A Judeo-Christian Legal Guide to Human Resource Management

David Robinson, Esther Robinson, 2025-08-26 So much of human resource management these days is driven by fear of lawsuits an employee suing an employer that many companies and organizations do not achieve as much productivity and profitability as they deserve They spend large sums on lawyers and strategies to prevent lawsuits They sometimes retain rather than terminate underperforming employees for fear that a terminated employee will sue This diverts money from company profits and employee wages Lawyer David A Robinson and his wife human resources professional Esther have advised employers and thought about this problem for decades Is there anything employers can do about this problem Looking for answers David and Esther found some answers in a place they did not expect the Bible They expected the Bible to be on the side of servants employees not masters employers They were pleasantly surprised to find the Bible on the side of employees AND employers This book is written specifically for 2025 and the next few years In his inaugural address on January 20 2025 President Donald Trump said society should be colorblind and merit based He added As of today it will henceforth be the official policy of the United States government that there are only two genders male and female Employers whether they approve or disapprove of Trump should be mindful of those words

The Blessed Pastor Robert L.

Adams, 2010-07-13 A raucous multi tongued sound roars in the ears of many pastors The voices speak in the various dialects of church growth and Biblical scholarship in the legalese of congregational polity in the accents of career success and in the language of spiritual devotion These sounds are accompanied by carefully designed images of the successful pastor C E O visionary leader trusted counselor presuasive preacher anointed prophet selfless missionary Many ministers feel compelled to respond to the clashing voices convinced that if they get the right mix of sounds and images a blessed ministry will follow

In the process pastors often become fractured and restless spending long years trying to find joy and peace in ministry The Blessed Pastor invites ministers to meet with Jesus on a quiet hillside and through Jesus Sermon on the Mount discover what the Great Shepherd calls them to truly be and actually do Robert L Adams an experienced pastor and writer brings the words of Jesus into the chaos and complexity of modern pastoral ministry Jesus words teach the pastor what it means to truly preach how to handle the church bully the proper attitude toward money and stuff what a wolf in sheep s clothing looks like and much more
