Johnson,2024-12-10 Once a lively presence on radio jazz now finds itself relegated to satellite broadcasters and low watt stations at the edge of the dial Aaron J Johnson examines jazz radio from the advent of Black radio in 1948 to its near extinction from the commercial dial after 1980 Even in jazz s heyday programmers and DJs excluded many styles and artists and Johnson delves into how the politics of decision making and the political uses of the medium shaped jazz radio formats Johnson shows radio s role in the contradictory perceptions of jazz as American s model artistic contribution to the world as Black classical music and as the soundtrack of African American rebellion and resistance for much of the twentieth century An interwoven story of a music and a medium Jazz Radio America answers perennial questions about why certain kinds of jazz get played and why even that music is played in so few places

**The Music Sound** Nicolae Sfetcu,2014-05-07 A guide for music compositions events forms genres groups history industry instruments language live music musicians songs musicology techniques terminology theory music video Music is a human activity which involves structured and audible sounds which is used for artistic or aesthetic entertainment or ceremonial purposes The traditional or classical European aspects of music often listed are those elements given primacy in European influenced classical music melody harmony rhythm tone color timbre and form A more comprehensive list is given by stating the aspects of sound pitch timbre loudness and duration Common terms used to discuss particular pieces include melody which is a succession of notes heard as some sort of unit chord which is a simultaneity of notes heard as some sort of unit chord progression which is a succession of chords simultaneity succession harmony which is the relationship between two or more pitches counterpoint which is the simultaneity and organization of different melodies and rhythm which is the organization of the durational aspects of music Representing Black Music Culture Bill Banfield,2011-10-07 In this collection of essays interviews and profiles William Banfield reflects on his life as a musician and educator as he weaves together pieces of cultural criticism and artistry all the while paying homage to Black music of the last 40 years and beyond

In *Representing Black Music Culture Then Now and When Again* Banfield honors the legacy of artists who have graced us with their work for more than half a century. The essays and interviews in this collection are enhanced by seven years of daily diary entries which reflect on some of the country's most respected Black composers, recording artists, authors, and cultural icons. These include Ornette Coleman, Bobby McFerrin, Toni Morrison, Amiri Baraka, Gordon Parks, the Marsalis brothers, Spike Lee, Maya Angelou, Patrice Rushen, and many others. Though many of the individuals Banfield lauds are well known to most readers, he also turns his attention to musicians and artists whose work, while perhaps unheralded by the world at large, are no less deserving of praise and respect for their contributions to the culture. In addition, this volume is filled with candid photographs of many of these fellow artists as they participate in expressive culture, whether on stage, on tour, in clubs, behind the scenes in rehearsal, or even during meals and teaching class. This unique book of essays, interviews, diary entries, and Banfield's personal photographs will be of interest to scholars and students of course, but also to general readers interested in absorbing and appreciating the beauty of Black culture.

**Superstations**, **Bradley Joseph**, **The Best of LCD** Dave the Spazz, 2007-10-04. Named the best radio station in America by *Rolling Stone* magazine four years running, WFMU is considered the alternative radio station. LCD, *Lowest Common Denominator*, the station's program guide begun in 1986 as a visual counterpart to WFMU's oddball programming, was a wicked cocktail of satire, cultural news, alternative history, and provocative artwork that has earned its own devoted cult followers. It ceased publication in 1998, and its back issues have become treasured and valuable collector's items. Dave the Spazz has spent the past twenty years hosting a weekly radio show on WFMU, self-publishing, freelance writing, making artwork, singing in punk rock bands, and holding down one crummy job after another.

**Broadcast Announcing Worktext** Alan R. Stephenson, David E. Reese, Mary E. Beadle, 2013. *The Broadcast Announcing Worktext* provides you with the skills, techniques, and procedures necessary to enter this highly competitive field of broadcast performance. Factual information is presented in easy-to-digest modules and projects that encourage active participation. Each chapter concludes with a self-study section students can use to test themselves. The companion website illustrates techniques and concepts with audio and visual examples that help students to learn better broadcast performance techniques. New to this edition are brand new audio clips and videos, interviews with industry professionals, and updated content throughout, including a new section on social media in the news.

*Saxophone Secrets* Tracy Lee Heavner, 2013-01-25. Modeled on the brilliant approach first formulated by distinguished professor of music and master clarinetist Michele Gingras in her *Clarinet Secrets* and *More Clarinet Secrets*, both available from Scarecrow Press, Tracy Heavner's *Saxophone Secrets* provides advanced saxophonists with 60 performance secrets that will assist in their musical development. This work is the result of 30 years of personal teaching and performance experience. Heavner offers both intermediate players and advanced professionals a wide variety of techniques.

which will greatly improve any saxophonist's performance ability. Designed to be the go-to hands-on guide for practitioners, Heavner's strategies consider a vast array of issues for the saxophonist who needs to take that next big step up. Beginning chapters consider various brands of saxophones, mouthpieces, ligatures, reeds, and maintenance techniques that reflect the standard practices and expectations of the advanced performer. The secrets that follow develop and improve embouchure, tone, articulation, and finger technique, allowing saxophonists to analyze their own playing and adjust accordingly. Heavner pulls back the curtain further to introduce those secrets for developing the altissimo register and extended saxophone techniques from circular breathing and multiphonics to slap and flutter tonguing, all absolute necessities for saxophonists seeking to play contemporary classical, jazz, or commercial music. Finally, Heavner concludes by letting musicians in on those little revealed secrets for taking their saxophones on the road. *Saxophone Secrets* is the ideal work for saxophonists, saxophone instructors, band teachers, and anyone looking to improve their saxophone performance skills or those of their students.

*Music around the World* Andrew R. Martin, Matthew Mihalka Ph.D., 2020-09-08. With entries on topics ranging from non-Western instruments to distinctive rhythms of music from various countries, this one-stop resource on global music also promotes appreciation of other countries and cultural groups. A perfect resource for students and music enthusiasts alike, this expansive three-volume set provides readers with multidisciplinary perspectives on the music of countries and ethnic groups from around the globe. Students will find *Music around the World: A Global Encyclopedia* accessible and useful in their research, not only for music history and music appreciation classes but also for geography, social studies, language studies, and anthropology. Additionally, general readers will find the books appealing and an invaluable general reference on world music. The volumes cover all world regions, including the Americas, Europe, Africa, and the Middle East, and Asia and the Pacific, promoting a geographic understanding and appreciation of global music. Entries are arranged alphabetically. A preface explains the scope of the set, as well as how to use the encyclopedia, followed by a brief history of traditional music and important current influences of music in each particular world region.
