**Scrupulosity** Kevin Vost, Psy.D., 2023-05-12 We are all called to reject sin to grow in virtue and above all else to love God with all that we are But some souls suffer from anxiety and feelings of guilt because they see sin where there is none and struggle to embrace God's love and mercy a psychological and spiritual condition known as scrupulosity In **Scrupulosity Heal Your Mind Unbind Your Soul and Let God Work** clinical psychologist Dr Kevin Vost provides a comprehensive overview of the ancient and current psychological and theological understanding of scrupulosity and how those who suffer from it can find peace and healing He guides the reader through the empowering effects of the sacraments virtues gifts of the Holy Spirit and prayer as well as scientific insights into the physical and emotional reality of scrupulosity Along the way he offers inspiration from the lives of saints This book answers many common questions such as What are the causes of scrupulosity How can I know if I have it How does it manifest in thoughts emotions and behaviors Does one outgrow scrupulosity over time Christ does not want us to live this life with troubled hearts mired in fear Ultimately this book invites both the scrupulous and those who love them to attain greater spiritual and psychological peace *Honest Rituals, Honest Sacraments* Joseph Martos, 2017-12-28 Honest rituals are ceremonial actions that celebrate what is actually happening in people's lives Religious rituals however often celebrate beliefs and doctrines e.g the birth of Christ God's forgiveness of sins or the gifts of the Holy Spirit that have little to do with people's experience Martos argues that early Christian rituals were grounded in experiences such as conversion community commitment and self giving Lacking a vocabulary to name such experiences the authors of the

New Testament and other early documents resorted to metaphors such as baptism into Christ receiving the Holy Spirit forgiveness by God and the presence of Christ during worship By the fourth century however those metaphors were taken to be unexperienced metaphysical realities rather than experienced realities The medieval schoolmen developed philosophical explanations of what went on in church rituals and the Catholic Church continues to teach that its sacraments are automatically effective despite growing evidence to the contrary What if religious rituals were to regain their original authenticity What if the guiding value in designing church ceremonies was honesty rather than liturgical correctness After liberating the reader from doctrinal constraints Martos invites Catholics into a re visioning of the traditional sacraments and a reawakening of ritual imagination in non Western cultures

**Understanding the Sacraments** Fr. Chris Alar, MIC, 2025-05-09 Why is the Catholic Church Different from Any Other Church It has the seven Sacraments These are not just symbols but God's guaranteed grace They are Biblical as they were instituted by Christ and entrusted to His Church It is Christ Who acts and communicates His grace through Baptism Eucharist Confirmation Reconciliation Confession Anointing of the Sick Holy Orders Ordination and Matrimony In his engaging style Fr Chris Alar host of the popular Explaining the Faith online talks takes us back to seminary for a refresher course on what all Catholics should have learned He answers such questions as Why do we baptize infants Where is Confession in the Bible Is my marriage valid And many more

*Theology as Construction of Piety* David T. Ngong, 2013-12-10 This book argues that a primary purpose of theological discourses is to construct piety or spirituality If this is the case theologians need to constantly inquire into the kind of piety or spirituality which their work may construct Drawing from some important moments in the development of Christian theology such as the development of the Christian doctrine of God in the early church the role of material things in the Christianity of medieval Europe some elements of contemporary postliberal theology and the theology of inculturation in Africa the book argues that theological discourses that appear to be orthodox and innocuous may actually construct forms of piety that may diminish human flourishing The book therefore calls for an ethics of theology intended to ensure that the theologies we construct help in developing a piety that is conducive to human flourishing in the modern world especially for Africans who have suffered and continue to suffer unspeakable dehumanization The book proposes that a theology that may contribute to the flourishing of Africans in the modern world is one that constructs an interdisciplinary spirituality that takes both the spiritual and the scientific seriously

**A History of Pastoral Care** G. R. Evans, 2000-05-01 A history of pastoral care is a history of the Christian church in action But if any sense is to be made of the centuries of Christian work and effort not only the practicalities of making the message of the Gospel a reality on earth but also the ideas which have shaped the attempt

century by century must be examined This is the history of 2000 years of thought and practice in Christian pastoral ministry Until comparatively late in that story the bulk of the formative thinking took place in the Middle East and in Europe and this forms the background for recent developments in understanding human nature and the ways in which that understanding has influenced our thinking in pastoral care Subjects covered range from the Biblical foundations to the sects and new religious movements from the Fathers the monks the Friars the Templars to the changes at the end of the twentieth century

*Caring for the Sick and Elderly* Marie Roccapriore,2003 This book highlights the various ways pastoral care ministers and parish volunteers can reach out to the sick and elderly There are a wealth of ideas here for extending spiritual sacramental and charitable support to parishioners who are homebound in nursing homes or in hospitals For many years Sr Marie Roccapriore has been involved with a parish program called Project H E A L Homebound are Encouraged through Assistance in Love The details of this program are provided in this book along with forms and other reproducible information that will be useful in developing this type of program in your own parish Also included is an extensive listing of resources that are invaluable for ministry with the sick and elderly The creative ideas offered will motivate more involvement among children as well as adults and bring positive results among the sick and elderly recipients who eagerly look forward to the compassionate and loving care of others Personal examples and anecdotes help illustrate the ways that even the simplest gestures of care and concern can make a world of difference in the lives of the infirm *Sacraments of the Church* Samuel
