Some Days Were Happy:

Boy Days Were Happy, Happy Days Leroy S. Rose, 2012-08-31 Boy days is that period of growing up where you become aware of yourself as you progress from a small boy going to school and gradually enter the world as an adult During those formative years boys experience and experiment with all aspects of adolescent life Not all boys do experience these wonderful stimuli of growing up and later in their adult lives if they are unable to do certain things they are often told that they did not have boy days This book is about a person who experienced the whole gamut of boy days Accompany him as he and his friends go from one boyhood adventure to another Do things with your mind that make you wish you had done in your growing up years Parts of this book will bring back fond memories to some and maybe misery to others Sit back lie back relax and reminisce about all our yesteryears They were indeed happy happy days **Some Days** J. Our Dream Was Canada Eva Zidek,2003-09-08 In 1982 I and my husband parents with two young children made a big decision We fled our country Czechoslovakia to find our way to Canada and to start a new life there As most citizens behind the iron curtain we felt increasing limitations of our personal freedom and our lack of defense against these However the main reason behind our decision was the worsening condition of the natural environment In those days in Czechoslovakia I worked in the environmental field and was also taking postgraduate courses dealing with environment I was not permitted to publish news about the deterioration of the environment but because of my studies I heard the bad news gloomy statistics and hopeless prognosis I was alarmed and finally deeply depressed What to do Where to move When even our mountains our home showed the undeniable signs of pollution from no local causes we made our decision A holiday in Yugoslavia provided for us the only opportunity to get out of the country with both children From there we had hoped to continue to Western countries We managed it despite the obstacles but our stay in a German refugee camp extended over a year Unfortunately for us the Canadian government did not support our application for immigration Our qualifications and experience in forestry and environment were not in demand so our only chance for immigration to Canada was to obtain a sponsor Finally we were sponsored and in the Fall of 1983 and we landed in Canada in Toronto It took an additional two years before we came to the place where we had dreamed of living the Rocky Mountains
