Slipknot Discography , *The Consumption of Inequality* K. Halnon,2013-09-18 The fads fashions and media in popular consumer culture frequently make recreational and ideological fun of poverty and lower class living In this book Halnon delineates how incarceration segregation stigmatization cultural and social consecration and carnivalization work in the production and consumption of inequality **SlipKnoT: ALL HOPE IS GONE** Joel McIver,2012-03-07 With no fewer than nine members and a unique stage image based on grotesque masks and boiler suits Slipknot retained a mystique that was unprecedented in the metal world never allowing their faces to become known so that the focus would remain on their music The first edition of this book published in 2001 followed the band from their inception in Des Moines Iowa in the mid 1990s through to the release of their second album an updated edition followed in 2003 It s now a decade since the first volume appeared and in that time Slipknot have evolved into a completely different band from the one that first emerged into the limelight in 1999 Everyone knows their faces now The band s music is darker deeper and more adult after four studio albums three DVDs and a live release Most strikingly the sudden death of their bass player Paul Gray in 2010 has changed the face and the attitude of the group although their commercial profile is if anything greater than it was before Slipknot All Hope Is Gone explores this unlikely and tragic evolution with new chapters covering the band s career to date and it also asks what their future will be **Who You Think I Am?** Sebastian Berlich,2023-10-27 Pop stars are close to us In their songs their pictures their stories on Instagram What we are looking for is an authentic impression Real feelings on real faces But what happens when they cover their face with a mask Permanently as a second face The phenomenon can be found in the mainstream as well as in the underground The mask does not break with the ideal of authenticity Rather depending on how it is staged it refers to the most diverse discourses can appear cool or grotesque become a logo or create anonymity The essay uses mainly two examples Sido Slipknot to show how the mask constructs the persona of pop stars and thus reveals structures of pop music The translation was done with the help of artificial intelligence A subsequent human revision was done primarily in terms of content *CMJ New Music Report* ,1999-11-22 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success **Focus On: 100 Most Popular American Rock Guitarists** Wikipedia contributors, **Focus On: 100 Most Popular 21St-century American Musicians** Wikipedia contributors, *CMJ New Music Report* ,1999-12-20 CMJ New Music Report is the primary source for exclusive charts of non commercial and college radio airplay and independent and trend forward retail sales CMJ s trade publication compiles playlists for college and non commercial stations often a prelude to larger success **Billboard** ,2000-01-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled
