**Lead to Succeed** Rick Pitino, 2001-12-04 Learn how to be a leader from one of sports greatest teachers Rick Pitino As Rick Pitino says great leaders aren t born great they learn great leadership along the path of life From the time Pitino first became a coach at twenty four he has been a student of leadership in all its forms studying how great leaders from legendary coaches to American presidents to world humanitarians are able to inspire and motivate others He discovered that all leaders on the court and off in business politics or civil rights have certain qualities in common these leaders share key traits that make people want to listen to them and follow them Now in Lead to Succeed Rick Pitino shares the ten traits of great leadership he discovered and has cultivated in himself and shows readers how they too can become leaders in their business and personal lives As the former coach of the Kentucky Wildcats who turned the team around from probation status to a 1996 NCAA championship Pitino relates stories of this experience and other leadership lessons from his career When Rick Pitino joined the Boston Celtics in 1997 he took on the biggest challenge of his professional life becoming not only head coach but also president of the Celtics In addition to coaching professional athletes with multimillion dollar contracts he was assuming a leadership role of an organization saddled with salary cap problems limited talent misfortune in the draft lottery and bombarded by adversity on all sides Facing these adversities Pitino has relied on a leadership strategy based on his years of

learning from leaders around him and from his own mistakes and successes Leading isn't about being a dictator nor is it about people pleasing As Pitino shows in *Lead to Succeed* leadership is about communication consistency and selflessness In addition to illustrating how these traits apply in a variety of business situations Pitino addresses these issues How you can be an effective business leader and still be honest When it's best not to delegate How the past can hurt you How to get your team out of a slump While Pitino has had great success with his players he has also convinced thousands of people in companies across America that his leadership message applies in the workplace as well *Lead to Succeed* is for anyone who wants to inspire and motivate others be it your employees or colleagues or members of an organization you belong to or your family A perfect book for executives managers and sports fans *Lead to Succeed* can make great leadership within reach
