The background of the entire cover is a solid teal color. Overlaid on this background is a collection of oranges and green leaves. There are five whole oranges of varying sizes and orientations. One orange in the bottom right corner is cut open, revealing a bright yellow-orange interior. Several dark green leaves with visible veins are scattered around the oranges, some attached to short stems. The oranges have a textured, bumpy surface.

Small Pleasures: Mya's Story Darnishia

Bolden, 2011-09-09 Flat chested and agile as monkeys the pretty little Sheppard sisters hunt exotic insects as decorations for their mud pies and childhood games Yet by the age of ten Mya Sheppard's body has outgrown her innocent mind Deeply troubled by its unwanted attention Mya climbs trees hoping to remain within the protected cradle of childhood But the violence that chased the Sheppard girls to California finds them and forces them and their Mother back to Georgia and into the home of Donovan Sheppard's religious parents Struggling against bouts of anxiety brought on by salty California Mya finds herself in a whirl of trouble one afternoon when she's left in the care of a grandfather who finds her tempting Despite the domestic issues plaguing the family this assault seizes Mya's ability to defend her body against others and her own hands Brutally honest and graphically told Mya introduces the reader to the life of a family fighting for love and normalcy and struggling to remain together

Small Pleasures Clare Chambers, 2021-10-12

In the best tradition of Tessa Hadley Kazuo Ishiguro and

Ann Patchett an astonishing keenly observed period piece about an ordinary British woman in the 1950s whose dutiful life takes a sudden turn into a pitched battle between propriety and unexpected passion With wit and dry humor quietly affecting in unexpected ways Chambers language is beautiful achieving what only the most skilled writers can big pleasure wrought from small details The New York Times LONGLISTED FOR THE WOMEN S PRIZE FOR FICTION 1957 Jean Swinney is a feature writer on a local paper in the southeast suburbs of London Clever but with limited career opportunities and on the brink of forty Jean lives a dreary existence that includes caring for her demanding widowed mother who rarely leaves the house It s a small life with little joy and no likelihood of escape That all changes when a young woman Gretchen Tilbury contacts the paper to claim that her daughter is the result of a virgin birth Jean seizes onto the bizarre story and sets out to discover whether Gretchen is a miracle or a fraud But the more Jean investigates the more her life becomes strangely and not unpleasantly intertwined with that of the Tilburys including Gretchen s gentle and thoughtful husband Howard who mostly believes his wife and their quirky and charming daughter Margaret who becomes a sort of surrogate child for Jean Gretchen too becomes a much needed friend in an otherwise empty social life Jean cannot bring herself to discard what seems like her one chance at happiness even as the story that she is researching starts to send dark ripples across all their lives with unimaginable consequences Both a mystery and a love story Small Pleasures is a literary tour de force in the style of The Remains of the Day about conflict between personal fulfillment and duty a novel that celebrates the beauty and potential for joy in all things plain and unfashionable
