Jean Elliott, 2007-11-09 Everybody kept telling Jory Unger that she needed a man her sister Missy Lucas the maintenance man her friend Toni when they met at the movies Yet Jory wondered how she was supposed to find a man when her luck with men was so lousy Besides she had more important things to worry about like how to stop her younger sister Missy from hanging out every night to all hours of the night with her new boyfriend Joseph So when Jory went to Joseph s apartment to have a talk with him and ended up telling her concerns to his older brother Caleb instead she never considered him as man material because he had a girlfriend Yet as circumstances repeatedly bring them together in the furtive act of collusion to control their younger siblings hanging out to all hours of the night Jory finds herself thinking of Caleb more than she could have anticipated The question is will Caleb think of her in the same way Getting Something to Eat in Jackson Joseph C. *It Came from Something Awful* Dale Beran, 2025-06-25 How 4chan and 8chan fuel white nationalism inspire violence and infect politics The internet has transformed the ways we think and act and by consequence our politics The most impactful recent political movements on the far left and right started with massive online collectives of teenagers Strangely both movements began on the same website an anime imageboard called 4chan.org *It Came from Something Awful* is the fascinating and bizarre story of sites like 4chan and 8chan and their profound effect on youth counterculture Dale Beran has observed the anonymous messageboard community's shifting activities and interests since the beginning Sites like 4chan and 8chan are microcosms of the internet itself simultaneously at the vanguard of contemporary culture politics comedy and language and a new low for all of the above They were the original meme machines mostly frequented by socially awkward and disenfranchised young men in search of a place to be alone together During the recession of the late 2000's the memes

became political 4chan was the online hub of a leftist hacker collective known as Anonymous and a prominent supporter of the Occupy Wall Street movement But within a few short years the site's ideology spun on its axis it became the birthplace and breeding ground of the alt right In It Came from Something Awful Beran uses his insider's knowledge and natural storytelling ability to chronicle 4chan's strange journey from creating rage comics to inciting riots to according to some memeing Donald Trump into the White House
