essays philosophers and cognitive scientists explore the nature of the individual senses how and what they tell us about the world and how they interrelate They consider how the senses extract perceptual content from receptor information and what kinds of objects we perceive and whether multiple senses ever perceive a single event Questions pertaining to how many senses we have what makes one sense distinct from another and whether and why distinguishing senses may be useful feature prominently Contributors examine the extent to which the senses act in concert rather than as discrete modalities and whether this influence is epistemically pernicious neutral or beneficial Many of the essays engage with the idea that it is unduly restrictive to think of perception as a collation of contents provided by individual sense modalities Rather contributors contend that to understand perception properly we need to build into our accounts the idea that the senses work together In doing so they aim to develop better paradigms for understanding the senses and thereby to move toward a better understanding of perception

*The Different Bride* Charu Singh, 2021-11-30 It's not everyday that we come across stories like that of Chandrika and Prakash In a world where it's not easy to be different Chandrika does not carry her supposed flaw as baggage She instead lives a happy and cheerful life with clear and serious goals She works hard towards getting into a top business school to turn her dreams into reality Despite her endearing nature deep within her heart she truly believes that love is not for her But one fine day the love bell rings thanks to Graham Bell Prakash works as a sales executive with an internet company He has a strained relationship with his father because of his father's rigid rules and rigorous expectations When the two meet by fateful design it's not just Chandrika's beliefs that are set to change but her entire life *The Different Bride* is a love story of its own kind It will leave you feeling stronger about how love transcends all the barriers that may come in its way
