

Sonnet 98: From You Have I Been Absent In The Spring

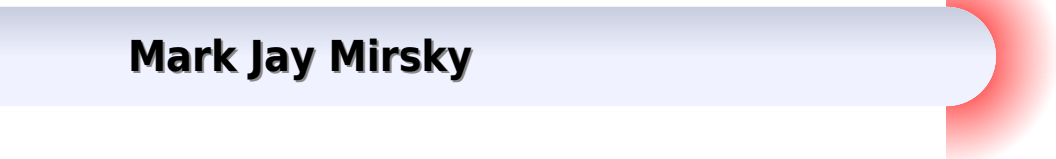

From you have I been absent in the spring,
When proud-pied April, dressed in all his trim,
Hath put a spirit of youth in every thing,
That heavy Saturn laughed and leaped with him.
Yet nor the lays of birds, nor the sweet smell
Of different flowers in odour and in hue
Could make me any summer's story tell,
Or from their proud lap pluck them where they grew.

Nor did I wonder at the lily's white,
Nor praise the deep vermilion in the rose;
They were but sweet, but figures of delight
Drawn after you, you pattern of all those.
Yet seemed it winter still, and you away,
As with your shadow I with these did play.

William Shakespeare

The Absent Shakespeare

Mark Jay Mirsky

The Absent Shakespeare:

The Absent Shakespeare Mark Jay Mirsky, 1994 The Absent Shakespeare challenges the notion that Shakespeare is faceless in his plays It opposes Borges's notion of Shakespeare as no one a bit of coldness a Shakespeare who constructed a mythology based on his own intense private life

The Absent Mother in the Cultural Imagination Berit Åström, 2017-07-11 This anthology explores the recurring trope of the dead or absent mother in Western cultural productions Across historical periods and genres this dialogue has been employed to articulate and debate questions of politics and religion social and cultural change as well as issues of power and authority within the family structure seeks to investigate the many functions and meanings of the dialogue by covering extensive material from the 1200s to 2014 including hagiography romances folktales plays novels children's literature and graphic novels as well as film and television This is achieved by looking at the discourse both as products of the time and culture that produced the various narratives and as part of an ongoing cultural conversation that spans the centuries resulting in an innovative text that will be of great interest to all scholars of gender feminist and media studies

The Absence of America Gavin Hollis, 2015 The Absence of America the London Stage 1576-1642 looks at London theatre at the time of Shakespeare and how it represented the New World considering whether early modern drama was anti American as some contemporaries suggested

Shakespeare and the Twentieth Century International Shakespeare Association. World Congress, 1998 In close to fifty sessions the congress theme Shakespeare and the Twentieth Century allowed for critical approaches from many directions through twentieth century theater history on almost every continent through a range of media representations from film to databases through the changing theoretical models of the period that extend to the latest politically inflected readings and through appropriations of the play texts by modern art forms such as recent fiction

Onstage and Offstage Worlds in Shakespeare's Plays Anthony Brennan, 2021-03-30 Originally published in 1989 this book focuses on the handling of the relationship between the onstage world and the offstage world between the world that Shakespeare shows us and the one he tells us about It is developed in two parts Initially examined is the way reports are used in Shakespeare to relate the offstage and onstage worlds building from simple examples within individual scenes in various plays to related sequences of reports which can be evaluated as part of broader strategies effecting the structure of a whole play In the second part the author examines the ways in which several or all of these strategies work in individual plays and what combined effect the prominent employment of them has in shaping the effect of the plays In all cases the author is concerned to indicate why Shakespeare chose to handle matters as he does rather than in other ways available in the sources or in the speculative alternative methods which can be imaginatively constructed

The Drama in Shakespeare's Sonnets Mark Jay Mirsky, 2011-07-16 The Drama in Shakespeare's Sonnets A Satire to Decay is a work of detective scholarship Unable to believe that England's great dramatist would publish a sequence of sonnets without a plot Mark Jay Mirsky novelist playwright and professor of English proposes a

solution to a riddle that has frustrated scholars and poets alike Arguing that the Sonnets are not just a higgledy piggledy collection of poems but were put in order by Shakespeare himself and drawing on the insights of several of the Sonnets foremost contemporary scholars Mirsky examines the Sonnets poem by poem to ask what is the story of the whole Mirsky takes Shakespeare at his own word in Sonnet 100 where the poet tongue in cheek advises his lover to regard time s spoils in this case any wrinkle graven in his cheek as but a satire to decay The comfort is obviously double edged but it can also be read as a mirror of Shakespeare s satire on himself as if to praise his own wrinkles and reflects the poet s intention in assembling the Sonnets to satirize the playwright s own decay as a man and a lover In a parody of sonnet sequences written by his fellow poets Spenser and Daniel Shakespeare s mordant wit conceals a bitter laugh at his own romantic life The Drama in Shakespeare s Sonnets demonstrates the playwright s wish to capture the drama of the sexual betrayal as he experienced it in a triangle of friendship and eroticism with a man and a woman It is a plot however that the playwright does not want to advertise too widely and conceals in the 1609 Quarto from all but a very few Despite Shakespeare s moments of despair at his male friend s betrayal and the poet s cursing at the sexual promiscuity of the so called Dark Lady The Drama in Shakespeare s Sonnets sees the whole as a satire by Shakespeare and particularly when read with the poem that accompanied it in the 1609 printing A Lover s Complaint as a laughing meditation on the irrepressible joy of sexual life

Political Shakespeare Stephen Orgel, Sean Keilen, 1999 Shakespeare has never been more ubiquitous not only on the stage and in academic writing but in film video and the popular press On television he advertises everything from cars to fast food His birthplace the tiny Warwickshire village of Stratford Upon Avon has been transformed into a theme park of staggering commercialism and the New Globe in its second season is already a far bigger business than the old Globe could ever have hoped to be If popular culture cannot do without Shakespeare continually reinventing him and reimagining his drama and his life neither can the critical and scholarly world for which Shakespeare has for more than two centuries served as the central text for analysis and explication the foundation of the western literary canon and the measure of literary excellence The Shakespeare the essays collected in these volumes reveal is fully as multifarious as the Shakespeare of theme parks movies and television Indeed it is part of the continuing reinvention of Shakespeare The essays are drawn for the most part from work done in the past three decades though a few essential enabling essays from an earlier period have been included They not only chart the directions taken by Shakespeare studies in the recent past but they serve to indicate the enormous and continuing vitality of the enterprise and the extent to which Shakespeare has become a metonym for literary and artistic endeavor generally

Shakespeare's Sonnets Sunil Kumar Sarker, 1998 Though Sonnets Are Generally Easy Poems Shakespeare S Sonnets Are Not And Very Naturally He Being A Master Mind His Sonnets Are Far From Easy To Understand The Principal Objective Of This Book Is To Explain The Sonnets For Common Readers And To Discuss Some Very Topical Questions About Them The Author Persistently Kept In Mind The Difficulties Of General Readers In Understanding

The Sonnets And So He Meticulously Avoided Pedantry The Book May Be Deemed To Be Divided Into Two Parts The First Part Discusses Some Very Important General Topics Relating To The Sonnets And The Second Part Devotes Itself Entirely To Explaining Line By Line The Sonnets Keeping Close To The Themes Of Them Difficult Words And Concepts Have Been Carefully Explained The Texts Of All The 154 Sonnets Have Been Given For The Benefit Of Readers **Shakespeare and the Embodied Heroine** L. Leigh,2014-10-10 Shakespeare and the Embodied Heroine is a bold new investigation of Shakespeare s female characters using the late plays and the early adaptations written and staged during the seventeenth and eighteenth century Shakespeare's Sonnets ,
