Our Small Town World Sandra McBride,2017-10-25 Our Small Town World is a collection of forty four feature stories I have written for my hometown weekly newspaper The Express over the past eleven years When I began this venture my goal was to bring to light the history heritage and heart of these small communities that to me are the personification and the essence of this great country we live in And America is a great country because of the hard working and unassuming people who are the rocks upon which it was built Too often the good things that go on in the small towns that are off the radar go unnoticed and unheralded But we are America We in the small town world are the doers the helpers the protectors the caregivers the keepers of the flame I may live in a small town world but in eleven years I have had little trouble finding stories worth writing or neighbors worth

writing about It has been my privilege and my honor to be able to record just a few of the many great happenings and the many great people that define our own small town world      *Hospitality* ,1928      **Class** ,1925
