Blessed Be Your Name Beth Redman, Matt Redman, 2011-08-16 Worship is always a choice During peaceful and pain free times the choice to respond to God in thanksgiving and praise may be relatively easy But at other painful or confusing times in our lives the choice to worship is a costly act of devotion In the life of every worshiper there will come times when worship meets with suffering In Blessed Be Your Name Matt and Beth Redman use the words of their inspiring song to explore how to stand in the place of praise even in the face of hardship and pain Focusing on the Psalms many of which were written out of struggle the Redmans share from their own experience and show how painful circumstances and our choices can either propel us toward God or away from Him build up our faith or break it Learn how to ride out the storms of life saying Blessed be Your name Lord and mean it

Sermons Jean-Baptiste Massillon,1798 *The Heart of Worship Files* ,2010-03-23 Together we journey to learn more and more of what it really means to bring meaningful offerings to the heart of God Thoughts words deeds and songs the whole of our lives can be a response to His immeasurable worth This book is for all those who find themselves on such a pilgrimage lead worshippers pastors musicians dancers singers anyone with a heart to pursue the depths of worship Within these pages you'll find a mixture of creative Bible insights and hands on advice for how to lead worship and write congregational songs The Heart of Worship Files will sharpen you in your quest to know Jesus and make Him known to others *Sin and the Church* Crystal Maria Scott,2014-06-05 Sin and the Church Perspectives and Principles for Powerful Christian Living is a timely message for today This book is born out of Crystal Scott's own personal Christian experience and journey and is a reflection of God's grace patience and providence she discloses that while forever a work in progress she has received revelation and understanding through her relationship with God that affords her the opportunity to enlighten others as she has been enlightened WHAT YOU DON'T KNOW CAN HURT As related to the issue of Sin and the Church I consider this more than a mere cliché what you don't know can indeed hurt you and this hurt is more and more apparent in the Church which is the body of Christ His believers and followers There is a rapid increase of spiritual decline in the Church that is

quite alarming and its impact is far reaching All too often there seems to be very little difference between Church people and those who do not claim to be followers of Christ I contend without apology that there is an expectation of the Church that God has which is not being carried out as it should be In the face of what seems gloom and doom for the Church God raises a word of enlightenment and encouragement God knows there are some who are innocently led astray by erroneous doctrine and confused and He cares He also cares about those who innocently or deceptively lead others astray and He offers grace forgiveness and restoration to the repentant heart Included in this book are the following True Christian Doctrine Lifestyles that are not indicative of Christianity and holiness Essential keys for powerful Christian living Statistical Data Personal testimonies and interviews and much more SIN and the CHURCH PERSPECTIVES and PRINCIPLES for POWERFUL CHRISTIAN LIVING GOOD NEWS in confusing and troubled times
