Some Kind Of Friend:

The Ways of Friendship Amit Desai, Evan Killick, 2010-08-01 Friendship is an essential part of human experience involving ideas of love and morality as well as material and pragmatic concerns Making and having friends is a central aspect of everyday life in all human societies Yet friendship is often considered of secondary significance in comparison to domains such as kinship economics and politics How important are friends in different cultural contexts What would a study of society viewed through the lens of friendship look like Does friendship affect the shape of society as much as society moulds friendship Drawing on long term ethnographic fieldwork in Asia the Middle East Africa Latin America and Europe this volume offers answers to these questions and examines the ideology and practice of friendship as it is embedded in wider social contexts and transformations

The Passion of Love in the Summa Theologiae of Thomas Aquinas Daniel Joseph Gordon, 2023-05-19 This book is an introduction to three questions on love according to St Thomas Aquinas Summa Theologiae I II qq 26 28 These three questions reflect on the nature of love q 26 the causes of love q 27 and the effects of love q 28 It is thus an introduction to the entire phenomenon of love both as a bodily passion and an act of the will The purpose is to present the Thomistic and broadly scholastic account of human and divine love from a philosophical and theological perspective It aims to be a theological and philosophical study of the topic useful both for a graduate professional audience as part of an undergraduate or graduate course and perhaps for the educated reader The thesis of the book is that contrary to contemporary conceptions not all loves are created equal Some loves perfect us and some loves corrupt us The worth of a love depends on its object and end St Thomas thus presents an objective and teleological account of human and divine love that is of philosophical and theological interest The method is broadly exegetical presenting a careful reading of the text and supplying the philosophical and theological background which the text of Aquinas assumes The scope of the work is limited to three questions ST I II qq 26 28 References to interpretative disputes of Aquinas and references to further resources in the secondary literature will be mostly limited to the footnotes making the body of the text accessible to more readers

Friendship James O. Grunebaum, 2003-03-27 Addresses the question of whether special preference for friends is morally justified

Spiritual Traditions and the Virtues Mark R. Wynn, 2020-06-30 Spiritual Traditions and the Virtues develops a philosophical appreciation of the spiritual life The book shows how a certain conception of spiritual good one that is rooted in Thomas Aquinas's account of infused moral virtue can generate a distinctive vision of human life and the possibilities for spiritual fulfilment Wynn examines the character of the goods to which spiritual traditions are directed the structure of such traditions including the connection between their practical and creedal commitments the relationship between the various vocabularies that are used to describe from the insider's perspective progress in the spiritual life the significance of tradition as an epistemic category and the question of what it takes for a spiritual tradition to be handed on from one person to another In his account of the virtues Aquinas shows how our relations to the everyday world can be folded

into our relationship to the divine or sacred reality otherwise conceived In this sense he offers a vision of how it is possible to live between heaven and earth Spiritual Traditions and the Virtues considers how that vision can be extended across the central domains of human thought and experience and how it can deepen and diversify our understanding of what it is for a human life to be lived well [Summa Theologica \(All Complete & Unabridged 3 Parts + Supplement & Appendix + interactive links and annotations\)](#) Thomas Aquinas,2013-08-20 This carefully crafted ebook Summa Theologica All Complete Unabridged 3 Parts Supplement Appendix interactive links and annotations is formatted for your eReader with a functional and detailed table of contents This ebook is the best known work of Thomas Aquinas c 1225 1274 Although unfinished the Summa is one of the classics of the history of philosophy and one of the most influential works of Western literature It is intended as an instructional guide for moderate theologians and a compendium of all of the main theological teachings of the Catholic Church It presents the reasoning for almost all points of Christian theology in the West The Summa Theologica is divided into three parts and each of these three parts contains numerous subdivisions Part 1 deals primarily with God and comprises discussions of 119 questions concerning the existence and nature of God the Creation angels the work of the six days of Creation the essence and nature of man and divine government Part 2 deals with man and includes discussions of 303 questions concerning the purpose of man habits types of law vices and virtues prudence and justice fortitude and temperance graces and the religious versus the secular life Part 3 deals with Christ and comprises discussions of 90 questions concerning the Incarnation the Sacraments and the Resurrection Some editions of the Summa Theologica include a Supplement comprising discussions of an additional 99 questions concerning a wide variety of loosely related issues such as excommunication indulgences confession marriage purgatory and the relations of the saints toward the damned Scholars believe that Rainaldo da Piperno a friend of Aquinas probably gathered the material in this supplement from a work that Aquinas had completed before he began working on the Summa Theologica It seeks to describe the relationship between God and man and to explain how man s reconciliation with the Divine is made possible at all through Christ To this end Aquinas cites proofs for the existence of God and outlines the activities and nature of God Approximately one half of the Summa Theologica then examines the nature and purpose of man Finally Aquinas devotes his attention to the nature of Christ and the role of the Sacraments in effecting a bridge between God and man Within these broad topical boundaries though Aquinas examines the nature of God and man in exquisite detail His examination includes questions of how angels act on bodies the union of body and soul the cause and remedies of anger cursing and the comparison of one sin with another Aquinas is attempting to offer a truly universal and rational view of all existence Thomas Aquinas O P 1225 1274 also Thomas of Aquin or Aquino was an Italian Dominican priest and an immensely influential philosopher and theologian in the tradition of scholasticism within which he is also known as the Doctor Angelicus Doctor Communis and Doctor Universalis He was the foremost classical proponent of natural theology and the father of Thomism His influence on Western thought is considerable

and much of modern philosophy was conceived in development or refutation of his ideas particularly in the areas of ethics natural law metaphysics and political theory Aristotle, Eudemian Ethics Christopher Rowe,2025-09-25 This the first and only translation of the new 2023 Oxford edition of Aristotle s Eudemian Ethics which like that edition excludes the so called common books The main aim of the volume is to bring out the riches concealed beneath the surface of what is generally agreed to be a highly corrupt text the new edition based on a fresh collation by Rowe himself of the primary manuscripts supersedes all previous editions including the 1991 edition of Walzer and Mingay **Concept Development in the Primary School** Peter Langford,2016-03-10 Originally published in 1987 this book introduces work on the intellectual development of children in the primary school It contains chapters on the teaching of reading writing art science and mathematics While critical of many of the once popular ideas of Jean Piaget the author also emphasises the continuing validity of some aspects of Piaget s thinking **Defending Life** Sandra Williams,2013-02-21 The title of my book is Defending Life and My book is about the struggle with in life The views from the outside looking in to find the answer s to the crises with in society To hear from a soul of a child woman and a man whom have the philospy to know that what they going thru or been thru there is a healing for your soul And to be loved with all purity from the heart is a relief from all the pain you ever went thru *Friendship East and West* Oliver Leaman,1995 There has been renewed interest in the concept of friendship in contemporary philosophy Many of the existing treatments of the topic have been limited to Western notions of friendship yet there is a far wider perspective available to us through an examination of a more extended cultural examination of the topic Cultures other than those in Christian Europe have had important and interesting observations to make on the nature of friendship and in this collection there is treatment not only of Greek and Christian ideas of friendship but also of Islamic Jewish Chinese Japanese and Indian perspectives A rich and extended view of the concept of friendship results from these various examinations The Battles of Wisdom and Humility Martin Luther,John Stuart Mill,David Hume,James Allen,Ralph Waldo Emerson,Andrew Murray,Thomas Paine,Ludwig Feuerbach,G. K. Chesterton,Friedrich Nietzsche,Thomas à Kempis,Leo Tolstoy,Charles Spurgeon,Wallace D. Wattles,Prentice Mulford,St. Teresa of Ávila,Saint Augustine,Florence Scovel Shinn,H. Emilie Cady,Gregory of Nyssa,Pope Gregory I,Athanasius of Alexandria,Basil the Great,John of Damascus,Saint Thomas Aquinas,Brother Lawrence,Arthur Pink,2023-11-20 The Battles of Wisdom and Humility is a profound anthology that encapsulates a rich tapestry of philosophical and theological questing Spanning centuries of thought this collection delves into the intricate dynamics between wisdom and humility with pieces ranging from introspective meditations to passionate discourses Born out of a milieu rich with conflict and enlightenment these works challenge prevailing paradigms advocating for a balance between intellectual rigor and spiritual modesty Without anchoring on singular voices the anthology traverses diverse literary styles from the introspective spirituality of mystics to the rationalist inquiry of Enlightenment thinkers offering readers a panoramic view of humanity s quest for truth and meaning

The contributors to this volume are titans of thought hailing from various eras and backgrounds united by their quest to explore the human condition Their collective works echo the sentiments of movements such as the Reformation the Enlightenment and the Christian Mysticism reflecting on an evolving dialogue between faith and reason Figures like Saint Augustine John Stuart Mill and Friedrich Nietzsche bring contextual diversity enriching the collection with perspectives anchored in their historical and cultural milieu Together they weave a narrative that transcends boundaries each author unraveling a unique thread in this tapestry of wisdom For readers seeking intellectual cultivation and spiritual enrichment The Battles of Wisdom and Humility promises a journey through the thoughts of history's great thinkers This anthology offers a rare opportunity to encounter a multiplicity of perspectives inviting an in depth reflection on the eternal themes of knowledge and humility Engaging with these works provides educational insights and fosters a dialogue across eras encouraging readers to not only absorb diverse viewpoints but to contribute to the ongoing narrative of philosophical and spiritual inquiry This collection stands as a testament to the vibrant conversation between disparate yet connected voices appealing to both the scholars and seekers among us

Same Old Story Ivan Goncharov, 2018-01-01 Filled with dreams of pursuing a career as a poet the young Alexander Aduiev moves from the country to St Petersburg where he takes up lodgings next to his uncle Pyotr a shrewd and world weary businessman As his ideals are challenged by disappointment in the fields of love friendship and poetical ambition Alexander must decide whether to return to the homely values he has left behind or adapt to the ruthless rules and morals of city life Told in the author's trademark humorous style and presented in a sparkling new translation by Stephen Pearl The Same Old Story Goncharov's first novel preceding his masterpiece Oblomov by twelve years is a study of lost illusions and rude spiritual awakening in the modern world

Networks in the Global World V Artem Antonyuk, Nikita Basov, 2021-02-19 This proceedings book presents state of the art developments in theory methodology and applications of network analysis across sociology computational science education research literature studies political science international relations social media research and urban studies The papers comprising this collection were presented at the Fifth Networks in the Global World conference organized by the Centre for German and European Studies of St Petersburg University and Bielefeld University and held on July 7-9 2020 This biannual conference series revolves around key interdisciplinary issues in the focus of network analysts such as the multidimensional approach to social reality translation of theories and methods across disciplines and mixing of data and methods The distinctive features of this book are the emphasis on in depth linkages between theory method and applications the blend of qualitative and quantitative methods and the joint consideration of different network levels types and contexts The topics covered by the papers include interrelation of social and cultural structures constellations of power and patterns of interaction in areas ranging from various types of communities local international educational political and so on to social media and literature The book is useful for practicing researchers graduate and postgraduate students and educators interested in network analysis of social

relations politics economy and culture Features that set the book apart from others in the field The book offers a unique cross disciplinary blend of computational and ethnographic network analyses applied to a diverse spectrum of spheres from literature and education to urban planning and policymaking Embracing conceptual methodological and empirical works the book is among the few in network analysis to emphasize connections between theory method and applications The book brings together authors and empirical contexts from all over the globe with a particular emphasis on European societies

The Reality of the Social World Jenny Pelletier, Christian Rode, 2023-04-03 This book offers a collection of contributions on medieval early modern and contemporary perspectives on social ontology Since the 1990s social ontology has emerged as a vibrant research area in contemporary analytical philosophy Questions concerning the nature and properties of social groups institutions facts and objects like money and marriage have been thoroughly discussed However the historical perspective has been largely neglected One of the central aims of this volume is to show that relevant views on social ontology can be found in medieval and early modern philosophy ca 1200 1700 C E when for example the ontological status of money law and the sacraments was hotly debated We see furthermore diverging positions between Aristotelian inspired authors who resort to a more naturalistic view of the emergence of the social realm and authors like Olivi and Ockham who emphasize the role of human free will and contractualist agreements This book is the very first to address historical and contemporary social ontologies Both historians of philosophy and philosophers will benefit from this juxtaposition which fosters a better understanding of historical positions and approaches by using today s conceptual and analytical tools and allows the contemporary debate to gain new perspectives by confronting its own medieval and early modern history **Love**
