Collected Supernotational Writings Vol.II John O'Loughlin,2029-09-18 In Volume II of John O Loughlin s collected supernotational philosophy project he has combined the titles Critique of Post Dialectical Idealism Philosophical Truth Veritas Philosophicus and Last Judgements which span the period 1989 93 and have allowed him to bring some kind of strict chronology to bear on a series of writings dubbed supernotational to distinguish them from essays on the one hand and aphorisms on the other thereby treading a kind of intermediate position between essays and aphorisms in the interests of what became a gradual progression towards an enhanced sense of philosophical logic commensurate so we believe with Supertruth and ultimately a kind of plateau of aphoristic purism which took shape in the ensuing years A Centretruths Editorial

Love Disconsoled Timothy P. Jackson,1999-11-25 Few concepts are more central to ethics than love but none is more subject to false consolation This 1999 book explores several theological philosophical and literary accounts of love focusing on how it relates to matters such as self interest and self sacrifice and invulnerability and immortality Timothy Jackson first considers key aspects of what the Bible says about love then he further examines the meaning of love and sacrifice through a close reading of novels by Fitzgerald and Hemingway Lastly he evaluates how love constrains and is constrained by other traditional moral concepts Throughout Jackson defends the moral priority of what the Christian tradition calls agape He argues that a proper understanding of agapic love rejects both moral relativism and the comfort of believing that good people cannot be harmed or that God causally necessitates every historical action and event When love is thus disconsoled it neither fears death nor despises life

T. S. Eliot and the Mother Matthew Geary, 2021-05-30

The first full length study on T S Eliot and the mother this book responds to a shortfall in understanding the true importance of Eliot s poet mother Charlotte Champe Stearns to his life and works In doing so it radically rethinks Eliot s ambivalence towards women In a context of mother son ambivalence simultaneous feelings of love and hate it shows how his search for belief and love converged with a developing maternal poetics Importantly the chapters combine standard literary critical methods and extensive archival research with innovative feminist maternal and psychoanalytic theorisations of mother child relationships such as those developed by Julia Kristeva Luce Irigaray Jessica Benjamin Jan Campbell and Rozsika Parker These maternal thinkers emphasise the vital importance and benefit of recognising the pre Oedipal mother and maternal subjectivity contrary to traditional repressive Oedipal models of masculinity Through this interdisciplinary approach the chapters look at Eliot s changing representations and articulations of the mother mother child relationship from his very earliest writings through to the later plays Focus is given to decisive mid career works *Ash Wednesday* 1930 *Marina* 1930 *Coriolan* 1931-32 and *The Family Reunion* 1939 as well as to canonical works *The Waste Land* 1922 and *Four Quartets* 1943 Notably the study draws heavily on the wide range of Eliot materials now available including the new editions of the

complete poems the complete prose and the volumes of letters which are transforming our perception of the poet and challenging critical attitudes The book also gives unprecedented attention to Charlotte Eliot s life and writings and brings her individual female experience and subjectivity to the fore Significantly it establishes Charlotte s death in 1929 as a decisive juncture marking both Eliot s New Life and the apotheosis of the feminine symbolised in Ash Wednesday Central to this proposition is Geary s new formulation for recognising and examining a maternal poetics which also compels a new concept of maternal allegory as a modern mode of literary epiphany T S Eliot and the Mother reveals the role of the mother and the dynamics of mother son ambivalence to be far more complicated enduring changeable and essential to Eliot s personal religious and poetic development than previously acknowledged **The Encyclopedia of English Renaissance**
