**Evidence of Love** John Bloom,Jim Atkinson,2016-12-20 The fascinating true story behind the HBO Max and Hulu series about Texas housewife Candy Montgomery and the bizarre murder that shocked a community Los Angeles Times Book Review Candy Montgomery and Betty Gore had a lot in common They sang together in the Methodist church choir their daughters were best friends and their husbands had good jobs working for technology companies in the north Dallas suburbs known as Silicon Prairie But beneath the placid surface of their seemingly perfect lives both women simmered with unspoken frustrations and unanswered desires On a hot summer day in 1980 the secret passions and jealousies that linked Candy and Betty exploded into murderous rage What happened next is usually the stuff of fiction But the bizarre and terrible act of violence that occurred in Betty s utility room that morning was all too real Based on exclusive interviews with the Gore and Montgomery families Edgar Award finalist Evidence of Love is the superbly written account of a gruesome tragedy and the trial that made national headlines when the defendant entered the most unexpected of pleas not guilty by reason of self defense Fort Worth Star Telegram Adapted into the Emmy and Golden Globe Award winning television movie A Killing in a Small Town as well as the new limited series Candy on Hulu and Love and Death on HBO Max this chilling tale of sin and savagery will fascinate true crime aficionados Kirkus Reviews *Heartbreak House* George Bernard Shaw,2024-04-26 Heartbreak House by George Bernard Shaw is a witty and incisive comedy that serves as a scathing critique of the British upper class and their complacency in the face of impending disaster Set on the eve of World War I the play takes place in the eccentric household of Captain Shotover a retired seafarer whose home serves as a microcosm of British society As various guests gather at Heartbreak House they reveal themselves to be shallow self absorbed and disconnected from the realities of the world around them Through sharp dialogue and biting satire Shaw exposes the moral bankruptcy of the ruling class and the folly of their pursuit of pleasure and material wealth At its core Heartbreak House is a cautionary tale about the consequences of moral apathy and political indifference Shaw uses the characters and setting of the play to explore themes of power corruption and the decline of Western civilization offering a searing indictment of the social and political forces that led to the cataclysm of World War I
