But this is no ordinary party; it's going to be their first sleepover party. The girls can't wait to stay up late, play games, and watch movies. But Emily is also secretly worried. She knows her parents aren't going to let her spend the night at Taylor's, and she doesn't want to be left out of all the fun. Will Emily have to stay home and miss the party, or can she find a way to prove to her parents that she's old enough to go?

Chicken Soup for the Teenage Soul: The Real Deal Friends Jack Canfield, Mark Victor Hansen, 2012-10-09 Friends. You gotta have 'em, but sometimes they drive you crazy. You love 'em, but sometimes they make you mad. They'll help you through a crisis unless they are the crisis. So what's the deal? Friends are more than just the people you hang out with. They make you laugh, they keep your secrets, they offer advice, some good, some bad. They give you a shoulder to cry on. Sometimes they move away or betray your trust or flake out, but mostly they are the people who are always there for you. And they know you'll be there when they need you most. Because that's what it means to be a friend. Sometimes friendship is overwhelming, sometimes it's confusing, sometimes you feel like you don't have a friend in the world, but don't worry, it's like that for everyone. That's what the stories in this book are all about. They're from real teens, and they're about the bizarre, difficult, and wonderful things that really happened to them and their friends. Put that together with weird facts, cool graphics, fun advice, and quizzes designed to help you figure out what you and your friends are all about, and you've got the real deal on friendship.

Paperback Crush Gabrielle Moss, 2018-10-30 For fans of vintage YA, a humorous and in-depth history of beloved teen literature from the 1980s and 1990s, full of trivia and pop culture fun. Those pink covers. That flimsy paper. The nonstop series installments that hooked readers throughout their entire adolescence. These were not the serious issue novels of the 1970s nor the blockbuster YA trilogies that arrived in the 2000s. Nestled in between were the girl-centric teen books of the 80s and 90s, short, cheap, and utterly adored. In *Paperback Crush*, author Gabrielle Moss explores the history of this genre with affection and humor, highlighting the best-known series along with their many diverse knockoffs. From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens, these stories feature girl protagonists in all their glory. Journey back to your younger days, a time of girl power, nourished by sustained silent reading. Let *Paperback Crush* lead you on a visual tour of nostalgia-inducing book covers from the library stacks of the past.
