Forrest,Chet Roden,2017-11-28 Biblical Leadership takes the best of evangelical scholarship to make the leadership lessons of Scripture tangible for today s readers All contributors are biblical scholars who not only think seriously about the texts covered in their individual chapters but have committed their lives to teaching and living the truths therein This volume walks through the sections of the Bible gleaning insights from each biblical writer Every chapter analyzes the original setting of the writing extrapolates the leadership principles in the text and provides advice on applying that theology of leadership Presented in everyday language understandable to both professionals and practitioners these lessons will equip current and upcoming leaders to make a Christlike impact The Light of Conscience William Shore,2005-08-09 AN INSPIRATIONAL MEDITATION ON THE POWER OF CONSCIENCE HOW A SIMPLE ACT A MOMENT OF PURPOSE CAN CHANGE YOUR LIFE YOUR COMMUNITY EVEN THE WORLD We all struggle at times to know what to do to seek and abide our conscience when right and wrong are not black and white when heart and head speak with different voices when our intentions and interests are not aligned If you believe that the outcome of these struggles affects the course of your life and the lives around you then this book is for you If you believe that there are times and places when the choice an individual makes to speak or be silent to eat or fast to remain seated or to stand up in a crowd to stare and remember or to walk on by and forget can be as powerful as a president s command a congressional appropriation or a military incursion then this book is for you This book is for you if your profession is rewarding financially but not spiritually or if you re ever worried that your career and conscience conflict This book is for you if you are a parent whose love of your children never wavers with the anxiety they cause you but sometimes

leaves you wondering whether they will grow up to do the right thing even if no one is watching This book is for you if you question whether the countless small decisions you make each day add up to a larger judgment about your life s meaning Finally this book is for you if you believe that quiet often solitary acts of conscience have echoes louder than the original sound that individual acts have the potential to trigger large public consequences and continue to inspire others from generation to generation that such acts bring rewards to the individual that unforeseen benefits accrue that one gains more than was sacrificed and that there is a transformative power and richness to a life so lived *Christian Leadership Essentials* David S.
