**New Perspectives on Detective Fiction** Casey Cothran, Mercy Cannon, 2015-10-14 This collection establishes new perspectives on the idea of mystery as it is enacted and encoded in the genre of detective fiction Essays reclaim detective fiction as an object of critical inquiry examining the ways it shapes issues of social destabilization moral ambiguity reader complicity intertextuality and metafiction Breaking new ground by moving beyond the critical preoccupation with classification of historical types and generic determinants contributors examine the effect of mystery on literary forms and on readers who experience the provocative complex process of coming to grips with the

unknown and the unknowable This volume opens up discussion on publically acclaimed modern works of mystery and on classic pieces addressing a variety of forms including novels plays graphic novels television series films and ipad games Re examining the interpretive potential of a genre that seems easily defined yet has endless permutations the book closely analyzes the cultural function of mystery the way it intervenes in social and political problems as well as the literary properties that give the genre its particular shape The volume treats various texts as meaningful subjects for critical analysis and sheds new light on the interpretive potential for a genre that creates as much ambiguity as it does clarity Scholars of mystery and detective fiction crime fiction genre studies and cultural studies will find this volume invaluable *Playing With Fire* John Glatt,2010-03-02 A beautiful nurse A lethal injection A gruesomely charred corpse Nothing could have shocked the sleepy community of Morgantown West Virginia more than the lurid details that surfaced after a house fire claimed the life of Shelly Michael s husband Jimmy Local authorities suspected possible arson Then they discovered that Jimmy had been dead before the fire even started paralyzed by a fatal dose of muscle relaxant Did Shelly Michael a respected nurse and mother kill her second husband and torch her own home Were the rumors true that she d had an affair with her husband s employee only two weeks before the murder Or did she kill Jimmy simply for the insurance money Charged with first degree murder and first degree arson Shelly would never stop claiming her innocence even to this day **Art-Union ,1861** **Dramatists in Revolt** Leon F. Lyday,George W. Woodyard,2014-08-27 *Dramatists in Revolt* through studies of the major playwrights explores significant movements in Latin American theater Playwrights discussed are those who have made outstanding contributions to Latin American theater during the post World War II period and who have been particularly sensitive to world currents in literature and drama while being acutely responsive to the problems of their own areas They express concern about communication isolation and solitude On a more basic level they concern themselves with the political and socioeconomic problems that figure importantly in the Third World The fifteen essays deal with the playwrights Ant n Arrufat and Jos Triana Cuba Emilio Carballido and Luisa Josefina Hern ndez Mexico Agust n Cuzzani Osvaldo Drag n Griselda Gambaro and Carlos Gorostiza Argentina Jorge D az Egon Wolff and Luis Alberto Heiremans Chile Ren Marqu s Puerto Rico and Jorge Andrade Alfredo Dias Gomes and Pl nio Marcos Brazil These are dramatists in revolt sometimes in a thematic sense not only in protesting the indignities that various systems impose on modern man but also in a dramatic configuration They dare to experiment with techniques in the constant search for viable theatrical forms Each essay is written by a specialist familiar with the works of the playwright under consideration In addition to the essays the book includes a listing of source materials on Latin American theater *And Then They Came for Me* Raine Wickrematunge,2013-05-22 A few weeks before his assassination Editor of Sri Lankas The Sunday Leader newspaper Lasantha Wickrematunge penned a chillingly prophetic editorial predicting When finally I am killed it will be the government that kills me Published three days after his assassination the editorial titled *And Then They Came For Me* said I hope my assassination will be seen not as a defeat of

freedom but an inspiration for those who survive to step up their efforts Indeed I hope that it will help galvanise forces that will usher in a new era of human liberty in our beloved motherland I also hope it will open the eyes of our president to the fact that however many are slaughtered in the name of patriotism the human spirit will endure and flourish Though Lasantha is only one amongst dozens of journalists who have disappeared or been killed kidnapped or tortured in Sri Lanka within the last decade he stood out prominently as one of journalism's icons Lasantha's story is one of courage a story of a man whose gutsy and fearless stance for what he believed in never wavered even in the face of grave threat This then is the story of a man who lived breathed and finally died in the pursuit of the truth     [Play Index](#) Estelle A.
