Small Faith Great God Biblical Faith For Today's Christians:

Small Faith--great God Nicholas Thomas Wright, 1978 **Small Faith - Great God** Tom Wright, 1978 Small Faith - Great God (16pt Large Print Format) N T Wright, 2012-02-27 In the midst of life's challenges so often our faith feels small and weak In this book one of the world's premier Bible teachers N T Wright reminds us that what matters is not so much our faith itself as Who our faith is in Faith says Wright is like a window The point is not for part of the wall to be made of glass The point of a window is to allow us to see through it and let light into the room Faith allows us to see our situation and our own weakness in light of God who is powerful holy and loving Wright also looks at the character of the faith God calls us to He unfolds how dependence humility and mystery all have a role to play God beckons us to lean on him as we seek to be constructive citizens of the world to speak truth in love without hypocrisy and to risk submitting to one another in love Wright doesn't ignore the messiness and difficulties of life when hard times come and the unexpected knocks us down He opens to us what faith means in times of trial and even in the face of death Through it all he reminds us it's not great faith we need it is faith in a great God The Bridge Michael W. McGowan, 2015-05-04 Philosophers of religion and theologians have long wrestled with the concept of revelation Does God reveal truth to human subjects primarily through sacred texts or audible voices Through inner experiences or pronouncements of religious leaders What is the relationship between the truths given in revelation and those discoverable by reason Revelation is a challenge not only to scholars but also for churchgoers How can the same God command one person to do one thing and another to do something quite different In The Bridge Michael McGowan explores how a number of great twentieth and twenty-first century thinkers understand the concept of revelation Using insights from their work and some recent advances in literary theory and communication studies he constructs a model of revelation in which symbol and narrative figure heavily Ancient ideas are given new life in this contemporary explication of the nature of revelation God as the Revealer and revelation's implications **Tom Wright for Everyone** Stephen Kuhrt, 2011-05-19 Tom Wright for Everyone addresses the reticence of many evangelicals to engage with what Tom Wright has been saying for some time The book looks at key theological questions awaiting an answer and gives an enlightening summary of the theology of Tom Wright arranged around terms like Covenant Heaven Kingdom The resurrection of Jesus and justification Then in perhaps the most valuable part of the book Stephen Kuhrt describes in detail the difference putting Tom Wright's theology into practice has made in his own parish church pastorally and in terms of mission The book ends with a clear statement of Tom Wright's challenge to the Church in the second decade of the twenty-first century **Dying and the Virtues** Matthew Levering, 2018-01-23 In this rich book Matthew Levering explores nine key virtues that we need to die and live well love hope faith penitence gratitude solidarity humility surrender and courage Retrieving and engaging a variety of biblical theological historical and medical resources Levering journeys through the various stages and challenges of the dying process beginning with the fear of annihilation and continuing through repentance

and gratitude suffering and hope before arriving finally at the courage needed to say goodbye to one's familiar world Grounded in careful readings of Scripture the theological tradition and contemporary culture *Dying and the Virtues* comprehensively and beautifully shows how these nine virtues effectively unite us with God the One who alone can conquer death **The Publishers' Trade List Annual**, 1979 **THE UNTOUCHABLE CHRISTIAN** GODSWORD GODSWILL ONU, **The Gods of Christianity** Brian Dennis, 2020-02-18 The fact that surprisingly few Christians actually know and experience the mighty God we preach about teach about and sing about is evidenced by the abundance of doubt worry and fear that permeate our lives It is evidenced by the lack of faith and power exemplified in our Churches It is evidenced by the ordinary lives we live while claiming to be children of the most high God The resulting inconsistencies between the things we boldly profess and the things we commonly practice have unfortunately become accepted as normal Christian behavior We no longer expect anything more not from our own lives not from the Church not even from God Himself This lack of expectancy this lack of faith in the faithfulness of God clearly indicates a distinct difference between the God we preach and the God we have personally come to know It reveals that we do not know the very God we proclaim We do not know the God of the Bible for if we knew Him the Church would indeed be an eminent light shining in the darkness a city set on a hill an indelible force against which the powers of this present evil world could not prevail The God we do know however the God with whom so many Christians have become familiar unfortunately allows us to live comfortably in the weakness of our complacency and blatant disbelief We live far below the high calling that Christ has placed upon His Church We walk in ways that deny the very power and authority that belong to the children of God We do not live by faith Sadly we have learned to live in such a way as to where there is no distinguishable difference between the lives of those who claim to know Christ and the lives of those who do not no distinguishable difference between the Church and the world The good news is that the truth remains The God of the Bible is still there He can do no other than prove Himself faithful to those who hunger and thirst after righteousness to those who hear His voice and obey Yes to those who would yet have a heart to know Him He is there to be known We must first however lay aside all notions of the small God we have come to know and we must dare to see Him as He is if we are to rise above the routine of cultural Christianity and walk in the truth of knowing Christ *Christian Faith for Men of Today* Ezra Albert Cook, 1913 *All the Doctrines of the Bible* Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer's approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith

Christianity Today, 1985 *Christian China*, 1921 *Book 6 Biblical Faith* PB Kurt Jurgensmeier, 2012-10-28 Faith is a vital topic in Christian theology However the concept is more complex than is assumed John Stott writes One wonders if there is any Christian quality more misunderstood than faith We demonstrate that Scripture uses faith in a variety of ways including saving faith false faith miracle faith empowering faith and visionary faith Failure to recognize this leads to serious

error in both Arminianism and charismaticism Included is an extended section on visionary faith that enables us to step out in courage taking risks to pursue human plans to fulfill God's commands In our defense of the fact that biblical faith must rest on biblical revelation we critique the inclusivism of John Wesley Billy Graham and C S Lewis which claims salvation can be apart from a revelation of the Gospel Finally we demonstrate that the strength of our faith depends on reason and the evidences it perceives and evaluates There is no such thing as a biblical leap of faith apart from reason *Christian Science Sentinel* ,1908
