## **Some Features Of Our Times:**

**Philosophers of Our Times** Ted Honderich, 2015-01-29 Eighteen of the world's most eminent philosophers of recent years tackle central questions of philosophy in this collection of the prestigious annual lectures given at the Royal Institute of Philosophy in London. The line up of authors is stellar: Simon Blackburn, Ned Block, Tyler Burge, David Chalmers, Noam Chomsky, Jerry Fodor, Jürgen Habermas, Anthony Kenny, Christine Korsgaard, John McDowell, Alasdair MacIntyre, Thomas Nagel, Derek Parfit, T. M. Scanlon, John Searle, Sir Peter Strawson, Bernard Williams, and Mary Warnock. There are six pieces on questions to do with mind, perception and action, four on reason and morality, six range over freedom, identity, religion and politics, and the last two take a step back to look at philosophy itself and how it works. The best way to learn about philosophy is to read philosophy at its best: that is what this fascinating anthology offers.

**Basic Trends of Our Times** Pitrim A. Sorokin, 1964 To find more information about Rowman and Littlefield titles please visit [www.rowmanlittlefield.com](http://www.rowmanlittlefield.com)

**Our Times** A. N. Wilson, 2024-08-06 When Queen Elizabeth II was crowned in 1953 many proclaimed the start of a new Elizabethan Age. Few had any inkling, however, of the stupendous changes that would occur over the next fifty years, both in Britain and around the world. In *Our Times* A. N. Wilson takes the reader on an exhilarating journey through postwar Britain. With his acute eye, not just for the broad social and cultural sweep but also for the telling detail, he brilliantly distills half a century of unprecedented social and political change. Here are the defining events and characters of the modern age: from the Suez crisis to Vietnam, from the Beatles to Princess Diana, here are the Angry Young Men, the rise of pop culture and celebrity, industrial unrest and the Winter of Discontent, the Thatcher era and the eventual collapse of the Soviet Union. This book propels the reader from postwar austerity to the end of the British Empire and the emergence of America as a superpower to the multicultural Britain of today. With *Our Times* Wilson triumphantly concludes the acclaimed trilogy that opened with *The Victorians* and was followed by *After the Victorians*. *Our Times* makes compelling reading for anyone interested in the forces that have shaped our world.

**The Dilemma of Our Times (Works of Harold J. Laski)** Harold J. Laski, 2014-10-24 This book, originally published in 1952, unfinished and perhaps imperfect, is the last book of one of the most acute political thinkers of the twentieth century. Laski's earlier optimism about a swing to the Left was beginning to be reversed, and in this volume he saw the defects of his previous optimistic surveys, which in his opinion still had value but needed to be brought up to date and consequently he began to write an additional chapter which was never completed. It remains a valuable last word of an author who for thirty years was respected and listened to on the topic of civilisation's survival through change.

**Marx for Our Times** Daniel Bensaïd, 2002 Without denying the contradictory character of Marx's thought, Daniel Bensaïd sets out to demonstrate that it was not a philosophy of the end of history, an empirical sociology of classes, or a positive science of economics positing an inexorable progress towards an ineluctable communism. Instead, Marx's critique of political economy encompassed three great critiques of the scientific and political canons of its age: of historical reason, sociological rationality,

and scientific positivism which make the thinker from the nineteenth century fully relevant to the twenty first century of global capitalism Indeed we find here a post postmodern Marx able to inhabit a contemporary world replete with contingency emergency and contradictory temporalities Published in France on the eve of the strikes of 1995 that signalled a profound revolt against la pensee unique Marx for Our Times is an invitation to rediscover our foremost contemporary Karl Marx

*A Mirror For Our Times* Paul Weller,2009-02-22 26th September 2008 marks the twentieth anniversary of the beginning of The Satanic Verses controversy a controversy that in many ways became paradigmatic for the following two decades Taking as its starting point the opening two years of the controversy Paul Weller uses the events and arguments of those years as a lens through which to view what later developed both in relation to the controversy itself but also its wider entails and the incidents and issues through which aspects of the original controversy were reprised The anniversary of the controversy presents a good opportunity to review the incidents issues and debates of the time in some historical perspective while also connecting them with subsequent incidents that have reprised some of the key themes such as the cartoons controversy the terror attacks of 9 11 and 7 7 and the killing of the Dutch filmmaker Theo Van Gogh The book holds up a mirror for our times that will be of interest to academics politicians students and religious believers as well as to all who are engaged with the twenty first century challenges posed by living with radical difference freedom of expression and mutual respect with exploring the relationship between religion and secularity and with overcoming the threats posed by religiously informed violence

**The Faces of Our Time** Pasquale De Marco,2025-07-10 Step into a world where faces tell stories where expressions dance across the canvas of time The Faces of Our Time is a breathtaking exploration of the human face capturing the myriad emotions and experiences that shape our lives Through the lens of renowned photographers we encounter a symphony of faces that transcend the boundaries of age race and culture Each portrait is a testament to the power of the human spirit a testament to the beauty that lies in our differences The faces that grace these pages invite us to ponder the complexities of the human condition to marvel at the resilience vulnerability and indomitable spirit that resides within us all Delve into the art of capturing expressions the techniques for creating impactful portraits and the ways in which photography can reveal the soul of the city Encounter the faces of power the masks we wear and the art of aging gracefully Celebrate the diversity of beauty the power of the eyes and the timeless nature of a well crafted portrait The Faces of Our Time is not merely a collection of photographs it is a celebration of the human face and a testament to the enduring power of photography Each image is a window into the soul a glimpse into the stories that unfold behind the eyes With every turn of the page you will be drawn into a world of emotion empathy and connection May these images inspire you to see the world through a new lens to appreciate the beauty of the human face and to embrace the stories that unfold before your very eyes The Faces of Our Time is a must have for photography enthusiasts art lovers and anyone who appreciates the power of human connection If you like this book write a review

**A Hero of Our Time** Mikhail Lermontov,2010-12-01 A stunning

collector's hardcover edition of Mikhail Lermontov's classic of Russian literature. In its adventurous happenings, its abductions, duels, and sexual intrigues, *A Hero of Our Time* looks backward to the tales of Sir Walter Scott and Lord Byron so beloved by Russian society in the 1820s and 30s. In the character of its protagonist Pechorin, the archetypal Russian antihero, Lermontov's novel looks forward to the subsequent glories of a Russian literature that it helped in great measure to make possible. This edition includes a Translator's Foreword by Vladimir Nabokov, who translated the novel in collaboration with his son Dmitri Nabokov. Everyman's Library pursues the highest production standards, printing on acid-free cream-colored paper with full cloth cases, two-color foil stamping, decorative endpapers, silk ribbon markers, European-style half-round spines, and a jacket. Everyman's Library Classics include an introduction, a select bibliography, and a chronology of the author's life and times.

Marxism for Our Times Cyril Lionel Robert James, 1999. Rarely as in the collection here can one encounter an essayist, novelist, historian, and political leader like the late C. L. R. James in the working throes of forming and then fomenting personal political theory. In *Marxism for Our Times*, editor Martin Glaberman has gathered the writings and theoretical discussions of this noted Caribbean writer. These pamphlets, mimeographs, letters, and lectures by James were nearly inaccessible until now. Within these works, James works to situate himself within the classical Marxist tradition while rejecting the Vanguard Party as unsuitable for our times. The writings in this collection begin in the 1940s, when Marxists were wrestling with acts that many deemed betrayals of the revolution: Stalin's pact with Hitler and the war in Europe. They end in the late sixties, just before the dissolution of Facing Reality, the final form of the American Marxist organization founded on James's principles. For many years, James, born in Trinidad and Tobago, was leader of the Trotskyists in the United States. He continued his work even after his exile from America. Of great value to scholars of Marxism are the papers in which James examines Marx, Lenin, and Trotsky and applies their theories to the class conflicts he was witnessing at mid-century and to changes he foresaw in the future. James argues for the rejection of historical principles and theories and urges Marxists to adapt themselves to changes occurring in capitalism and the working class. Glaberman worked alongside James but sometimes disagreed with him in the movement James founded. They were close associates for 45 years. With *Marxism for Our Times*, Glaberman not only has preserved and made available the political theories of a noted writer but he also has created a window on a turbulent period of optimism and failure, a failure Glaberman calls rich in meanings and lessons for anyone interested in a democratic revolutionary Marxism. C. L. R. James is the author of the novel *Minty Alley* and *The Black Jacobins*, the classic history of the Haitian Revolution, and many other works. Martin Glaberman is a professor emeritus at Wayne State University in Detroit. He joined the socialist movement at age thirteen and worked for twenty years in the auto industry and as an active union member.

A Psychoanalysis for Our Time Jeffrey Rubin, 1998-11. As a psychoanalyst and psychotherapist, Rubin argues that psychoanalysis is in need of revision in order to remain relevant today because its interest in both decoding and concealing the truth is simultaneously its strength and weakness. Rubin attempts a middle course between

blind acceptance and premature dismissal Although parts one and two focus on the history institutions and theory of psychoanalysis the remainder constitutes a non traditional and self consciously experimental approach wherein the author reflects on his own work his theoretical omissions and the unsolved problems in his discourse Annotation copyrighted by Book News Inc Portland OR

**A Lesson for Our Times** C. Philip Skardon, 2010-03-19 Even though it has faded in the minds of most the Cold War was the dominant happening in the second half of the 20th Century The underlying cause was the Soviet Unions expansionism which was driven by imperialist ambition overlaid with ideology Combating this radical and highly threatening form of political and territorial aggrandizement made extraordinary demands on the Western nations and especially the United States because of its strength and democratic tradition These forces vied in the Hungary Suez Crisis of 1956 as not before or after when 200 000 Soviet troops intervened in Hungary to put down the revolution and the attendant Uprising and acting contrary to Western interests Britain and France invaded the Canal Zone and the Israelis the Sinai raising the crisis to a point of extreme danger as the East West confrontation nearly burst its bounds Had the allies not been halted in Egypt by the Eisenhower Administrations use of the UN Charter and UN mechanisms for maintaining peace and the Russians not deterred from invading Western Europe by threat of U S nuclear retaliation it seemed possible that the world would experience a general war with nuclear weapons as a major component A Lesson for Our Times focuses on this possibility While it is about the steps taken by the United States to prevent the worst from occurring immediately it is also about what was done to prevent a similar crisis from occurring in the future To say that these actions were unique and effective is true but not enough They were also unprecedented in the history of the nation and surely the world as well as proof that the peace keeping system devised after World War II would function as intended if undergirded and augmented by U S prestige and wherewithal Here then was Hungary Suez in its totality More should be known about the crisis for these reasons alone This book seeks to meet that need while filling a large gap in the understanding of the Cold War It also recalls a time when Americas conduct as the worlds primary superpower was as clear and visionary as it was purposeful and constructive in a word when American diplomacy was at its zenith

Ethics for our Times M.V. Nadkarni, 2011-06-22 Mahatma Gandhi holds an eminent position in the history of ethics and its application to contemporary concerns This book brings together in one harmonious whole three systems of thoughts on ethics Indian Western and Gandhian It shows how Gandhi drawing from the other two traditions made a creative contribution of his own in making ethics richer and more relevant than ever before

Time in Our Times Astrid Marie Holand, 2024-07-22 What is happening to perceptions of time durability and reality in the twenty first century and how do we deal with it This anthology explores a diversity of uncommon insights about time as seen from our historical and geographical standpoint All contributions discuss how time can be seen and how these views relate to changes in nature technology economy working life politics religion or philosophy specific to our own time Findings are discussed within three themed sections In Search of a Deeper Theory of Time Time as Social

Expectancy and Time as Lived Experience Contributions in this volume span from classical theory on branching time to personal experiences of drug addicts time Together these diverse contributions shed new light on how construction perception and regulation of time influences a person s whole being in the world collectively and individually in the short and very long run from the beginning of the Anthropocene to future cybertime

**Hebrew Politics in the Times of Sargon and Sennacherib** Sir Edward Strachey,1853

**The Signs of the Times** Benjamin Morgan Palmer,1816

**In My Time** Robert Strausz-Hupe,2018-01-16 In My Time is a vivid account of the fascinating life of Robert Strausz Hupe who served American presidents for twenty years in a variety of diplomatic posts It is a life filled with both excitement and tragedy In this autobiography Strausz Hupe covers a wide range of topics including his youth in Vienna his familial background and his schooling The author also discusses his emigration to the United States describing his initial impressions of the country as well as how he viewed the changes that were occurring in American society and culture Strausz Hupe has written a poignant introduction for the republication of this volume He explains how he reaches out to history for an explanation of who he is as an individual Just as entire nations should learn from history so should individuals as Strausz Hupe has attempted to do in his autobiography Robert Strausz Hupe is one of those increasingly rare universally educated men whose minds conform only to their own beliefs and findings His views of events such as the rise of German Nazism or Chinese Communism or the world of the theater in Europe between the two world wars are always fresh exciting and informed In My Time will be enjoyed by all who read it especially historians political theorists and policymakers

**Values of Our Times** Deshun Li,2013-06-01 Philosophers have gradually accepted axiology as one branch of philosophy As a basic category belonging to axiology and philosophy value is the general abstraction of concrete value formation in various fields including utility ethics and appreciation of the beauty The problem of value is essentially a problem of historical activities of practice in human society The axiology based on the scientific practice view insists on the principle of unification between theory and practice truth and value In research of axiology the relation between subjectivity and objectivity of values is a problem that must be solved in the first place The modern conversation of value philosophy is the academic and practical demands of the value philosophy research in China Value evaluation is an important part of the axiology In order to deepen the research of value philosophy and to promote the development of current value philosophy we must have scientific mode of thinking suitable for the nature of value It is the base of value relation the origin of value needs the process of value creation and actualization and the fundamental way to proving ones value as a human being

**Furniture Manufacturer and Artisan** ,1920 *Davenport Dunn A Man Of Our Times Vol. II* Charles Lever,2024-01-01 Charles Lever wrote the novel Davenport Dunn A Man of Our Times Vol II The 2nd quantity of this amazing paintings maintains the tale of the eponymous man or woman Davenport Dunn who embodies the chaotic instances wherein he lives Set towards the backdrop of nineteenth century political and social changes the story follows Dunn as he navigates the headaches of power ambition and private connections In this part the

reader sees Davenport Dunn's persisted ascent to prominence and the problems he faces in a fast converting world Lever expertly blends a tale of political maneuvering personal intrigue and societal upheaval The story dives into the complexities of Dunn's man or woman depicting him as a dynamic and multifaceted individual whose actions and choices have a long way accomplishing implications As the tale progresses readers are led on a journey through the corridors of electricity illustrating the complexities of political maneuvering and how historical events affect character lives Lever's storytelling capabilities are proven by using his capability to capture the essence of the times ensuing in a vivid and fascinating narrative that resonates with readers

**Failing Newspaper Act** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust and Monopoly, 1967 Considers S 1312 to exempt from the antitrust laws certain combinations and arrangements necessary for the survival of failing newspapers Includes report Newspaper Monopolies and the Antitrust Laws a Study of the Failing Newspaper Act by International Typographical Union 1967 p 125 172
