David Duguid,1876 **Abraham: The World's First Psychopath** Adam Weishaupt,2013-01-26 If you consider it impossible that the morally perfect God would order a father to make a human sacrifice of his innocent son for no reason other than to demonstrate absolute mindless obedience then the God of Abraham cannot be God So who is he The ancient Gnostics had the obvious answer he s Satan Doesn t that explain the horrific history of the Abrahamic religions and their grotesque propensity for violence Abrahamism is a terrorist religion led by a terrorist God who demands unwavering obedience even when it contradicts morality The Jews Christians and Muslims who trace their common ancestry to Abraham are thus revealed as Devil worshippers This book provides a theological dissection of the tale of Abraham from the Jewish Christian and Muslim perspectives It reveals Abraham as one of the most evil men in history and unquestionably the world s first psychopath Like the Nazis he put obedience to a tyrannical monster above human life

Childhood in the Middle Ages and the Renaissance Albrecht Classen,2011-12-22 Earlier theses on the history of

childhood can now be laid to rest and a fundamental paradigm shift initiated as there is an overwhelming body of evidence to show that in medieval and early modern times too there were close emotional relations between parents and children. The contributors to this volume demonstrate conclusively on the one hand how intensively parents concerned themselves with their children in the pre modern era and on the other which social political and religious conditions shaped these relationships. These studies in emotional history demonstrate how easy it is for a subjective choice of sources coupled with faulty interpretations caused mainly by modern prejudices toward the Middle Ages in particular to lead to the view that in the past children were regarded as small adults. The contributors demonstrate convincingly that intense feelings admittedly often different in nature shaped the relationship between adults and children.

Dead Lawyers Tell No Tales Randy D. Singer, 2013

Landon Reed is an ex quarterback convicted of organizing a points shaving scheme. During his time in prison he found forgiveness and faith and earned his law degree. Now he longs for an opportunity to prove his loyalty and worth. Be careful what you ask for. Harry McNaughton is one of the founding partners of McNaughton Clay and the only lawyer willing to take a chance employing an ex con turned lawyer. Though Landon initially questions Harry's ethics and methods, it's clear the crusty old lawyer has one of the most brilliant legal minds Landon has ever encountered. The two dive into preparing a defense for one of the highest profile murder trials Virginia Beach has seen in decades when Harry is gunned down in what appears to be a random mugging. Then two more lawyers are killed when the firm's private jet crashes. Authorities suspect someone has a vendetta against McNaughton Clay, leaving Landon and the remaining partner as the final targets. As Landon struggles to keep the firm together, he can't help but wonder if the plot related to a shady case from McNaughton Clay's past or to the murder trial he's neck deep in now. And will he survive long enough to find out?
