Some Liked It Hot The British On Holiday At Home And Abroad:

Some Liked it Hot Miriam Akhtar, Steve Humphries, Ros Belford, 2000 This is the story of rise of the summer holiday as Britain's most popular leisure activity From pre war through to the 1950s were the boom years for the British seaside resorts but by the mid 1960s jet airliners were in widespread service leading to package holidays and the mass invasion of the Rivas and Costas

A World Away Michael John Law, 2022-01-15 The 1950s and 1960s were a transformative period in Britain and an important part of this was how Britons' lives were changed when they began flying abroad for their holidays In *A World Away* Michael John Law investigates how something that previously only the rich could afford became available to working class holidaymakers *A World Away* moves beyond the big players in the tourist industry and technical accounts of the airplanes used by tour operators to tell the histories of the people who were there both tourists and tour guides using their personal testimonies Until now there has been uncertainty about the identity of these new tourists some feared they were working class intruders who might invade the pristine destinations favoured by the elite others claimed that most were from the middle class Using new data derived from flight accident investigations Law explains the complex origins of these new flyers In British society this unprecedented mobility could not go unpunished and the new tourists were lampooned in books and newspapers aimed at the middle classes Law shows how popular culture movies and music influenced the decision to travel and what actually happened when these new holidaymakers went abroad Law investigates the package tour industry from its mid century origins through its inherent weaknesses governmental interference and unforeseen world events that contributed to its partial failure in the early 1970s *A World Away* provides the definitive account of this important change in postwar British society

Love Now, Pay Later? Nigel Yates, 2011-01-01 Nigel Yates brings together the religious and social dimensions of the 1950s and 60s and examines the enormous changes in moral attitudes that took place in these two decades Much of the popular literature on post war Britain tends to present the 1950s as a period of continuing repression and respectability in the area of private and public morality and the 1960s as one in which there was rapid social change Using a wide range of contemporary sources books including novels magazines newspapers advertising fashion catalogues films and television as well as a number of significant archive collections Nigel Yates argues that changes in attitudes to religion and morality in the 1960s were only made possible by developments in the 1950s

White Heat Dominic Sandbrook, 2015-02-05 An active pleasure to read Mail on Sunday Harold Wilson's famous reference to white heat captured the optimistic spirit of a society in the midst of breathtaking change From the gaudy pleasures of Swinging London to the tragic bloodshed in Northern Ireland from the intrigues of Westminster to the drama of the World Cup British life seemed to have taken on a dramatic new momentum The memories images and colourful personalities of those heady times still resonate today mop tops and mini skirts strikes and demonstrations Carnaby Street and Kings Road Harold Wilson and Edward Heath Mary Quant and Jean Shrimpton Enoch Powell and Mary Whitehouse Marianne Faithfull and Mick Jagger In

this wonderfully rich and readable historical narrative Dominic Sandbrook looks behind the myths of the Swinging Sixties to unearth the contradictions of a society caught between optimism and decline

Seaside Holidays Stewart Ross, 2002 Start Up History is a perfect introduction to history for young children Key information is presented through a combination of simple clear text and strong visual images Questions ask the reader to search for visual clues identifying differences and similarities between different periods The large format of the book enhances this presenting an ideal opportunity for detailed exploration and discussion Seaside Holidays helps children identify similarities and differences between seaside holidays taken today and those taken in the past Children are introduced to period specific aspects of seaside holidays geographical seaside features and seaside vocabulary Using contemporary and historical photographs children can discover the past with topics such as when we take holidays how we travel to the seaside and what we wear to go swimming

BOOK JACKET

The hippie trail Sharif Gemie, Brian Ireland, 2017-11-10 This is the first history of the Hippie Trail It records the joys and pains of budget travel to Kathmandu India Afghanistan and other points east in the 1960s and 1970s Written in a clear simple style it provides detailed analysis of the motivations and the

experiences of hundreds of thousands of hippies who travelled eastwards The book is structured around four key debates were the travellers simply motivated by a search for drugs Did they encounter love or sexual freedom on the road Were they basically just tourists Did they resemble pilgrims It also considers how the travellers have been represented in films novels and autobiographical accounts and will appeal to those interested in the Trail or the 1960s counterculture as well as students taking courses relating to the 1960s

Cinema and Brexit Neil Archer, 2020-09-03 Neil Archer's original study makes a timely and politically engaged intervention in debates about national cinema and national identity Structured around key examples of culturally English cinema in the years up to and following the UK's 2016 vote to leave the European Union *Cinema and Brexit* looks to make sense of the peculiarities and paradoxes marking this era of filmmaking At the same time as providing a contextual and analytical reading of 21st century filmmaking in Britain Archer raises critical questions about popular national cinema and how Brexit has cast both light and shadow over this body of films Central to Archer's argument is the idea that Brexit represents not just a critical moment in how we will understand future film production but also in how we will understand production of the recent past Using as a point of departure the London Olympics opening ceremony of 2012 *Cinema and Brexit* considers the tensions inherent in a wide range of films including *Skyfall* 2012 *Dunkirk* 2017 *Their Finest* 2017 *Darkest Hour* 2017 *The Crown* Netflix 2016 *Paddington* 2014 *Paddington 2* 2017 *Never Let Me Go* 2011 *Absolutely Fabulous The Movie* 2016 *The Trip* 2010 *The Inbetweeners Movie* 2011 *Mr Bean's Holiday* 2007 *The World's End* 2013 *Sightseers* 2012 *One Day* 2011 *Attack the Block* 2011 *King Arthur Legend of the Sword* 2017 and *The Kid Who Would be King* 2019 Archer examines the complex national narratives and representations these films expound situating his analyses within the broader commercial contexts of film production beyond Hollywood highlighting the negotiations or contradictions at play between the industrial imperatives of contemporary films and the varied circumstances in which they are made Considering some of the ways a popular and globally minded English cinema is finding means to work alongside and through the contexts of Brexit he questions what are the stakes for and possibilities of a global culturally English cinema in 2019 and beyond

Mallorca and Tourism R. J. Buswell, 2011 In the popular imagination Mallorca is the archetypal mass tourism resort one of the world's pioneers of mass tourism linking the resources of the Mediterranean to the supply of tourists from northern and western Europe It is now attempting to better manage the ubiquitous transformational environmental and socio economic impact of the industry The book identifies and examines critically the major socio economic and political forces that have played a significant part in the formation of the industry the development of tourism as a business and efforts to diversify the tourism product as it move into the uncertainties of the 21st century

Patriots Richard Weight, 2013-10-17 Who are the British today For nearly three hundred years British national identity was a unifying force in times of glory and despair It has now virtually disappeared In *Patriots* Richard Weight explores the decline of Britishness and the rise of powerful new identities in England Scotland Wales and Ireland Based on a wealth of original

research it is scholarly in depth and scope yet never departs from a thoroughly readable and entertaining style Here are the themes of Orwell's *The Lion and the Unicorn* stretched over the subsequent sixty years and widened to embrace the whole United Kingdom Brimming with zest and feel this is politico cultural history at its best Peter Hennessy Wide ranging intelligent sensible and important Max Hastings Sunday Telegraph A marvellously rich ambitious and at times iconoclastic study by a young historian of how in the broadest sense national identity in Britain has changed in the last 60 or so years David Kynaston Financial Times A major work the fruit of long research wide reading and hard thinking engagingly written bubbling with fresh ideas Stephen Howe Independent

State of Emergency Dominic Sandbrook, 2010 In the early 1970s Britain seemed to be tottering on the brink of the abyss Under Edward Heath the optimism of the Sixties had become a distant memory This book recreates the gaudy schizophrenic atmosphere of the early Seventies the world of Enoch Powell and Tony Benn David Bowie and Brian Clough Germaine Greer and Mary Whitehouse
