**Dividuum** Gerald Raunig, 2016-02-19 Raunig develops a philosophy of dividuality as a way of addressing contemporary modes of production and forms of life. The animal of the molecular revolution will be neither mole nor snake but a drone animal thing that is solid liquid and a gas from Dividuum. As the philosophical, religious and historical systems that have produced the individual and its counterparts, society and community over the years continue to break down, the age of dividuality is now upon us. The roots of the concept of the dividuum can be traced back to Latin philosophy when Cicero used the term to translate the divisible in the writings of Epicurus and Plato. Later medieval scholars utilized the term in theological discussions on the unity of the trinity. Grounding himself in the writings of the medieval bishop Gilbert de Poitiers and his extensive commentaries on Boethius, Gerald Raunig charts a genealogy of the concept and develops a philosophy of dividuality as a way of addressing contemporary modes of production and forms of life. Through its components of dispersion, subsistence and similarity, dividuality becomes a hidden principle of obedience and conformity but it also brings with it the potential to realize disobedience and noncompliance. Raunig's bad news is that dividuality is responsible for much of the intensified exploitation and enslavement taking place under contemporary machinic capitalism. Algorithms, derivatives, big data and social media technology all contribute to the rampant expansion of divisive management strategies and desires for self-division. The good news, however, is that this same terrain of dividuality presents an opportunity for a new kind of resistance, one that can be realized in the form of con-division. **Six Stories** Matt Wesolowski, 2016-12-01

**Trevon Jenifer** Trevon Jenifer,2006 Jenifer finished third in his weight class in Maryland s state high school wrestling tournament It s a nice accomplishment but it wouldn t merit a book except that he was born with no legs to a poor family in a high crime area of Prince George s County He walked on his hands and had to avoid both glass and the residue from irresponsible pet owners Eventually his mother and stepfather moved to a more rural area and enrolled him in a new virtually all white school in Huntington It was there he decided to wrestle His larger struggle hasn t been athletics but as with all

physically challenged youngsters to fit in Wrestling helped but so did his involvement with student government Jenifer seems almost as proud of his efforts on the homecoming committee as he does his wrestling successes He s a down to earth young man with aspirations to become involved in the criminal justice system and he gratefully acknowledges all those who helped him along the way and seems ready to see what he can accomplish as an adult It s an inspirational story related humbly and evenhandedly Wes Lukowsky Copyright 2006 Booklist      Pretty as a Picture Elizabeth Little,2020-02-25 A Wall Street Journal Seattle Times and CrimeReads Best Mystery Book of 2020 Funny fast paced and a pleasure to read The Wall Street Journal An egomaniacal movie director on an isolated island and a decades old murder the addictive new novel from the bestselling author of Dear Daughter Marissa Dahl a shy but successful film editor travels to a small island off the coast of Delaware to work with the legendary and legendarily demanding director Tony Rees on a feature film with a familiar logline Some girl dies It s not much to go on but the specifics don t concern Marissa Whatever the script is her job is the same She ll spend her days in the editing room doing what she does best turning pictures into stories But she soon discovers that on this set nothing is as it s supposed to be or as it seems There are rumors of accidents and indiscretions of burgeoning scandals and perilous schemes Half the crew has been fired The other half wants to quit Even the actors have figured out something is wrong And no one seems to know what happened to the editor she was hired to replace Then she meets the intrepid and incorrigible teenage girls who are determined to solve the real life murder that is the movie s central subject and before long Marissa is drawn into the investigation herself The only problem is the killer may still be on the loose And he might not be finished A wickedly funny exploration of our cultural addiction to tales of murder and mayhem and a thrilling behind the scenes whodunit Pretty as a Picture is a captivating page turner from one of the most distinctive voices in crime fiction
