**Project-Based Learning Applied to the Language Classroom** Juliana Franco Tavares/ Louise Emma Potter, 2018-03-05 In Project Based Learning Applied to the Language Classroom the authors propose a way to develop PBL in the language classrooms taking into account all of the obstacles and specifics involved in teaching a foreign language It is about teaching English as a second or foreign language using Project Based Learning PBL We approach this combination because many people seem to think about implementing PBL in their language classes and ask questions about how to do it but feel that there aren't enough materials based on this methodology In fact most researchers and writers we have come across discuss the applications of PBL in the students mother tongue to subjects such as Math History Literature Social Studies and Science However there are few published works about the specifics of PBL in foreign language classes Besides it seems obvious to us that the main difficulty in developing projects in a second or foreign language lies exactly on the fact that communication may be hindered when students do not have enough knowledge in the target language

Assault of the Killer B's Jason Paul Collum, 2015-01-27 The women who starred in low budget cult movies created many memorable experiences for those fans of late night flicks such as Saturday Night Frights, Movie Macabre, and Up All Night. Brinke Stevens, who played Linda in The Slumber Party Massacre, recalls, "Suddenly I was riding in limos, flying to foreign countries for film festivals, appearing on dozens of popular talk and entertainment TV shows, and truly feeling like a glamorous movie star." This collection of revealing interviews provides insights into the lives of 20 cult film actresses. They discuss the pros and cons of making these movies and the directions their careers have taken since. Among the films they starred in are Night of the Living Dead, The Slumber Party Massacre, Friday the 13th, A Nightmare on Elm Street, Halloween, Sleepaway Camp, and Elvira's Haunted Hills.

Bitchie Belles G.M. Lemoine, 2010-05-11 The story takes place in a small area in an anonymous southern state. The main character is a Creole lady named Indiana, who was fortunate enough to be legally adopted by a very affluent white couple and raised as a sister to their biological daughter. Indy's mother passed away while in their employment. The author has drawn on a cast of eccentric people she has met over the years in various parts of the south. Her grandmother always told her that the difference between eccentric and just plain crazy was money. If you have money, eccentric sounds so much better than crazy. There are lots of people with money in Trudeau, the town where the nucleus of this story takes place. The fictitious story includes the Grande Dames of the area, a madame who bought a mansion in their upscale neighborhood. Add to the mix the Bonner brothers, the slow twins, the town has sort of adopted. What they don't get into: Things heat up when several young women of a certain reputation are found dead in the surrounding area. This story goes from one of the better known citizens of the town attempting to ax down her garage door at 2 a.m. to get to her liquor supply. The town ladies and Daughters of the South picketing the house of ill repute, once they figured out it is not going to be a bed and breakfast. The sheriff is a less than savory character. There are a cast of other colorful locals, as well as people just passing through. This all mixes well together to form a story about life, warts and all. Some characters are waiting in the wings to be in more stories. There are sequels in the works. We introduced the main characters in this novella.
