**Mysteries of Life, Death and Beyond** Patrick J. Conte MD PhD, 2016-07-06 The book *Mysteries of Life Death and Beyond* illustrates the fantastic odyssey of human kind from the dawn of creation and through the evolution of mind body and spirit in order to attain our final destination of self realization and union with the Supreme Creator It provides an answer to the age old philosophical question what is the meaning of life Learn what was present prior to the Big Bang and what happened at the time of the Big Bang based upon our current scientific knowledge Discover how galaxies and our solar system were formed and how life began on planet earth Understand the theory of evolution of the animal species and the eventual development of mankind Find out what really happened in the Garden of Eden and who were the fallen angels and were there really giants in those days Find out if there is life after death and where do we go Do we get more than one chance in life to attain heaven based upon the theory of reincarnation The concept of the triune brain indicates that the human brain is in essence made up of three parts the reptilian brain the limbic system and the neocortex each performing separate neurologic functions but yet interconnected Find out how each affects our thoughts and actions for both good and bad Learn how the seven major energy centers of the body help guide us from material existence up to the higher realms of spirituality and how you can balance each chakra

The Healing Heart for Communities Allison Cox, David Albert, 2009-03-01 The only book of its kind that demonstrates the power of storytelling to heal Living Beyond Ivan Rudolph, 2019-04-17 What happens when we die This is one of humankind s most important questions *Living Beyond* brings a fresh and exciting perspective to this enduring question Ivan Rudolph shares dramatic evidence supporting near death experiences This book is expertly written remarkably easy to read and enthusiastically recommended Jeffrey Long M D founder of the Near Death Experiences Research Foundation author of

the New York Times bestseller *Evidence of the Afterlife The Science of Near Death Experiences* What are Near Death Experiences NDEs and how do they fit in with Christianity For over 40 years the author Ivan Rudolph has been conducting interviews studying hundreds of accounts and now has clarity about this mysterious phenomenon The truth is surprising exciting and ultimately relevant for everyone Did you know that there are at least 16 million Americans who have had an NDE including celebrities like Goldie Hawn Sharon Stone Elizabeth Taylor Nikki Sixx Burt Reynolds and many others Did you know that they are a part of a huge family of 350 million returnees alive today The problem is many returnees remain confused about their experience They fear they will never feel normal again and seeking empathy seems impossible from loved ones that don't understand This is not only a guide to help the confused traumatized and sometimes depressed returnees incorporate their experiences successfully back into their relationships and life on earth The thoroughly researched text will help families and loved ones to provide support and understand what the returnee is going through Very well presented with substantial solid evidence well explained point by point From an Orthodox viewpoint its theology is sound
