Any Day Above Ground... Thoughts On Life, Death, After-Life, And The Built-In God Dr. Frederick G. Weiss,2022-08-01 This book is about the appreciation of life yours and God's Most people want to go to heaven They believe it's very nice there and it sure beats the alternative Old age brings pain trials and tribulations and heaven would be a relief Besides that's where God is On the contrary I argue that there is plenty of heaven and hell right here on earth It is said that war is hell and we've had plenty of that to say nothing of disease or injury Heaven has been compared to being with the one you love as I have argued in this book Life matters We should recognize and appreciate any day above ground but because of selfishness and ingratitude sins against God we take everything for granted I have a chapter on where is God Surprise God is here in us and throughout His creation God lives in us and in all He creates In human terms everything depends on what we do with Him Because God is here I conclude there is no after life no heaven or hell That is a creation of religion not reason All God's efforts are oriented toward Freedom That's what history with all its blood sweat and tears shows us and its fullest realization is America

minimum of gear and simply started climbing The ascent of Mount Huntington s north face was made in the summer of 1978 that of Denali s southwest face in 1980 These two legendary climbs created a stir at the time and a flurry of controversy and criticism followed the Denali climb Years later some people went so far as to suggest that the Huntington climb was a fake Jack Roberts passed away in 2012 without telling his side of the story publicly The Bond told primarily via McCartney s first person narrative and augmented by extracts from the diaries of Roberts and others shares for the first time the experience of these two challenging climbs and the strong bond forged between the two climbers It is in short the quintessential climbing story and the stuff of Legends and Lore *Chicken Soup for the Soul: A Book of Christmas Miracles* Amy Newmark,2017-10-17 Compilation of 101 stories about holiday miracles and joy from Chicken Soup for the Soul s library of past books *Chicken Soup for the Soul: The Dog Really Did That?* Amy Newmark,2017-08-08 Our dogs make us smile every day but some days they really outdo themselves This book is full of those hilarious and heartwarming stories about the many ways our mischevious canine companions surprise us make us laugh and touch our hearts
