School Talksheets Terry D. Linhart, 2009-10-06 Your high school students probably think they know a lot about Jesus But do they know how the stories of Jesus life relate to their own If you want to get them thinking and talking about Jesus who he really was and what that means for them today you have everything you need right here The latest addition to the best selling TalkSheets series High School TalkSheets Life of Christ gives you easy to use discussion starters and the tools to lead students into meaningful dialogue about Jesus The one page reproducible handouts offer provocative questions in a compelling design that cover everything from the prediction of his birth to his ascension Students will delve into each aspect of Jesus life while looking at it through the lens of their own world and applying it to their own lives These TalkSheets present every aspect of Jesus life in a way that young teens can connect with as they learn to apply the lessons to their own lives TalkSheets makes the Bible relevant and engaging for students while offering helpful hints and optional activities to help your youth ministry team effectively facilitate great conversations without a lot of prep work **On Privilege,**

Fraudulence, and Teaching As Learning Peggy McIntosh, 2019-07-04 From one of the world's leading voices on white privilege and anti racism work comes this collection of essays on complexities of privilege and power Each of the four parts illustrates Peggy McIntosh's practice of combining personal and systemic understandings to focus on power in unusual ways Part I includes McIntosh's classic and influential essays on privilege or systems of unearned advantage that correspond to systems of oppression Part II helps readers to understand that feelings of fraudulence may be imposed by our hierarchical cultures rather than by any actual weakness or personal shortcomings Part III presents McIntosh's Interactive Phase Theory

highlighting five different world views or attitudes about power that affect school curriculum cultural values and decisions on taking action The book concludes with powerful insights from SEED a peer led teacher development project that enables individuals and institutions to work collectively toward equity and social justice This book is the culmination of forty years of McIntosh s intellectual and organizational work

Evidence-Informed Assessment and Practice in Child Welfare John S. Wodarski, Michael J. Holosko, Marvin D. Feit, 2015-01-28 This practice oriented text presents evidence based assessment methods and interventions that have been extensively field tested in child welfare settings The contributors offer empirical and field insights comprehensive treatment models and curricula in key areas such as child maltreatment substance abuse parent training social skills and youth employment interventions For the professional reader the book offers real world guidance on social work practice from hiring opportunities within a system to promoting lasting change as families and their issues grow increasingly complex These chapters also take significant steps toward future improvements in child protection systems as the field evolves toward being more coordinated effective and professional Included in the coverage Legal requisites for social work practice in child abuse and neglect The integrated model for human service delivery in child welfare Risk assessment issues and implementation in child protective services Substance use and abuse screening tools and assessment instruments The process of intervention with multi problem families Preventative services for children and adolescents Its multi level approach makes Evidence Informed Assessment and Practice in Child Welfare an essential professional development text for social workers particularly those new to the job as well as a progressive blueprint for social work administrators

Colormute Mica Pollock, 2009-04-11 This book considers in unprecedented detail one of the most confounding questions in American racial practice when to speak about people in racial terms Viewing race talk through the lens of a California high school and district Colormute draws on three years of ethnographic research on everyday race labeling in education Based on the author s experiences as a teacher as well as an anthropologist it discusses the role race plays in everyday and policy talk about such familiar topics as discipline achievement curriculum reform and educational inequality Pollock illustrates the wide variations in the way speakers use race labels Sometimes people use them without thinking twice at other moments they avoid them at all costs or use them only in the description of particular situations While a major concern of everyday race talk in schools is that racial descriptions will be inaccurate or inappropriate Pollock demonstrates that anxiously suppressing race words being what she terms colormute can also cause educators to reproduce the very racial inequities they abhor The book assists readers in cultivating a greater understanding of the pitfalls and possibilities of everyday race talk and clarifies previously murky discussions of colorblindness By bridging the gap between theory and practice Colormute will be enormously helpful in fostering ongoing conversations about dismantling racial inequality in America

Packaging Boyhood Sharon Lamb, Ed.D., Lyn Mikel Brown, Ed.D., Mark Tappan, Ed.D., 2009-10-13 Player Jock Slacker Competitor Superhero Goofball Boys are besieged by images in the media that encourage slacking over

studying competition over teamwork power over empowerment and being cool over being yourself From cartoons to video games boys are bombarded with stereotypes about what it means to be a boy including messages about violence risktaking and perfecting an image of just not caring Straight from the mouths of over 600 boys surveyed from across the U S the authors offer parents a long hard look at what boys are watching reading hearing and doing They give parents advice on how to talk with their sons about these troubling images and provide them with tools to help their sons resist these messages and be their unique selves
