been my biggest worry but it wasn't and this is my story. It's the story of how I wished a killer clown had been the reality not just a wishful fantasy. Now we're trying to survive and all I can think is that dying now after I just survived the end would be extremely pathetic. *Saturday Review*, 1862. The classic reference guide for book authors has been completely revised and updated with the names and specific areas of interest of thousands of editors at over 500 book publishing houses. *John McCain* Elaine S. Povich, 2009-02-24. A rebel and risk taker from childhood John McCain son and grandson of admirals nevertheless chose to follow the traditional path marked out for him in the military. Nearly six years in a North Vietnamese prison tested his resolve and proved his extraordinary resilience and will to survive. Coming to Congress McCain found that making his way in politics demanded a different set of survival skills and he grew accustomed to the corridors of power while striving to keep his independence. This lively biography traces McCain's unlikely ascent to the verge of attaining the nation's highest office while never ceasing to challenge himself and others to serve a cause greater than self interest. **Western Sunrise** Walter D. Rodgers, 2005-12-20. Western Sunrise is a future history including and ending with the successful conclusion of the next Gulf War which begins in the summer of the year 2004. The precipitating event of that war will not be described here it would give away too much. The technology involved is similar to that which might be featured in one of many techno thrillers. The narrative begins with the end of the Vietnam Conflict touches on the Panamanian invasion of 1988 describes a Mideast assignment Desert Shield Desert Storm and peacetime service in the Army Medical Department. The realism twists turns counterplots and colorful characters such as Old Franz the headwaiter late of the 11th SS Armored Division and Miss MacTavish who may or may not be an agent of MI6 make this short volume a page turner impossible to put down. It is told from the viewpoint of a career military surgeon assigned out to pasture or so he believes after Desert Storm until it's time for him to retire. Except that his various mundane jobs requirements are highly classified and contradictory. When he tries to connect the dots he's quickly ordered not to proceed further. Without a plausible explanation he is kept on active duty long after his date of retirement in support of something mysterious compartmented and unexplained until the last ten pages of the novel. Buy it for a man who likes action packed stories if he likes W E B Griffin he'll love Western Sunrise. *Ghost in the Spell* Renee George, 2023-03-13. Being a forty something divorcee with a college bound teenage son is a freaking cakewalk compared to wielding my unruly magic. Did I mention that my newly discovered sister wants to kill me. After a hellish week spent with older than dirt archdruids and a few new enemies I'm ready to get home so I can hug my kid and sleep in my own bed. But nope that's not how my crazy magical mid life works. My spirit magic has been triggered and a ghost's cryptic message gives me more bad news. Something worse than my psycho sister might be after me. Awesome. It's Battle Royale time. I'm so over selfish magical creatures trying to steal my powers and my life. I'll need

the help of all my true craft guardians if I stand a chance against my supernatural foes But first I'll have to get into the spirit of my new element before the spirit gets into me Literally *Repression* Morrigan Ellis, 2025-10-31 We fear what goes bump in the night but the real monster is what creeps inside Fifteen years after the tragic accident that took her brother Nat returns to her small hometown haunted by the ghosts of her past and the memories she thought she had left behind What she hoped would be a chance for closure turns into a nightmare when a brutal act of violence leaves her reeling In the midst of this chaos Nat discovers an unsettling connection to a tormented teenage spirit a restless soul whose tragic fate is deeply intertwined with her own As the spirit's haunting presence grows more insistent Nat is thrust into a harrowing race against time to uncover the identity of a killer who seems to operate with a sinister purpose The line between the living and the dead blurs as she encounters supernatural forces beyond her understanding including malevolent apparitions and eerie manifestations that defy explanation With every clue Nat's reality becomes more distorted revealing hidden truths about her own suppressed memories In *Repression* Morrigan Ellis crafts a spine-chilling narrative where the true horrors are not just the malevolent entities that lurk in the dark but also the monsters of the mind secrets and repressed fears that come to life with terrifying consequences This supernatural whodunnit plunges readers into a world where the past refuses to stay buried and the dead have unfinished business that could cost Nat everything she holds dear
