Somewhere Behind the Morning Frances McNeil, 2006 New Every Morning D. Gordon Rohman, 2012-02-14 In this autobiography D Gordon Rohman a child of the Thirties brings to life in loving detail the world of the small town in which he grew up He begins his story when he was age three with a mysterious kairos moment in which he was awakened to himself by his mothers singing Ever since he has cherished the intuition that he has been on a sacred journey touched by God and renewed every morning as he awakened to ever larger life Raised a Baptist his faith journey led him to seek God in the self when he discovered Emerson and Thoreau in college In his 50s he was awakened to a breathtaking cosmic vision of God and Christianity by the works of C S Lewis The author fills his journey with stories of the many families who he says made me possible I built my life on the rock of two families he writes the one I was born into and the one my wife Pam and I created in which we raised seven children But I have been nurtured by many other families of my hometown of ancestors of in laws of comradeship of vocation of avocation and of faith My story the author writes runs like a two way street filled with the traffic of active and passive verbs giving and being given serving and being served helping and being helped teaching and being taught loving and being loved Readers of this heartfelt and insightful autobiography will discover one mans road to Heaven filled with love of ideas friends work soul mates stories families and God **Wings of the Morning** Orestes

Lorenzo, 2015-12-29 A moving testament his narrative provides an insiders look at the Castro regimes personality cult its indoctrination of children and surveillance of ordinary Cubans Publishers Weekly In December 1992 Orestes Lorenzo undertook the most daring journey of his life More than a year earlier while a major in the Cuban Air Force he had escaped from Cuba by flying a MiG to the United States and for twenty one frantic months had been trying to get permission for his wife Vicky and their two sons to join him When all his attempts to gain their freedom failed Orestes decided to go back and rescue his family himself Meanwhile Vicky had been undergoing a terrifying ordeal back in Cuba where the authorities were pressuring her to denounce her husband as a traitor They informed her that she would never be allowed to leave and that Raul Castro himself had declared If Lorenzo had the guts to leave with one of my MiGs maybe he has the guts to come back and get his family Desperate Orestes Lorenzo did just that flying an old twin engine Cessna across the straits of Florida avoiding Cuban radar and landing on a busy highway in a breathtaking rescue Wings of Morning is Lorenzo s account of this astonishing feat but it is also the unforgettable odyssey of a young man growing up during the euphoria of the Cuban Revolution marrying his sweetheart and going off to train as a fighter pilot in the Soviet Union Lorenzo movingly describes his growing disillusionment with communism his religious awakening amidst the revelations of Perestroika and the near death of his beloved Vicky as well as his increasing conviction that he must not let his children grow up in a country that denies any dignity or spiritual values in the individual in the family and to society Between Midnight and Morning Patrick M.
