The Plot to Seize the White House Jules Archer, 2015-04-07 Many people might not know that in 1933 a group of wealthy industrialists working closely with groups like the K K K and the American Liberty League planned to overthrow the U S government and run FDR out of office in a fascist coup Readers will learn of their plan to turn unhappy war veterans into American brown shirts depose F D R and stop the New Deal They asked Medal of Honor recipient and Marine Major General Smedley Darlington Butler to work with them and become the first American Caesar Fortunately Butler was a true patriot Instead of working for the fascist coup he revealed the plot to journalists and to Congress Archer writes a compelling account of a ploy that would have turned FDR into fascist puppet threatened American democracy and changed the course of history This book not only reveals the truth behind this shocking episode in history but also tells the story of the man whose courage and bravery prevented it from happening Skyhorse Publishing as well as our Arcade imprint are proud to publish a broad range of books for readers interested in history books about World War II the Third Reich Hitler and his henchmen the JFK assassination conspiracies the American Civil War the American Revolution gladiators Vikings ancient Rome medieval times the old West and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home

The Yanks Are Starving Glen Craney, 2014-01-01 Two armies One flag No honor The darkest day in American history A wonderful source of historical fact wrapped in a compelling novel will both teach and entertain Historical Novel Society Former political journalist Glen Craney has enthralled readers with novels set during the medieval crusades and Scottish wars of independence Now the award winning author brings to life the little known story of the Bonus March of 1932 which culminated in a shocking clash between thousands of homeless veterans and U S Army regulars on the streets of the nation's capital A vivid picture of not only men being deprived of their veterans rights but of their human rights as well Craney performs a valuable service by chronicling it in this admirable book

MILITARY WRITERS SOCIETY OF AMERICA Craney has written an outstanding social and military historical novel of the United States MARINE VETERAN JOSEPH SPUCKLER Foreword Book of the Year Finalist Historical Fiction indieBRAG Medallion Chaucer Award Finalist Mired in the Great Depression the United States teeters on the brink of revolution And the nation holds its collective breath as a rail riding hobo leads 20 000 fellow World War I veterans on a desperate quest for justice to the steps of the U S Capitol This timely epic evokes the historical novels of Jeff Sharra as it sweeps across three decades with eight Americans from different backgrounds who survive the fighting in France and come together again fourteen years later to determine the fate of a country threatened by communism and fascism Herbert Hoover the beleaguered president Douglas MacArthur the ambitious general Pelham Glassford the compassionate police chief Walter Waters the troubled leader of the Bonus veterans Floyd Gibbons the war correspondent and famous radio broadcaster Joe Angelo the Italian American who

serves as George Patton's orderly Ozzie Taylor the street musician turned Harlem Hellfighter Anna Raber the Mennonite nurse We follow these men and women from the Boxer Rebellion in China to the Plain of West Point from the persecution of conscientious objectors in the Midwest to the horrors of the Marne in France and from the Hoovervilles of the heartland to the pitiful Anacostia encampment in the bowels of the District of Columbia Here is an alarming portrayal of the political intrigue and government betrayal that ignited the only violent conflict between two American armies under the same flag One of the best and most memorable books I have ever read MARINE VETERAN NATHAN MERCER Craney combines the visual imagery of a screenwriter and the objectivity of a journalist with the passions of a writer Essential reading for those who found truth and beauty co-existent in the works of John Steinbeck and John Dos Passos LINDA ROOT REVIEW GROUP UK I know of no other fiction writer who has made this brave tragic protest movement the main theme of a novel until now Glen Craney deserves praise for recognizing the significance and dramatic potential of the Bonus Army story THE COMPULSIVE READER START READING THE YANKS ARE STARVING TODAY **Devil Dog** David Talbot, 2010-10-05 The thrilling illustrated biography of Major General Smedley Butler the Devil Dog Marine who fought for America across the world cleaned up the streets of Philadelphia and foiled a plot to overthrow FDR Devil Dog brings to life extraordinary feats of bravery violence and redemption that history has forgotten These stories are so dramatic and thrilling they have to be true Smedley Butler took a Chinese bullet to the chest at age eighteen but that did not stop him from running down rebels in Nicaragua and Haiti or from saving the lives of his men in France But when he learned that America was trading the blood of Marines to make Wall Street fat cats even fatter Butler went on a crusade He threw the gangsters out of Philadelphia faced down Herbert Hoover to help veterans and blew the lid off a plot to overthrow FDR The Defining Moment Jonathan Alter, 2007-05-08 In this dramatic and authoritative account the author shows how Franklin Delano Roosevelt used his famous fear itself speech and the first 100 days in office to lift the country from despair and paralysis and transform the American presidency The Lives of Agnes Smedley Ruth Price, 2005-01-07 Drawing on 15 years of intensive research and unprecedented access to previously unpublished documents this vibrant book brings to life one of the 20th century's most fascinating women
