the Hatfields were defending community autonomy while the McCoys were allied with the forces of industrial capitalism Profiling the colorful feudists Devil Anse Hatfield Old Ranel McCoy Bad Frank Phillips and the ill fated lovers Roseanna McCoy and Johnse Hatfield Waller illustrates how Appalachians both shaped and responded to the new economic and social order **The Hatfields and the McCoys** Bruce Wexler,2023-03-21 The Hatfields and the McCoys explores with vibrant illustration the historic feud between two iconic American families that ran for nearly three decades between 1863 and 1891 On the heels of the popular History Channel miniseries starring Kevin Costner Bruce Wexler brings this chapter of American history to life for a new generation of readers Here is an intimate look at the feud the era and an iconic cast of characters including the two family patriarchs that started it all William Anderson Devil Anse Hatfield and Randolph Ole Ran l McCoy The two led their families into a war marked by bloodshed and loss on both sides of the Tug Fork River that flows along the border of West Virginia and Kentucky Part American folklore part cautionary tale The Hatfields and the McCoys separates the fact from the fiction and stands as a testimony to how this terrible episode became symbolic for pointless and bitter animosity Wexler presents the reader with all of the crime romance betrayal and violence that makes this America s most infamous family feud Through impressive storytelling and rare images this book portrays the dramatic life and times of two extraordinary families unique to American history from the developing hostilities towards the end of the Civil War to the New Year s Night massacre of 1888 and the ensuing trials imprisonments and hangings that signaled the end of the feud **The Hatfields and the McCoys** Virgil Carrington Jones,1948 History of the famous 19th century mountain

feud **The Coffin Quilt** Ann Rinaldi, 2001-04 Fanny McCoy's family has been caught up in a bitter violent and senseless feud with their neighbors the Hatfields and Fanny the only one who sees the horror in what is happening must find a way to escape the hate **Bloodlines** , 2012 No other family feud in history has captured the attention of the United States more than that of the Hatfields and McCoys Although the feud itself raged from 1865 to 1888 it has continued for generations in the eyes of many In this scrapbook of the McCoy and Hatfield families see how the feud was illustrated through pen and ink drawings and photographs over the past century and a half revealing each clan's colorful history and showing how the feud affected each family's destiny P 4 of cover Reunion Ron McCoy, 2015-04-17 Reunion is the story of one man's journey to discover his family heritage in the shadow of America's most famous feud The American saga of the Hatfield McCoy feud continues to intrigue people fascinated by even the smallest details of the story People are drawn to the tale of two families caught up in a tragic vendetta in the rugged Appalachian Mountains of Kentucky and West Virginia But this is not a book about the feud Until the author was thirty five years old he did not know he was related to the clan This is a book about discovery It is the story of enduring challenges surprising revelations and new found family It is a personal journey to connect with the past and understand its relationship to the future It is the story of family members past and present whose choices decisions and actions both good and bad have directly affected and shaped the lives of generations to come Ron McCoy is the great great great grandson of Randolph McCoy patriarch of the family at the time of the feud His improbable discovery of his family heritage led to his involvement in seminal events that added new chapters to its history He helped organize the first national reunion of the Hatfields and McCoys in 2000 In 2003 he helped shepherd the historic Hatfield McCoy truce signing an event carried live on national television The Hatfields George Elliott Hatfield, 1988 *An American Vendetta* Jackie Lee Hatfield Jr., 2025-02-01 *An American Vendetta* The Hatfield McCoy Feud Revisited By Theron Clark Crawford with updated material by Jackie L Hatfield Jr Originally published in 1889 *An American Vendetta* by journalist Theron Clark Crawford offers one of the earliest and most vivid accounts of the infamous Hatfield McCoy feud Through firsthand interviews including a rare conversation with Anderson Devil Anse Hatfield Crawford paints a sensational and dramatic portrait of the violence that erupted between these two Appalachian families along the Kentucky West Virginia border This reprint honors the historical significance of Crawford's work while placing it in proper context with newly added material by Jackie L Hatfield Jr the 3rd great grandson of Devil Anse Hatfield Jack's thoughtful commentary and updated insights help readers separate fact from fiction revealing how 19th century media shaped national perceptions of Appalachian people as backward lawless and violent Part historical document part cultural reflection this edition is essential reading for anyone interested in the legacy of the Hatfield McCoy feud Appalachian history or the evolution of journalism and public opinion in post Civil War America With its combination of original narrative and modern perspective *An American Vendetta* is both a gripping read and a valuable educational resource that reclaims the voices and truths of a complex

chapter in American history **The Blood Feud** Stephen W. Snuff,2012-08 The Hatfield McCoy feud of the 1880s and some time thereafter is one of the noted stories of folklore in America Today the causes of that family and friends war between the Hatfields and the McCoy's will be considered the events which led up to the tragedy There were many causes an accumulation of things which finally touched off the feud or private war which it actually was between two determined families First cause I think can be attributed to the very natures of those concerned Both families were people of nerve because blood of British origin pulsed in their veins That blood bespoke stubborn resistance and unflinching determination an unwavering set Came the Civil War of 1861-65 and neighbor lined up against neighbor In the Union corner was Randolph McCoy leader of the McCoy clan In the Confederate corner six feet of devil and 180 pounds of hell according to Randolph McCoy was Anderson Devil Anse Hatfield head of the Hatfield horde When the war ended in 1865 the internecine feelings of these two neighboring families only the narrow Tug River separated them did not make for friendly relations Indeed it had been rumored that Devil Anse Hatfield in the course of his warfare sometime before the Civil War ended had slain Harmon McCoy a brother of Randolph McCoy This rumor was never proven In fact some stated that Jim Vance later to die in the feud as a friend of the Hatfields was the one who murdered Harmon McCoy Whoever killed Harmon McCoy is unknown for sure even to this day but one thing is sure his death created ill feeling between the McCoy's and the Hatfields from the McCoy corner of course A third cause of the feud was a family quarrel which wound up in the court of a justice of the peace That was eight years after the Civil War had ended In those days in the rugged regions of the Tug the people let their hogs run loose and fatten on the mast of nut bearing trees chestnut acorn hazel and other trees Hogs were marked their ears being cut with definite earmarks In fact a farmer then had his own earmarks registered with the county court just as he put deeds to his real estate on record *The Feud* Dean King,2014-07-01 The in depth true story of this legendarily fierce and far reaching clash in the heart of Appalachia **The Hatfields and the McCoy's** Kirra Fedyszyn,2014-07-15 The American Civil War was a time of great upheaval in our nation Slavery was becoming a major issue and the decision over what to do formed a great rift in our nation The story of the Hatfields and McCoy's demonstrates just how high emotions ran between the two sides One man's choice to fight for the Union when his neighbors have joined forces with the Confederacy launches two families into an infamous feud that lasts for half a century and causes many deaths The Feuding Hatfields and McCoy's Coleman C. Hatfield,F. Keith Davis,2011-06-01 This unique book is about two proud families It is a title that includes a comprehensive timeline of the Hatfield family migration westward and documents the history before during and following the bloody Hatfield and McCoy feud era There are special stories which have never been published before directly from the Hatfield family that adds color and clarity to this famous feud This book is a pictorial history that features rare and interesting photographs from both families **The Hatfield & McCoy Feud After Kevin Costner** Tom E. Dotson,2013-11-22 For a century we read in books and newspapers and saw on screen the legend of what is the most famous feud in American history

the Hatfields and the McCoys What we had was legend and not history because the story consisted of a few historical events inside several layers of tall tales and fables reported by the yellow journalists of the late nineteenth century Except for the raids into West Virginia by Frank Phillips posse in 1887 8 all the documented events connected to the feud occurred in Pike County Kentucky The feud story like the Phillips posse was largely made in Pikeville in 1888 The Pikeville stories were manufactured by men who had two primary goals 1 They wanted to see a story published which would facilitate the conviction of Wall Hatfield and the other eight members of the Hatfield faction who were in jail in Pikeville and 2 They wanted to justify the two cold blooded murders that had been committed only days before the reporters arrived by the leader of their posse Frank Phillips Everything in the early writings of the big city reporters was given to them by men with those two interests foremost in their minds It is impossible to overstate the importance of the fact that none of the original feud story which forms the basis for all the succeeding iterations was taken from the actual record It is all hearsay and the hearsay came from the most prejudiced sources imaginable The Pikeville elite not only had a dog in the fight they had the whole damn pack in it The same moneyed interests that owned the newspapers also wanted the vast mineral riches underlying the land occupied by the Hatfields and McCoys and their reporters depictions of the people of Tug Valley as immoral and violent barbarians helped to make the swindle more palatable to the public The Hatfield and McCoy feud is probably unique among all the events in history in that writers of feud based fiction are more constrained than are writers of feud history The good fiction writer is always careful to avoid writing something that is patently impossible A fiction writer would never say that twelve hundred people regularly attended a church in an isolated mountain hollow that had only two dozen members A True Story of the feud can say that and still have reviewers from prestigious media organs laud its factual accuracy As fiction can be made just as exciting as the screenwriter or author desires the 2012 TV epic Hatfields McCoys and the recent fictional history books are great entertainment but they are not history Some of the books that followed the Kevin Costner movie contain an even greater ratio of fable to facts than did the movie With a rare combination of facts and humor this author calls them all to task Tom E Dotson holder of a Cornell masters degree in labor history and descended from both the Hatfields and McCoys asks the question When only five Hatfields along with three McCoys were among the twenty men indicted for the vigilante slaying of the three McCoys in 1882 and only nine of the forty who rode with the Phillips posse in 1887 8 were McCoys why is it called The Hatfield and McCoy feud With solid research and a unique insight Dotson answers that question

Immerse yourself in the artistry of words with is expressive creation, Discover the Artistry of **The Hatfields And The Mccoys** .
