This volume completes a program of publishing distinguished essays on a wide range of Slavic topics California Slavic Studies, Volume XVI Boris Gasparov, 2023-07-28 Christianity and the Eastern Slavs Volume I Slavic Cultures in the Middle

Ages offers an in depth exploration of the cultural and historical developments of Eastern Slavic societies under the influence of Christianity starting from the Christianization of Kievan Rus in 988 Edited by Boris Gasparov and Olga Raevsky Hughes

this volume is part of the California Slavic Studies series and features scholarly essays based on international conferences commemorating the Christian millennium of Eastern Slavs The book investigates the interplay between Christian tradition

and the cultural literary and institutional frameworks of early Slavic societies emphasizing the transformative impact of

Orthodox Christianity on Russian Ukrainian and Belorussian national identities This volume covers a wide range of topics

including the adoption of Christianity the use of Church Slavonic as a liturgical language and the cultural paradigms

established in the medieval period Through a multidisciplinary lens the essays provide insights into the formation of religious

practices linguistic traditions and literary expression that shaped the identity and heritage of the Eastern Slavs This

comprehensive examination is invaluable for scholars of Slavic studies medieval history and the intersection of religion and culture in Eastern Europe This title is part of UC Press's Voices Revived program which commemorates University of

California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a

Methodian Tradition *The Palgrave Handbook of Slavic Languages, Identities and Borders* Tomasz Kamusella, Motoki

Nomachi, Catherine Gibson, 2016-04-29 This book analyzes the creation of languages across the Slavophone areas of the

world and their deployment for political projects and identity building mainly after 1989 It offers perspectives from a number

of disciplines such as sociolinguistics socio political history and language policy Languages are artefacts of culture meaning

they are created by people They are often used for identity building and maintenance but in Central and Eastern Europe they

became the basis of nation building and national statehood maintenance The recent split of the Serbo Croatian language in

the wake of the break up of Yugoslavia amply illustrates the highly politicized role of languages in this region which is also

home to most of the world's Slavic speakers This volume presents and analyzes the creation of languages across the

Slavophone areas of the world and their deployment for political projects and identity building mainly after 1989 The

overview concludes with a reflection on the recent rise of Slavophone speech communities in Western Europe and Israel The book brings together renowned international scholars who offer a variety of perspectives from a number of disciplines and sub fields such as sociolinguistics socio political history and language policy making this book of great interest to historians sociologists political scientists and anthropologists interested in Central and Eastern Europe and Slavic Studies **A History of Slavic Studies in the United States** Clarence Augustus Manning,1957 **Die slavischen Sprachen / The Slavic Languages.
