Someone Has To Take The Fall:

Fall of the Flighters Ariele Sieling, Edna Oliphant's job relies on leads. A client is missing a ring. They hire her to find it. They've lost their dog. Edna is on the case. Her job as a Finder usually centers on the mundane but every so often something extremely interesting will land in her lap. Like an ancient map that supposedly leads nowhere. When Edna's brother Lance drags her to the underground bar BloodAxe she is roped into playing a dangerous and illegal game of White Rabbit in exchange for a lead. She comes in second place which gets her access to an old map supposedly leading to the lost world of Yuva. It doesn't take much digging before Edna finds herself embroiled in a family feud fight dating back generations with her arch rival actively seeking to prevent her from succeeding. With the help of her brother Lance and Quin Black from the Globe Edna sets out to discover the meaning of this ancient map and perhaps even find the lost world herself. Meanwhile John wants nothing to do with anything. Except sleep. If he could only fall asleep and stay asleep then maybe when he woke up things would be better. Maybe he would find his life interesting again. Maybe he would want to see his friends again. Maybe. But in an effort to avoid his responsibilities and potentially find a good place to nap John flees through the polylocus Door in his office and finds himself lost in a strange new world captive to an unfamiliar species of bird-like alien who are in the middle of a civil war and uncertain of if he'll ever make it home. This portal fiction novel is the fifth book in the Zirian Chronicles series.

Faked The Fall Tessa Quinn, 2025-07-14. It started the night someone followed me home. I was supposed to be helping my client testify. Not running for my life. And every time he looked at me it felt less like a cover. And more like the only thing that felt real. Until the

photos leaked The headlines exploded And he told me it was over to protect me So I walked away And the next time I saw him he stood in front of the cameras and said She doesn't need my money She just needed someone who wouldn't leave And I'm done pretending that isn't me Next Time When I'm Gonna Fall In Love Neha Tomar,2020-11-03 The book determines about the experiences one can face or have already faced in their love life It has been allotted into three phases which pretty much sums up all about How you sense or perceive when someone has fallen for you when you two fall for each other and also when you fall for someone It will help you thereafter to make a queue of to accomplish and not to accomplish things
