Somersault A Novel:

Somersault Kenzaburo Oe, 2011-05-16 The first new novel Oe has published since winning the Nobel Prize Somersault is a magnificent story of the charisma of leaders the danger of zealotry and the mystery of faith A decade before the story opens two men referred to as the Patron and Guide of mankind were leaders of an influential religious movement When a radical faction of their followers threatened to unleash an apocalypse they recanted all of their teachings and abandoned their followers Now after ten years of silence Patron and Guide begin contacting their old followers and reaching out to the public assisted by a small group of young people who have come to them in recent months Just as they are beginning this renewed push the radical faction kidnaps Guide holding him captive until his health gives out Patron and a small core of the faithful including a painter named Kizu who may become the new Guide move to the mountains to establish the church's new base followed by two groups from Patron's old church the devout Quiet Women and the Technicians who have ties to the old radical faction The Baby Fireflies young men from a nearby village attempt to influence the church with local traditions and military discipline As planning proceeds for the summer conference that will bring together the faithful and launch the new church in the eyes of the world the conflicting agendas of these factions threaten to make a mockery of the church's unity or something far more dangerous Somersault, 2004 *The Novels of Oe Kenzaburo* Yasuko Claremont, 2008-12

The author's critical study examines the key works of fiction by Oe Kenzaburo the internationally renowned Japanese writer who won the Nobel Prize for Literature in 1994 **Spirit Matters** Philip Gabriel, 2006-01-01 Spirit Matters is a ground breaking work the first to explore a broad range of writings on spirituality in contemporary Japanese literature It draws on a variety of literary works from enormously popular fiction Miura Ayako's HyEten and Shiokari Pass and the novels of Murakami Haruki to more problematic serious fiction Ee Kenzaburo's Somersault to nonfiction meditations on martyrdom and miracles Sono Ayako's Kiseki and the dynamics of religious cults Murakami's interviews with members of Aum ShinrikyE in Underground The first half of the volume focuses on the work of two women Christian writers Miura Ayako and Sono Ayako Combining a decidedly evangelistic bent with the formulas of the popular novel Miura's 1964 novel HyEten Freezing Point and its sequel are entertaining perennial bestsellers but also treat spiritual issues like original sin that are largely unexplored in modern Japanese literature Sono's Kiseki Miracles and Miura's Shiokari Pass focus on the meaning of self sacrifice and the miraculous and survey both the paths by which people come to faith and the spiritual doubts that assail them Perhaps most striking for Western readers Gabriel reveals how Miura's novel shows the lingering resistance to Christianity and its oppositional nature in Japan and how in Kiseki Sono considers the kind of spiritual struggles many Japanese Christians experience as they try to reconcile their belief in a minority faith **Review of Contemporary Fiction** John

O'Brien, 2003-01-08 Joseph Dewey Rick Moody Brian Evenson Joanna Howard Ann Quin Zachary Hamnerman Ed Casebook Study of Silas Flannery The Acrobat John Stewart, 2014-01-10 Arthur Barnes The 100 Somersault Man was the world's

greatest acrobat a legend of the circus He toured for 23 years with the biggest companies in Britain Europe and the United States performing for all the crowned heads as well as for Abraham Lincoln This book traces his story as a bright thread of triumphs and tragedies running through the tapestry of the mid Victorian era a tapestry made rich by extraordinary events of the day and by the eccentric characters attracted to such a profession as the circus We follow Barnes as he escapes the doom of the iron foundry by bounding out of the desperate slums of the East End of London at the age of 14 to become the champion vaulter of all the world *Encyclopedia of the World Novel, 1900 to the Present* Michael David Sollars, Arbolina Llamas Jennings, 2015-04-22 Praise for the print edition a useful and engaging reference to the vast world of the novel in world literature **Stages of Conflict** Diana Taylor, Sarah J. Harrison, 2017-10-10 Is a woman's writing different from a man's Many scholars and readers think so even though here has been little examination of the way women's novels enact the theories that women theorists have posited In *Jean Rhys and the Novel as Women's Text* Nancy Harrison makes an important contribution to the exchange of ideas on the writing practice of women and to the scholarship on Jean Rhys Harrison determines what the form of a well made women's novel discloses about the conditions of women's communication and the literary production that emerges from them Devoting the first part of her book to theory and general commentary on Rhys's approach to writing she then offers perceptive readings of *Voyage in the Dark* an early Rhys novel and *Wide Sargasso Sea* Rhys's masterpiece written twenty seven years later She shows how Rhys uses the terms of a man's discourse then introduces a woman's or several women's discourse as a compelling counterpoint that in time becomes prominent and gives each novel its thematic impact In presenting a continuing dialogue with the dominant language and at the same time making explicit the place of a woman's own language Rhys gives us a paradigm for a new and basically moral text Originally published in 1988 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value *The Works of R. Inventions of A Present Fredric Jameson,2024-05-07 The giant of literary theory analyses the novel Conrad James Atwood Oe Mailer Grass Grossman Garcia Marquez Gibson Knausgaard and more A novel is an act an intervention which most often the na ve reader takes as a representation The novel intervenes to modify or correct our conventional notions of a situation and in the best and most intense cases to propose a wholly new idea of what constitutes an event or of the very experience of living The most interesting contemporary novels are those which try and sometimes succeed in awakening our sense of a collectivity behind individual experience opening up a relationship between the isolated subjectivity and class or community But even if this happens rarely one must go on to find traces of collective praxis hidden away within the mere awakening of a feeling of multitude And since it is in the sense of the nation and nationality that collectivity is most often expressed it is urgent to disengage the possibilities of genuine action within these nationalisms This sweeping collection of essays ranges from the elusive politicality of North American literature to the sometimes frozen narrative experiences of the eastern countries and the old Soviet Union from East Germany to Japan Latin America and the Nordic countries Like any such voyage it is an arbitrary movement across the world of historical situations which however seeks to dramatize their common kinship in late capitalism itself
