Some Leading Principles of Political Economy Newly Expounded John Elliott Cairnes, 1874 **Some Leading Principles of Political Economy Newly Expounded** John E. Cairnes, 1967 Some Leading Principles of Political Economy J. Cairnes, 2023-04-18 Reprint of the original first published in 1874 **Some Leading Principles of Political Economy** John Elliot Cairnes, 1885 **Some Leading** John Elliott Cairnes, 2015-06-28 Excerpt from Some Leading Principles of Political Economy Newly Expounded Though the following work is an attempt to recast some considerable portion of Political Economy I should be sorry it were regarded as in any sense antagonistic in its attitude toward the science built up by the labors of Adam Smith Malthus Ricardo and Mill On the contrary my hope is that it will should its reasonings find acceptance strengthen in some sensible degree and add consistence to that fabric As regards those assumptions respecting human character and the physical conditions of external nature which constitute the ultimate premises of economic science the position I have taken is identical with that of the four great writers I have named and I have endeavored also to follow the method of combined deduction and verification by comparison with facts which was theirs and which is as I believe the only fruitful or indeed possible method in economic inquiry Nor do the final conclusions which I have reached differ very widely on any important points from those at which they had arrived The points on which I have ventured to join issue with them are what in Bacon s language may be called the axiomata media of the science those intermediate principles by means of which the detailed results are connected with the higher causes which produce them If I have not deceived myself there is in this portion of Political Economy as at present generally received no small proportion of faulty material and the present work may be regarded as an attempt so far as it goes to replace this element of weakness with matter better fitted to endure the strain of modern criticism About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Some Leading Principles of Political Economy Newly Expounded John Elliott Cairnes, 2015-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the
