Anne Frank, the untold story Joop van Wijk, Jeroen De Bruyn, 2018-09-04 A never before told true story about Anne Frank and a carefully hidden truth as well as Bep and her father's boundless loyalty in life are important issues Beautifully written with simplicity Many facets about the hiders in the Secret Annex in Amsterdam have been highlighted throughout the years but remarkably enough the role of Otto Frank's young secretary Bep Voskuijl Elli Vossen in Anne Frank's Diary has received very little attention Belgian journalist Jeroen De Bruyn and Bep's son Joop van Wijk dove into her past and reconstructed her tragic but fascinating life Bep is 23 years old when in 1942 she is let in on the secret of the eight hiders on Prinsengracht During the next 25 months she becomes a pillar of support for Anne Frank with whom she builds an intense friendship Bep buys clothes and food for the hiders and supplies Anne with paper to write her diary Things aren't easy for Bep her father the maker of the famous revolving bookcase becomes gravely ill in 1943 and her sister collaborates with the Germans Bep leads a double life keeping this secret from her boyfriend and family When the Germans raid the hiding place on August 4 1944 and arrest the hiders Bep escapes in horror Later she rescues a large part of Anne's writings The news of the deaths of seven out of the eight hiders only Otto Frank returns from the concentration camps leaves deep scars ANNE FRANK THE UNTOLD STORY casts a new light on Anne Frank's short life by means of previously unknown witnesses and documents That makes this book a valuable addition to her world famous Diary Moreover it's a tribute to those brave Dutch

people who risked their lives to save Jews Finally the book adds a remarkable name to the list of people who could have betrayed the hiders of the Secret Annex Jeroen De Bruyn 1993 wrote for various Belgian magazines and for the *Gazet van Antwerpen* the newspaper for which he is currently editor Joop van Wijk 1949 is Bep Voskuijl's youngest son As a marketing manager he was connected to Dutch newspapers *NRC Handelsblad* and *Algemeen Dagblad* for years *Children of the Holocaust* Paul R. Bartrop, Eve E. Jewish Masculinity in the Holocaust Maddy Carey,2017-10-05 This book explores for the first time the impact of the Holocaust on the gender identities of Jewish men Drawing on historical and sociological arguments it specifically looks at the experiences of men in France Holland Belgium and Poland Jewish Masculinity in the Holocaust starts by examining the gendered environment and ideas of Jewish masculinity during the interwar period and in the run up to the Holocaust The volume then goes on to explore the effect of Nazi persecution on various elements of male gender identity analysing a wide range of sources including diaries and journals written at the time underground ghetto newspapers and numerous memoirs written in the intervening years by survivors Taken together these sources show that Jewish masculinities were severely damaged in the initial phases of persecution particularly because men were unable to perform the gendered roles they expected of themselves More controversially however Maddy Carey also shows that the escalation of the persecution and later enclosure whether through ghettoisation or hiding offered men the opportunity to reassert their masculine identities Finally the book discusses the impact of the Holocaust on the practice of fatherhood and considers its effect on the transmission of masculinity This important study breaks new ground in its coverage of gender and masculinities and is an important text for anyone studying the history of the Holocaust Anne Frank Unbound Barbara
