The Wicked Series Box Set Gregory Maguire, 2024-10 The bestselling classic and basis for the Tony Award winning musical and upcoming movie Wicked here paired for the first time with the other three books in the Wicked Years series Son of a Witch A Lion Among Men and Out of Oz in a stunning box set featuring a gorgeous design and new covers for all four trade paperbacks Gregory Maguire s groundbreaking New York Times bestselling series redefined the land of Oz its inhabitants its Wizard and the Emerald City viewing the world created by L Frank Baum through a darker and greener lens Wicked The first novel in the series basis of the smash hit musical explores a land where animals talk and strive to be treated like first class citizens Munchkinlanders seek the comfort of middle class stability and the Tin Man becomes a

victim of domestic violence And then there is the little green skinned girl named Elphaba who will grow up to become the infamous Wicked Witch of the West a smart prickly and misunderstood creature who challenges all our preconceived notions about the nature of good and evil Son of a Witch A decade after the Witch has melted away her son a young man called Liir is discovered bruised comatose and left for dead in a gully Shattered in spirit as well as in form he is tended by the mysterious Candle a foundling in her own right until failed campaigns of his childhood bear late unexpected fruit A Lion Among Men While civil war looms in Oz the Cowardly Lion an enigmatic figure named Brrr arrives in search of information about Elphaba Thropp the Wicked Witch of the West Out of Oz The marvelous land of Oz is knotted with social unrest The Emerald City is mounting an invasion of Munchkinland Glinda is under house arrest and the Cowardly Lion is on the run from the law And look who s knocking at the door It s none other than Dorothy Yes that Dorothy Amid all this chaos Elphaba s granddaughter the tiny green baby born at the close of Son of a Witch has come of age Now Rain will take up her broom in an Oz wracked by war

The Wicked Years Complete Collection Gregory Maguire,2013-11-26 The New York Times bestseller and basis for the Tony winning hit musical soon to be a major motion picture starring Cynthia Erivo and Ariana Grande With millions of copies in print around the world Gregory Maguire s Wicked is established not only as a commentary on our time but as a novel to revisit for years to come Wicked relishes the inspired inventions of L Frank Baum s 1900 novel The Wonderful Wizard of Oz while playing sleight of hand with our collective memories of the 1939 MGM film starring Margaret Hamilton and Judy Garland In this fast paced fantastically real and supremely entertaining novel Maguire has populated the largely unknown world of Oz with the power of his own imagination Years before Dorothy and her dog crash land another little girl makes her presence known in Oz This girl Elphaba is born with emerald green skin no easy burden in a land as mean and poor as Oz where superstition and magic are not strong enough to explain or overcome the natural disasters of flood and famine Still Elphaba is smart and by the time she enters Shiz University she becomes a member of a charmed circle of Oz s most promising young citizens But Elphaba s Oz is no utopia The Wizard s secret police are everywhere Animals those creatures with voices souls and minds are threatened with exile Young Elphaba green and wild and misunderstood is determined to protect the Animals even if it means combating the mysterious Wizard even if it means risking her single chance at romance Ever wiser in guilt and sorrow she can find herself grateful when the world declares her a witch And she can even make herself glad for that young girl from Kansas Recognized as an iconoclastic tour de force on its initial publication the novel has inspired the blockbuster musical of the same name one of the longest running plays in Broadway history Popular indeed But while the novel s distant cousins hail from the traditions of magical realism mythopoeic fantasy and sprawling nineteenth century sagas of moral urgency Maguire s Wicked is as unique as its green skinned witch
