The Strangers Book Lloyd Pratt, 2016 The Strangers Book explores how various nineteenth century African American writers radically reframed the terms of humanism by redefining what it meant to be a stranger Rejecting the idea that humans have easy access to a common reserve of experiences and emotions they countered the notion that a person can use a supposed knowledge of human nature to claim full understanding of any other person s life Instead they posited that being a stranger unknown and unknowable was an essential part of the human condition Affirming the unknown and unknowable differences between people as individuals and in groups laid the groundwork for an ethical and democratic society in which all persons could find a place If everyone is a stranger then no individual or class can lay claim to the characteristics that define who

gets to be a human in political and public arenas Lloyd Pratt focuses on nineteenth century African American writing and publishing venues and practices such as the Colored National Convention movement and literary societies in Nantucket and New Orleans Examining the writing of Frederick Douglass in tandem with that of the francophone free men of color who published the first anthology of African American poetry in 1845 he contends these authors were never interested in petitioning whites for sympathy or for recognition of their humanity Instead they presented a moral imperative to develop practices of stranger humanism in order to forge personal and political connections based on mutually acknowledged and always evolving differences

Margo N. Crawford, 2020-12-21 After Kenneth W Warren's *What Was African American Literature* Margo N Crawford delivers *What is African American Literature* The idea of African American literature may be much more than literature written by authors who identify as Black *What is African American Literature* focuses on feeling as form in order to show that African American literature is an archive of feelings a tradition of the tension between uncontainable black affect and rigid historical structure Margo N Crawford argues that textual production of affect such as blush vibration shiver twitch and wink reveals that African American literature keeps reimagining a black collective nervous system Crawford foregrounds the idea of African American literature and uncovers the black feeling world co created by writers and readers Rejecting the notion that there are no formal lines separating African American literature and a broader American literary tradition Crawford contends that the distinguishing feature of African American literature is a moodscape that is as stable as electricity Presenting a fresh perspective on the affective atmosphere of African American literature this compelling text frames central questions around the idea of African American literature shows the limits of historicism in explaining the mood of African American literature and addresses textual production in the creation of the African American literary tradition Part of the acclaimed Wiley Blackwell Manifestos series *What is African American Literature* is a significant addition to scholarship in the field Professors and students of American literature African American literature and Black Studies will find this book an

invaluable source of fresh perspectives and new insights on America's black literary tradition The Concise Oxford Companion to African American Literature William L. Andrews, Frances Smith Foster, Trudier Harris, 2001-02-15 A breathtaking achievement this Concise Companion is a suitable crown to the astonishing production in African American literature and criticism that has swept over American literary studies in the last two decades. It offers an enormous range of writers from Sojourner Truth to Frederick Douglass from Zora Neale Hurston to Ralph Ellison and from Toni Morrison to August Wilson. It contains entries on major works including synopses of novels such as Harriet Jacobs's *Incidents in the Life of a Slave Girl*, Richard Wright's *Native Son* and Lorraine Hansberry's *A Raisin in the Sun*. It also incorporates information on literary characters such as Big Tom, Thomas Coffin, Ed Johnson, Kunta Kinte, Sula, Peace, as well as on character types such as Aunt Jemima, Brer Rabbit, John Henry, Stackolee, and the trickster. Icons of black culture are addressed including vivid details about the lives of Muhammad Ali, John Coltrane, Marcus Garvey, Jackie Robinson, John Brown, and Harriet Tubman. Here too are general articles on poetry, fiction, and drama; on autobiography, slave narratives, Sunday School literature, and oratory, as well as on a wide spectrum of related topics. Compact yet thorough, this handy volume gathers works from a vast array of sources from the black periodical press to women's clubs, making it one of the most substantial guides available on the growing, exciting world of African American literature.

Each Hour Redeem Daylanne K. English, 2013-03-29 *Each Hour Redeem* advances a major reinterpretation of African American literature from the late eighteenth century to the present by demonstrating how its authors are centrally concerned with racially different experiences of time. Daylanne K. English argues that from Phillis Wheatley to Suzan-Lori Parks, African American writers have depicted distinctive forms of temporality to challenge racial injustices supported by dominant ideas of time. The first book to explore the representation of time throughout the African American literary canon, *Each Hour Redeem* illuminates how the pervasive and potent tropes of timekeeping provide the basis for an overarching new understanding of the tradition. Combining literary, historical, legal, and philosophical approaches, *Each Hour Redeem* examines a wide range of genres including poetry, fiction, drama, slave narratives, and other forms of nonfiction. English shows that much of African American literature is characterized by strategic anachronism: the use of prior literary forms to investigate contemporary political realities, as seen in Walter Mosley's recent turn to hard-boiled detective fiction. By contrast, strategic presentism is exemplified in the Black Arts Movement and the Harlem Renaissance and their investment in contemporary political potentialities, for example in Langston Hughes and Amiri Baraka's adaptation of the jazz of their eras for poetic form and content. Overall, the book effectively demonstrates how African American writers have employed multiple and complex conceptions of time not only to trace racial injustice but also to help construct a powerful literary tradition across the centuries.

What Was African American Literature? Kenneth W. Warren, 2011-01-03 Rather than contest other definitions, Warren makes a clear and compelling case for understanding African American literature as creative and critical work written by black Americans within and against the strictures of Jim

Crow America Within these parameters his book outlines protocols of reading that best make sense of the literary works produced by African American writers and critics over the first two thirds of the twentieth century The Cambridge History of African American Literature Maryemma Graham, Jerry Washington Ward, 2011-02-03 A major new history of the literary traditions oral and print of African descended peoples in the United States *Representing the Race* Gene Andrew Jarrett, 2011-08-08 The political value of African American literature has long been a topic of great debate among American writers both black and white from Thomas Jefferson to Barack Obama In his compelling new book *Representing the Race* Gene Andrew Jarrett traces the genealogy of this topic in order to develop an innovative political history of African American literature Jarrett examines texts of every sort pamphlets autobiographies cultural criticism poems short stories and novels to parse the myths of authenticity popular culture nationalism and militancy that have come to define African American political activism in recent decades He argues that unless we show the diverse and complex ways that African American literature has transformed society political myths will continue to limit our understanding of this intellectual tradition Cultural forums ranging from the printing press schools and conventions to parlors railroad cars and courtrooms provide the backdrop to this African American literary history while the foreground is replete with compelling stories from the debate over racial genius in early American history and the intellectual culture of racial politics after slavery to the tension between copyright law and free speech in contemporary African American culture to the political audacity of Barack Obama s creative writing Erudite yet accessible *Representing the Race* is a bold explanation of what s at stake in continuing to politicize African American literature in the new millennium Contemporary African American Literature Lloverie King, Shirley Moody-Turner, 2021-12-22 Essays exploring contemporary black fiction and examining important issues in current African American literary studies In this volume Lloverie King and Shirley Moody Turner have compiled a collection of essays that offer access to some of the most innovative contemporary black fiction while addressing important issues in current African American literary studies Distinguished scholars Houston Baker Trudier Harris Darryl Dickson Carr and Maryemma Graham join writers and younger scholars to explore the work of Toni Morrison Edward P Jones Trey Ellis Paul Beatty Mat Johnson Kyle Baker Danzy Senna Nikki Turner and many others The collection is bracketed by a foreword by novelist and graphic artist Mat Johnson one of the most exciting and innovative contemporary African American writers and an afterword by Alice Randall author of the controversial parody *The Wind Done Gone* Together King and Moody Turner make the case that diversity innovation and canon expansion are essential to maintaining the vitality of African American literary studies A compelling collection of essays on the ongoing relevance of African American literature to our collective understanding of American history society and culture Featuring a wide array of writers from all corners of the literary academy the book will have national appeal and offer strategies for teaching African American literature in colleges and universities across the country Gene Jarrett Boston University This book describes a fruitful tension that brings scholars of major reputation

together with newly emerging critics to explore the full range of literary activities that have flourished in the post Civil Rights era. Notable are such popular influences as hip hop music and Oprah Winfrey's Book Club. American Literary Scholarship 2013
