When John Fairfax and Silvia Cook were swept over the Great Barrier Reef and rowed into the shelter of Hayman Island off the Queensland coast they had achieved what to most people seemed an impossibility crossing the world s largest ocean by the strength of their own arms It had taken them a year minus two days with brief halts at Ensenada in Mexico Washington Island and the tiny island of Onotoa Since Cyclone Emily some weeks before their arrival they had been given up for lost and their triumphant landing brought acclaim from the whole world This book is their own joint record based on the separate log they each kept of their preparations for the voyage and what then happened when they left San Francisco on April 26 1971 in Britannia II designed by Uffa Fox It tells of the dangers they faced of storms shipwreck and most terrifying of all the shark bite which brought John Fairfax bear death In their own words they describe how they coped with the ordinary incidents of everyday living in such a confined space and in such extraordinary Their close partnership triumphed over all the passing strains and perils of their experiences and has resulted in a remarkable book about their unique achievement <http://oceanrowersessentials.myshopify.com/products/oars-across-the-pacific> **Backpacker** ,1994-04 Backpacker brings the outdoors straight to the reader s doorstep inspiring and enabling them to go more places and enjoy nature more often The authority on active adventure Backpacker is the world s first GPS enabled magazine and the only magazine whose editors personally test

**A Death in Canaan** Joan Barthel,2016-01-19 A riveting true crime classic The trial of Connecticut teen Peter Reilly accused of killing his mother and the community that defended him People In the sleepy hamlet of Canaan Connecticut Barbara Gibbons stood out She and her eighteen year old son Peter Reilly lived in a drab one bedroom house on a desolate stretch of road An intelligent lively woman with a wicked sense of humor Barbara also had dark moods and drank too much She fought loudly with neighbors and her son and appeared to have a messy complicated love life When Peter came home from the Teen Center one night to discover his mother lying naked on the bedroom floor with her throat slashed the police made him their prime suspect After eight hours of interrogation and a polygraph test Peter confessed Investigators were convinced they had an open and shut case but the townspeople disagreed They couldn t believe that the na ve teenager was capable of such a gruesome crime and blamed detectives for taking advantage of the boy s trust With the help of celebrities including Mike Nichols and William Styron who contributes an eloquent and persuasive introduction to Joan Barthel s account of the case the community of Canaan rallied to Peter s defense A gripping murder mystery and an intimate portrait of the loyalties resentments and secrets lurking beneath the placid surface of quiet towns across America A Death in Canaan is a masterpiece of first class journalism The New York Times

**Dragonflyers** Christine Velde,2015-08-25 This book explores the lives of prominent expatriates working in varying fields and aims to understand why they were drawn to Indonesia and examines their diverse but valuable contributions to Indonesia and its way of life In doing so it will facilitate a better understanding for readers in the East and the West regarding the contributions of prominent expatriates to Indonesia and their feelings towards a country which in many cases may have become their home Dragonflies which have been described as fantastic flyers darting twisting turning and transforming are just like expatriates who have contributed to Indonesia in a variety of fields Like dragonflies they are also reminders that we can reflect light in powerful ways They contribute to others by helping them to see through their misinterpreted illusions and allowing their own light to shine in a new vision like academics artists writers or entrepreneurs Much of Indonesia outside of Jakarta and other major cities we found incredibly beautiful The greatest attraction of the country was the pleasure of working with Indonesians who accepted me as a colleague rather than a dangerous foreigner who had to be kept at a distance Over time both my wife and myself became greatly attached to Indonesia both personally and professionally Gustav Papanek Living in Indonesia is very different to living in Australia It has

changed from the turbulent situation during the 1980s and 1990s and is now much more open and liberal For most foreigners living and working in Indonesia it takes time and effort to develop the skills and understanding that best enable them to operate in Indonesia Personally I have always found most Indonesians very welcoming David Hill I have acquired an enriched understanding of another culture I possess another language and this opens up the mind immeasurably rough speaking the language wI can get much closer to people and be a part of the decision making process I am more relaxed about life in general through my Indonesian experiences David Reeve I can sympathise with the idea of being a global citizen but believe that those with experiences of other cultures must be able to share these experiences and insights with members of their own culture Indonesia gains most value from me not when I think like an Indonesian but when I act like an Australian who knows and respects Indonesian culture and can present different and distinct perspectives on it to Australians and Indonesians alike Harry Aveling Airman ,1985 *Deadly Obsessions* Joan Barthel,2017-07-11 Three true crime classics of love murder and the mob by a Pulitzer Prize finalist who writes with honest and gritty realism Phoenix Gazette Award winning author Joan Barthel uncovers the dark secrets behind some of the strangest cases in the history of American crime in these three captivating works of first class journalism The New York Times A Death in California When twice divorced Beverly Hills socialite Hope Masters fell in love with a handsome advertising executive she thought her life was finally turning around until she woke up to find a gun in her mouth and her fianc dead in the next room The killer was a new acquaintance who d been visiting the couple s Sierra Nevada ranch Even more bizarre however was what happened at the end of the long nightmarish weekend in which Masters saw everything she cared about destroyed She began to fall in love with her tormenter Superbly documented brilliantly written The suspense will keep readers caught to the very last page Ann Rule bestselling author of The Stranger Beside Me A Death in Canaan When eighteen year old Peter Reilly arrived home from the Teen Center one night to discover his mother lying naked on the bedroom floor with her throat slashed local police made him their prime suspect After eight hours of interrogation and a polygraph test Reilly confessed But the townspeople of Canaan Connecticut couldn t believe the na ve teenager was capable of such a gruesome crime With the help of some celebrities including Mike Nichols and William Styron the community rallied to the boy s defense Barthel s riveting account of this fascinating and frightening case was a finalist for the Pulitzer Prize People Love or Honor Police officer Chris Anastos was happily married and satisfied with his work on the NYPD s anti crime unit until he was asked to go undercover to investigate links between the Italian mob and a Greek criminal network in Queens For five years he moved back and forth between his comfortable home life and a murky underground world of wise guys pimps and thieves But when he fell in love with the beautiful raven haired daughter of a Long Island capo Anastos faced his gravest threat yet For devotees of cop tales and mob lore Tantalizing The New York Times Book Review **Congressional Record** United States. Congress,1993 The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily

when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873      **New York Magazine** ,1996-04-08 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **Selling Ronald Reagan** Gerard DeGroot,2015-09-23 Before 1966 the idea of Reagan in politics provoked widespread scorn To most people he seemed a has been actor a right wing extremist and a dunce Journalists therefore ridiculed his aspirations to be governor of California No one however doubted his incredible ability to communicate with a crowd In order to succeed in his campaign Reagan had to be packaged as an outsider an antidote to politics as usual A highly sophisticated team of marketers and ad men turned the scary right winger into a harmless moderate who could attract supporters from across the political spectrum Researchers meanwhile provided the coaching that allowed Reagan to seem well informed all of which led to Reagan winning the California governorship by a landslide Gerard DeGroot here explores how in the decade of consumerism Reagan was marketed as a product While there is no doubting his natural abilities as a campaigner Reagan won in 1966 because his team of advisers understood how to sell their candidate and he wisely allowed himself to be sold Selling Ronald Reagan tells the story of Reagan s first election when the nature of campaigning was forever altered and a titan of modern American history emerged      Pacific Defence Reporter ,1984
