ADDT 2023 created a forum for idea sharing and research exchange, opened up new perspectives in related fields and broadened the horizons of all participants. In the conference, 100 individuals around the world took part. Divided into three parts, the conference agenda covered keynote speeches, oral presentations, and online Q & A discussion. Firstly, the keynote speakers were each allocated 30-45 minutes to address their speeches. Then, in the oral presentations, the excellent papers we had selected were presented by their authors one by one. We are glad to share with you that we've selected a bunch of high quality papers from the submissions and compiled them into the proceedings after rigorously reviewing them. These papers feature but are not limited to the following topics: Computer Art, Visual Design, Digital Media, Innovative Technology, etc. All the papers have been checked through rigorous review and processes to meet the requirements of publication. We would like to acknowledge all of those who supported ADDT 2023 and made it a great success. In particular, we would like to thank the European Alliance for Innovation (EAI) for the hard work of all its colleagues in publishing this paper volume. We sincerely hope that the ADDT 2023 turned out to be a forum for excellent discussions that enable new ideas to come about promoting collaborative research. **Intelligent Computing Techniques and Applications** Tusharkanta Samal, Ambarish Panda, Manas Ranjan Kabat, Ali Ismail Awad, Suvendra Kumar Jayasingh, Deepak K Tosh, 2025-08-19 This Taylor Francis CRC Press volume contains the papers presented at the International Conference on Emerging Trends in Intelligent Computing Techniques (ICETICT) 2024 held during 27th and 28th December 2024 organized by DRIEMS University, Tangi, Cuttack, Odisha, India. The conference draws the excellent technical keynote talk and many papers. The keynote talks by Prof. Sanjeevikumar Padmanaban, University of South Eastern Norway and Prof. Bidyadhar Subudhi, Director NIT Warangal, are worth mentioning.
