Reconnection ,1980 The newsletter of former Peace Corps and VISTA volunteers Hollywood's Imperial Wars Armando José Prats,2024-04-16 When the Vietnam War punctured the myth of American military invincibility Hollywood needed a new kind of war movie The familiar triumphal narrative was relegated to history and with it the heroic legacy that had passed from one generation to the next for more than two hundred years How Hollywood helped create and instill the American myth of heroic continuity and how films revised that myth after the Vietnam War is what Armando Jos Prats explores in Hollywood s Imperial Wars The book offers a new way of understanding the cultural and historical significance of Vietnam in relation to Hollywood s earlier representations of Americans at war from the mythic heroism of a film like Sands of Iwo Jima to the rupture of that myth in films such as The Deer Hunter Apocalypse Now and Platoon As early as the mid 1940s Prats suggests fears aroused by the Cold War were stirring anxieties about sustaining the heroic myth anxieties reflected in the insistent aggressive patriotism in films of the period In this context Prats considers the immeasurable cultural importance of John Wayne the cinematic apotheosis of wartime valor and righteousness whose patriotism was nonetheless deeply compromised by his not having served in World War II Prats reveals how historical and cultural anxieties emerge in well known Vietnam movies in which characters inspired by the heroes of the Second World War are denied the heroic legacy of their fathers American war movies in Prats s analysis were forever altered by the loss in Vietnam Even movies like American Sniper that exalt war heroes are marked as much by the failure of the heroic tropes of

old Hollywood war movies as by the tragic turn of actual historical events Tracing what Prats calls the anxiety of legacy through the films of the World War II and post Vietnam War periods this book offers a new way of looking at both the Hollywood war movie and the profound cultural shifts it reflects and refracts **Fury Duty** Joe Townsel,2018-11-09 In a dystopian future the roles of judge and jury pale in comparison to the responsibility of Juror No 13 It is his destiny to carry out his Fury Duty or face dire consequences The weekly Test Kitchen dinner parties are always a culinary delight That is until one takes an especially delectable turn Here is the Church and it may spell the doom of a teenager and a young girl who find their hometown suddenly deserted It s Business as Usual for a lecherous sales supervisor who has his eye on the beautiful receptionist who just might be a vampire Take a Picture it will last longer when a woman finds herself pursued and terrorized by a savage trucker The Visitor at the Door inspires his hospitalized son and gives him encouragement when he needs it the most A woman struggles to overcome her Fear of Open Spaces when the undead rise to inherit the Earth Nightmares can hurt you only when you re alone There is always a choice for those with the strength to create one **Painless** Devon Hartford,2015-03-31 At last The exciting steamy action packed conclusion to the Story of Samantha Smith PAINLESS follows Samantha through the remainder of her first year in college at sunny San Diego University Oh and what about that hot hunk Christos Manos When we last left him his life balanced on the brink of disaster What is going to happen to him You ll have to read PAINLESS to find out Find out what happens to Samantha Christos Romeo Kamiko Madison Jake and everyone else in PAINLESS the third and final volume of the series This book is full of surprises WARNING Once again the steam factor in PAINLESS is much higher than in FEARLESS book 1 but similar to RECKLESS book 2 *New York Magazine* ,1995-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *American Cowboy* ,2006-09 Published for devotees of the cowboy and the West American Cowboy covers all aspects of the Western lifestyle delivering the best in entertainment personalities travel rodeo action human interest art poetry fashion food horsemanship history and every other facet of Western culture With stunning photography and you are there reportage American Cowboy immerses readers in the cowboy life and the magic that is the great American West
