Doug Maxwell Theodore Huntington,2022-01-24 Imagine an athlete so incredible that he dominates two sports football and baseball shattering records and lifting his team to championships every

year Doug Maxwell is a new kind of reluctant hero. A boy from a fractured home, he now has to overcome crushing criticism from the media, opposing players, and the public. Deep down, Doug is a kind, giving man who struggles with his own inner demons and human foibles. But he is not a cheat. Yet Doug does have an incredible supernatural secret. Having been bestowed amazing strength by an event in his childhood, Doug can now work towards fulfilling his greatest wish to make his father proud. But as his abilities grow, so do his detractors. After reporter Sue Ohuna notices that something is not quite human about Doug, she risks her career trying to uncover his secret. As stakes get higher, Doug soon needs to make life-changing decisions. But can he fulfill his true destiny? *America's Royalty* Sanford Kanter, Sandra Quinn-Musgrove, 1995-08-30

A comprehensive work about the first families' children, this is the only book available that treats these privileged few at any depth. The reading is enjoyable, answering questions such as: What happened to and did this president have any children? The book also is informative, glimpsing the lives of a few who have been shoved into the limelight at a certain period and for generations to come. Historically, the work functions sometimes as a period piece, sometimes as a human interest piece, but it always serves to help bring to life our first families. Included, where possible and/or appropriate, are the vital statistics of birth, marriage, education, development, profession, and death. The book is a good read, but it also serves an historical function. Aside from the fact that the book is informative reading about the lives of the children of America's chief executives, it is like peering into a moment of the American equivalent of royalty. Observing the exciting, painful, humdrum, and heartfelt experiences of both the children and the families may also serve to increase the reader's understanding of the real lives of these emulated families that they too lead lives that are similar to every person's except that they are in the historical spotlight. After all, leaders such as Lincoln and Kennedy were forced to continue governing the affairs of state as their sons died. **The Storm Trilogy** Theodore Huntington, 2023-12-13

All three books in Theodore Huntington's *The Storm Trilogy* are now available in one volume. Doug Maxwell: A boy from a fractured home, Doug Maxwell has an incredible secret. Having been bestowed amazing strength by an event in his childhood, Doug can now work towards fulfilling his greatest wish. But after reporter Sue Ohuna notices that something is not quite human about Doug, she risks her career trying to uncover his secret. As stakes get higher, Doug soon needs to make decisions that will change the course of his life. Charlie Estrella: He's the greatest musician the world has ever seen, but what is the secret behind Charlie Estrella's magical gifts? The second book in Theodore Huntington's *The Storm Trilogy* follows a tale of another supernatural hero. This time it is young Charlie Estrella who is granted his greatest wish by the Storm. But can he find his true destiny, or will he be thwarted by his foes? Larry: Ever since he was born, thoroughbred Larry has faced adversity. Bestowed with a miraculous gift by a supernatural storm, Larry is climbing to the heights of triumph. Protected by his best friend, a jockey with her own magical gift, Larry gallops through hurdle after hurdle. But can he conquer his obstacles and emerge as a symbol of indomitable will? *A Plan Gone Bad* Gregg Stoner, 2020-12-07
