## **Son Of A Gun A Sydney Sloane Mystery:**

Son of a Gun Randye Lordon, 2005-02 With no real clues to go on the police assume that the shooting was either completely random or the work of a criminal from Cannady's past looking for revenge But those theories get scrapped when Peggy receives a threatening call from a man claiming to be someone from her own past the now adult child she gave up for adoption after an unfortunate teen pregnancy His desire for revenge is terrifying even more so when he raises the stakes and targets her young daughter Lucy With only the thinnest of leads Sydney must somehow find a man about whom they know almost nothing and who has had a lifetime to cover what few tracks he might have left on any official records With one friend fighting for his life in the hospital another paralyzed by guilt and fear and her godchild at risk Sydney's skills are put to their ultimate test **BOOK JACKET**

The Gay Detective Novel Judith A. Markowitz, 2015-02-16 Gertrude Stein called it the only really modern novel form that has come into existence yet the mystery genre was a century old before it featured its first gay main character in a novel Since then gay and lesbian detective fiction has been one of the fastest growing segments of the genre It incorporates gay and lesbian cultural elements and offers crossover appeal Its authors call upon a century of development in the mystery genre while providing new more accurate images of lesbians and gay men than generally found in mainstream literature and popular media This groundbreaking study of gay and lesbian detective fiction examines mystery series and historically significant stand alone novels published since the early 1960s Part I is an overview that describes how these novels make gay and lesbian life visible and forge new powerful images It also examines how they fit into the larger history of mystery fiction The series analyses in Part II are grouped according to the type of main character police officer private investigator amateur sleuth etc Each section discusses main and secondary characters of that type characteristic themes for the group and more The analyses of individual series cover main characters themes plot points and other elements Comments from authors interviewed for this book play a central role in those analyses Part III lists series spanning themes e g homophobia the closet gay marriage and the novels and series that address each of those themes **She's**

**Dead, Who Cares?** Randye Lordon, 2023-02-07 If you want anything done right in the Hamptons there is only one person to call Mary Moody celebrity concierge who can handle everything from hiring Cirque du Soleil to perform at a wedding to the more mundane juggling of privileged brats wealthy wannabes and getting the Bentley detailed She never expected to add sleuth to her job description however when a client a nasty but well known art dealer goes missing Mary is hired by the one person who notices and cares that the woman is gone And she's gone all right never to return Friendship compels Mary to agree to dig around for clues in the wealthy Long Island beach community where people are losing their heads literally As the bodies pile up and the list of people with motives for murder grows longer Mary discovers one can manage a psycho bride a nasty clean up south of the highway a murder and becoming the number one suspect for the police Along the way Lordon has a grand time satirizing the over the top Hamptons one percenters creating a suspenseful mystery and adding a

loving tribute to dog lovers who know that man's best friend is not just an idle phrase Mystery murder and a good cocktail will keep you laughing on the edge of your seat Mystery Women, Volume Three (Revised) Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *The Publishers Weekly*, 2005 Bowker's Guide to Characters in Fiction 2007, 2008-02 **Library Journal** Melvil Dewey, Richard Rogers Bowker, L. Pylodet, Charles Ammi Cutter, Bertine Emma Weston, Karl Brown, Helen E. Wessells, 2005 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately **What Do I Read Next?** Neil Barron, 2005-10-21 By identifying similarities in various books this annual selection guide helps readers to independently choose titles of interest published in the last year Each entry describes a separate book listing everything readers need to know to make selections Arranged by author within six genre sections detailed entries provide Title Publisher and publication date Series Names and descriptions of characters Time period and geographical setting Review citations Story types Brief plot summary Selected other books by the author Similar books by different authors Author title series character name character description time period geographic setting and genre sub genre indexes are included to facilitate research **Library Journal**, 2005 **East of Niece** Randye Lordon, 2002-06 Private investigator Sydney Sloane is reluctantly on vacation in France to visit with her niece Vickie But she is unpleasantly surprised to find that not only has Vickie secretly married but her new husband Gavin's parents were just killed in a suspicious car accident So suspicious that the police are looking for the now missing Gavin Wrapped up in a murder investigation in a country where she doesn't speak the language Sydney must find both Gavin and the truth But someone out there is determined to stop her from doing just that

by any means necessary      **Forthcoming Books** Rose Arny,2003      **East of Niece** Randye Lordon,2013-07-02 Private investigator Sydney Sloane is reluctantly on vacation in France to visit with her niece Vickie But she is unpleasantly surprised to find that not only has Vickie secretly married but her new husband Gavin s parents were just killed in a suspicious car accident So suspicious that the police are looking for the now missing Gavin Wrapped up in a murder investigation in a country where she doesn t speak the language Sydney must find both Gavin and the truth But someone out there is determined to stop her from doing just that by any means necessary Lordon keeps the pages turning transporting readers into a world of two hour lunch breaks on sunny lemon scented patios of eating warm bread and cheese for breakfast and of course of cold blooded murder Booklist      **American Book Publishing Record** ,2003      Bookseller & Stationer and Office Equipment Journal ,1927      **Scientific American** ,1898      *The Pall Mall Budget* ,1869      **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1897      *The Publishers' Circular and Booksellers' Record of British and Foreign Literature* ,1897      **The Publishers' Circular and Booksellers' Record** ,1925      **British Books** ,1923
