Somewhere Dreams Must Come True:

Somewhere Dreams Must Come True Wilma R. Lewis, 2000-07-26 The dream of going to California tugged at Will throughout his childhood on a Missouri farm in the 1850s After a move to Wisconsin with his family he is eventually able to start west with his young wife Anna The adventures of this growing family are shared by many who choose to answer the call of homestead lands waiting to be earned by their labor Though it may sound like an invitation to paradise it sometimes becomes discouraging Bad weather hostile neighbors plagues and infidelity were not what one expected in the promised land but sometimes have to be dealt with Following these families as they deal with adversity forms a heart tugging narrative and involves the reader in the lives of the women and men who lead the way **Princeton Alumni Weekly**, 1913 **Exits from the Pearly Gates** Lucretia Graves, 1919 **Unconnected** David O. Bullock, 2014-04-21 Do you ever feel like something is missing in your life Have you ever wondered where things went wrong or how you got off track with your hopes and dreams Are you plagued by questions for which there seem to be no answers Do you feel a disconnect between the life you always wanted and your life as it is **Unconnected** takes you on a journey through some amazing stories of incredible life change These people discovered the connection that turned their lives completely around Each story begins as a tragic tale of hopelessness and despair but ends in triumph and the true joy of living life to the full You can learn the difference the connection can make in your own life Author David Bullock describes in detail the steps you need to take on your own journey to connection Be forewarned that he believes everyone needs to laugh at least once a day so don't be surprised if his style occasionally leaves you laughing out loud At other times you may find yourself crying as you read stories filled with struggle and heartbreak You may even find that you can personally identify with some of them In the end you may understand how you too can escape the unconnected life and enter into a beautiful new world of connection Do you want that If so then take this journey **Unconnected** may have been written just for you **Island Song Lyrics Volume 3** Larry W. So Pretty.... so Many Tears Rose Portillo, 2011-12-02 This book was written out of the feelings and some of the most sadness out of the depths of my heart and soul It contains feelings from different times and many events of my life So Pretty So Many Tears has poems from many different emotions I have felt throughout my life Some of the poems that are written in this book were written when I was 16 years old although I have been writing since I was much younger when I had already been physically and emotionally abused Then I lost The Love Of My Life I fell in love with Tony when I was 12 years old We got together when I was 16 and then we separated for a few years because of my family We got back together when I turned 24 and he was 25 years old A couple of days before he turned 27 years old he passed away yes I lost my love I lost my life hence I lost my mind When I finally gave my whole self to him and finally stopped worrying about what my family felt about him Ever since then I have been truly going through years of so much denial of his death self conviction and guilt over what happened and how it happened I sank into the Abyss of my empty soul and I didn't want to be found because I knew deep inside if I found myself deep within my secretly wounded heart I would realize and find out that I lost the only love I had ever had He was my only friend and I knew that I would lose my mind if I ever lost him There was no way that I wanted to live in this ugly world without him by my side and I had told him that I would never be afraid of anything not even the end of the world so long as he was there by my side even when the end of the world was occurring I have been abused most of my life first by my mother then by my older brother then later on when I got married to someone else other than my true love I went through some inner hell tortures as well as physical tortures with my husband always on drugs such as heroine crystal meth and crack cocaine when I didn't even know what all that stuff was or what it did to someone Anyhow the book contains all of my dreadful melancholic horrific details of just how much I had lost my mind For I truly did lose my mind when Tony left my world The only thing I had to stay alive for was my children that I already had and when The One I Loved left my world I went insane but I didn't even know it and neither did anyone else for that matter I really didn't know how to handle living life without Tony I needed to learn how to live again not only for myself but for my children and the book

does indeed hold the deepest fears tears and loves in my life The book contains so many feelings tears and love and as one person put it So Pretty So Many Tears when the tears wouldn't stop and how I couldn't stop thinking of and wanting to die Like I said I actually really lost my mind There are many different poems in this book some are regarding abuse death love reincarnation and even living with physical pain as I do now and have been ever since the year of 2001 it seems as if once the denial stopped and the admission of Tony being dead occurred the pain and suffering I had secretly been feeling in my heart and my soul suddenly spurted out of me and showed and was now felt physically For the secret I was holding within me was the secret I withheld even from my own self and that was that Tony was dead I was full of secrets all of my life first I held the secret from my family the love I had for Tony he was my secret love Then I held the biggest secret from myself the death of Tony's body but not the death of my love for him There are also some poems from my granddaughter Vanessa Espitia and from two of my daughters Desiree Grace and Princess Anna both of whom I encourage to write all their thoughts and feelings from their heart if that is what they want to do Most of my 12 children are blessed with the talents of writing and art along with some of my grandchildren So Pretty
