

Problem 1-4

Accounts payable	6,500,000
Note payable – bank	3,000,000
Interest payable	150,000
Mortgage note payable	2,000,000
Bonds payable	<u>4,000,000</u>
Total current liabilities	<u>15,650,000</u>

Problem 1-5 Answer A

Accounts payable (4,000,000 + 100,000)	4,100,000
Accrued expenses	1,500,000
Credit balances in customers' accounts	500,000
Estimated liability for coupons	<u>600,000</u>
Total current liabilities	<u>6,700,000</u>

Problem 1-6 Answer b

Employee income taxes withheld	900,000
Cash overdraft	1,300,000
Accounts receivable with credit balance	750,000
Estimated warranty liability	500,000
Estimated damages payable	1,500,000
Accounts payable	3,000,000
Accrued interest on bonds payable from October 1 to December 31, 2022 (5,000,000 x 12% x 3/12)	<u>150,000</u>
Total current liabilities	<u>8,100,000</u>

The bonds will be paid over 5 years because the semiannual payment is P500,000. Since the last bond will be paid on October 1, 2028, the first bond will be paid on April 1, 2024. Accordingly, there is no currently maturing bond in 2023.

The share dividend payable is not an accounting liability but presented as part of shareholders' equity as an addition to share capital.

Problem 1-7 Answer B

12% note payable – refinanced on January 31, 2023	<u>5,000,000</u>
---	------------------

Problem 1-8 Answer C

Accounts payable	1,000,000
Debentures payable – current portion	<u>500,000</u>
Total current liabilities	<u>1,500,000</u>

If the refinancing occurs on or before the end of the reporting period, the refinancing is an adjusting event, meaning, the obligation is classified as noncurrent liability. Accordingly, the 12% note payable shall be classified as noncurrent because the refinancing is made on December 31, 2022.

The 10% note payable is also classified as noncurrent because the entity has the right to roll over the obligation on December 31, 2022.

Solutions Manual Ii Intermediate Accounting

KJ Lindholm-Leary

Solutions Manual Ii Intermediate Accounting:

Solutions Manual II Jerry J. Weygandt, 1993-04-07 Actively involves students in the learning process ensuring that they understand the why as well as the how Not only covers traditional and managerial issues but also will prepare students for accounting in the 21st century Features an extensive developmental review process a greater range of end of chapter information plus an integrated supplements package *Solutions Manual ... to Accompany Intermediate Accounting, 7th Edition* Donald E.
