Romano Ph.D., 2010-08-12 There is no

available information at this time *Writing With An Accent* Edvige Giunta, 2016-04-30 Mary Cappello Louise DeSalvo Sandra M Gilbert Maria Mazziotti Gillan Carole Maso Agnes Rossi These are some of the best known Italian American writers today They are part of a literary tradition with mid twentieth century roots that began to develop in earnest in the late 1970s and early 1980s During those decades a number of Italian American women such as Helen Barolini began to publish books that depicted their perspectives on life through the critical lenses of gender class and ethnicity At the end of the twentieth century this literature finally blossomed into a fully fledged cultural movement that also took into account issues of sexuality age illness and familial and societal abuse *Writing with an Accent* takes a look at this vibrant literary movement by discussing those first writers of the 1970s and 1980s as well as later authors At the center of Edvige Giunta's *Writing with an Accent* is the literal notion of accent the marker of linguistic and cultural difference that separates and identifies recent immigrants to the United States In this study an accent symbolically embodies the differences and creative strategies through which contemporary Italian American women writers engage Italian American culture in works of fiction poetry and memoir Giunta

also looks at the links between the literature and art music film and video produced by contemporary Italian American women The literature of the Italian American women in *Writing with an Accent* is shaped by the complicated connections these authors maintain with their cultural origins but also and perhaps more importantly by their feminist consciousness and politicized sense of ethnic identity *Writing with an Accent* celebrates and explores a group of authors who characteristically mix the joy and pain of Italian American life to paint a multifaceted picture of Italian American women and their complex place in U S culture

That Fine Italian Hand Paul Hofmann, 1991-03-15 No other people over so long a history have shown a greater knack for survival than the Italians In this wryly affectionate book Hofmann reveals his adopted countrymen in all their glorious paradoxes capturing their national essence as no other book has done since Luigi Barzini's classic *The Italians* The national art of arrangement dodging taxes double dealing working only as hard as one must is counteracted by Italian inventive genius gusto for life fierce individuality deep family bonds as well as animosities and a marvelously hedonistic sophistication

The Milk of Almonds Edvige Giunta, Louise DeSalvo, 2017-03-15 A vast thoroughly wonderful assortment of poetry memoirs and stories that defines today's female Italian American experience *Publishers Weekly* Often stereotyped as nurturing others through food Italian American women have often struggled against this simplistic image to express the realities of their lives In this unique collection over 50 Italian American female writers speak in voices that are loud boisterous sweet savvy and often subversively funny Drawing on personal and cultural memories rooted in experiences of food they dissolve conventional images replacing them with a sumptuous communal feast of poetry stories and memoir This collection also delves into unexpected sometimes shocking terrain as these courageous authors bear witness to aspects of the Italian American experience that normally go unspoken mental illness family violence incest drug addiction AIDS and environmental degradation As provocative as it is appetizing this collection of verse and prose pieces reveals the evocative and provocative power of food as event and as symbol as well as the diversity of these women's lives and their ambivalence regarding the role of nurturer *Library Journal*

Claiming a Tradition Mary Jo Bona, 1999 Mary Jo Bona reconstructs the literary history and examines the narrative techniques of eight Italian American women's novels from 1940 to the present Largely neglected until recently these women's family narratives compel a reconsideration of what it means to be a woman and an ethnic in America Bona discusses the novels in pairs according to their focus on Italian American life She first examines the traditions of *italianità* a flavor of things Italian that inform and enhance works of fiction The novelists in that tradition were Mari Tomasi *Like Lesser Gods* 1949 and Marion Benasutti *No Steady Job for Papa* 1966 Bona then turns to later novels that highlight the Italian American belief in the family's honor and reputation Conflicts between generations specifically between autocratic fathers and their children are central to Octavia Waldo's 1961 *A Cup of the Sun* and Josephine Gattuso Hendin's 1988 *The Right Thing to Do* Even when writers choose to steer away from the familial focus Bona notes their developmental narratives trace the reintegration of characters suffering from a crisis of cultural identity Relating

the characters struggles to their relationship to the family Bona examines Diana Cavallo s 1961 *A Bridge of Leaves* and Dorothy Bryant s 1978 *Miss Giardino* Bona then discusses two innovative novels Helen Barolini s 1979 *Umbertina* and Tina De Rosa s 1980 *Paper Fish* both of which feature a granddaughter who invokes her grandmother a godparent figure Through Barolini s feminist and De Rosa s modernist perspectives both novels present a young girl developing artistically Closing with a discussion of the contemporary terrain Italian American women traverse Bona examines such topics as sexual identity when it meets cultural identity and the inclusion of italianit when Italian American identity is not central to the story Italian American women writers she concludes continue in the 1980s and 1990s to focus on the interplay between cultural identity and women s development

The Heart and the Island Chiara Mazzucchelli, 2015-08-04 In *The Heart and the Island* Chiara Mazzucchelli explores the strong bond between Sicilian American writers and the island of Sicily Self contained yet connected to the mainland geographically separated from yet politically united to the rest of Italy Sicily occupies a unique position Throughout the twentieth century the sense of a distinct sicilianit or Sicilianness has manifested itself in a corpus of texts that although subsumed under the broader context of Italian literature have distinguished themselves as examples of an exquisitely Sicilian literary experience Mazzucchelli argues that a parallel phenomenon sicilianamericanit has emerged in the United States Focusing on the island s geography history and culture she examines how many American authors of Sicilian descent derive inspiration from their ethnic milieu and lay out a recognizable set of Sicilian culture markers in their works thereby producing a literature that is distinctly Sicilian American Drawing on both Italian and Italian American scholarship *The Heart and the Island* is the first full length study of Sicilian American literature and it opens a space for new interdisciplinary discussions on what it means to be Italian on both sides of the ocean
