Slovenia Evolving Loyalties:

Slovenia John K. Cox, 2005 **Slovenia** John K. Cox, 2004-06-01 A clear and concise introduction to contemporary Slovenia It examines the country's rapid transition from a collection of provinces in the southern part of the Habsburg Empire to a republic within Yugoslavia to an independent state and analyzes the major political and economic developments since 1991 The perfect introduction to one of Europe's most fascinating nations *Culture Matters in Russia—and Everywhere* Lawrence Harrison, Evgeny Yasin, 2015-04-23 This book pulls together experts in the fields of economics and Russian culture all participants in the Samuel P Huntington Memorial Symposium on Culture Cultural Change and Economic Development a follow up to the 1999 Cultural Values and Human Progress Symposium at Harvard University As the sequel to the 2001 volume *Culture Matters* it discusses modernization democratization economic and political reforms in Russia and asserts that these reforms can happen through the reframing of cultural values attitudes and institutions Cover design by Katie Makrie *Church, State, and Democracy in Expanding Europe* Lavinia Stan, Lucian Turcescu, 2011-08-29 Lavinia Stan and Lucian Turcescu examine the relationship between religion and politics in ten former communist Eastern European countries Contrary to widespread theories of increasing secularization Stan and Turcescu argue that in most of these countries the populations have shown themselves to remain religious even as they embrace modernization and democratization Church state relations in the new EU member states can be seen in political representation for church leaders governmental subsidies registration of religions by the state and religious instruction in public schools Stan and Turcescu outline three major models the Czech church state separation model in which religion is private and the government secular the pluralist model of Hungary Bulgaria and Latvia which views society as a group of complementary but autonomous spheres for example education the family and religion each of which is worthy of recognition and support from the state and the dominant religion model that exists in Poland Romania Estonia and Lithuania in which the government maintains informal ties to the religious majority *Church State and Democracy in Expanding Europe* offers critical tools for understanding church state relations in an increasingly modern and democratic Eastern Europe Decolonization Models for America's Last Colony Angel Collado-Schwarz, 2012-02-29 The island of Puerto Rico suffers from a stagnant economy devastating unemployment and severely limited political autonomy In this book Collado Schwarz addresses Puerto Rico's more than a century old relationship with the United States and presents compelling strategies for gaining independence Through a series of interviews and newspaper columns the author examines six countries similar in size to Puerto Rico that have all successfully navigated a course to sovereignty Singapore Ireland Israel New Zealand Estonia and Slovenia Collado Schwarz chronicles the political history of each country the ways in which each achieved independence and what lessons can be applied to Puerto Rico With cogent analysis and carefully reasoned arguments this book will reopen the national dialogue in the United States about the future of Puerto Rico **To Walk with the Devil** Gregor Joseph Kranjc, 2013-01-01

The A to Z of Slovenia Leopoldina Plut-Pregelj, Carole Rogel, 2010-05-20 For more than 1 300 years Slovenes had lived in Eastern Europe without having a separate Slovene state but in December of 1990 they voted for independence or put more appropriately for disassociation from Yugoslavia Unfortunately Slovenia had to fight for its independence which it did not fully achieve until 1995 after its bloody disintegration with Yugoslavia was over Since independence however Slovenia has

prospered its economy is far ahead of other former communist states and in 2004 Slovenia acceded to both NATO and the European Union the only republic of former Yugoslavia to do so The A to Z of Slovenia covers the history of Slovenia and its struggle to gain independence from communism This is done through a detailed chronology an introduction appendixes a bibliography and hundreds of cross referenced dictionary entries on some of the more significant persons places and events institutions and organizations and political economic social cultural and religious facets *A Brief History of Croatia & Slovenia 2 in 1* Dominic Haynes, Two nations One epic struggle for survival Caught between empires wars and revolutions Croatia and Slovenia have spent centuries fighting for their place on the map and in history From Roman roads and medieval kingdoms to communist rule and hard won independence this fast paced 2 in 1 guide brings their stories to life Ever visited the Balkans and realized you barely knew the history Wonder how two tiny nations carved out powerful identities despite centuries of domination In just a few hours you ll gain the context clarity and confidence to understand Croatia and Slovenia not just as travel destinations but as two of Europe s most resilient nations A sweeping but accessible timeline from ancient tribes to the modern EU Key battles empires uprisings and independence movements Clear explanations of Yugoslavia s rise collapse and legacy Engaging storytelling with no fluff or academic jargon Perfect for travelers history lovers and the just curious Whether you re prepping for a trip or simply love a good underdog story this book delivers history that s fast clear and unforgettable Grab your copy now and discover how Croatia and Slovenia defied the odds and won *Cultural Diplomacy and International Cultural Relations: Volume I* Oliver Bennett,2020-05-21 This book is the first in a dedicated series that explores questions of cultural diplomacy and international cultural relations Drawing on a broad range of disciplinary perspectives it throws new light on the function and operation of policies that seek to change attitudes values and behaviours across national boundaries and in diverse geocultural contexts The specific policies explored relate to ways in which sites of past violence and atrocity are deployed in strategies of soft power to the contribution of culture to EU enlargement to the use of the Russian language as a soft power resource to the singularities of the Indian cultural diplomacy to cultural diplomacy as elite legitimation to the role of diaspora relations in European cultural diplomacy to the use of film in post war cultural diplomacy and to the role assigned to culture in the Canada EU Comprehensive Economic Trade Agreement Scholars interested in how cultural and foreign policy intersect in widely differing national contexts will find this book an invaluable resource It was originally published as a special issue of the International Journal of Cultural Policy *Civilizing Nature* Bernhard Gissibl,Sabine Höhler,Patrick Kupper,2012-11-01 National parks are one of the most important and successful institutions in global environmentalism Since their first designation in the United States in the 1860s and 1870s they have become a global phenomenon The development of these ecological and political systems cannot be understood as a simple reaction to mounting environmental problems nor can it be explained by the spread of environmental sensibilities Shifting the focus from the usual emphasis on national parks in the United States this volume adopts an historical and

transnational perspective on the global geography of protected areas and its changes over time It focuses especially on the actors networks mechanisms arenas and institutions responsible for the global spread of the national park and the associated utilization and mobilization of asymmetrical relationships of power and knowledge contributing to scholarly discussions of globalization and the emergence of global environmental institutions and governance

Dealing with the Yugoslav Past
Alina Zubkovych, 2017-01-31 This book analyzes the representation of the socialist past in the national history museums of the former Yugoslavia Through travels to Croatia Bosnia and Herzegovina Montenegro Kosovo and Macedonia the study elucidates the process of constructing the national narratives that maintain and legitimize a particular vision of the common past Cross national comparison allows for analysis of the democratic development of each state in relation to the politics of memory in the region and the role of political actors in its construction

Slovenia Evolving Loyalties Introduction

In the digital age, access to information has become easier than ever before. The ability to download Slovenia Evolving Loyalties has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Slovenia Evolving Loyalties has opened up a world of possibilities. Downloading Slovenia Evolving Loyalties provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Slovenia Evolving Loyalties has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Slovenia Evolving Loyalties. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Slovenia Evolving Loyalties. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Slovenia Evolving Loyalties, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Slovenia Evolving Loyalties has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous

learning and intellectual growth.
