Son Of Someone Famous:

The Son of Someone Famous M. E. Kerr, 1991 Living under a pseudonym with his grandfather in a small town the son of a celebrity teams up with the local tomboy an alliance he calls Nothing Power and she calls Going Steady The Oxford Children's Book of Famous People Oxford Univ Pr, 2002 The Oxford Children's Book of Famous People is a one stop guide to the people who matter This stylish and information packed book tells the stories of 1000 women and men whose lives have influenced the course of history Learn about the famous and the infamous leaders from Genghis Khan to Tony Blair scientists and thinkers from Aristotle to Stephen Hawking personalities from Rasputin to Michael Jordan The text is organized alphabetically for easy reference but there are also chronological and thematic directories linking people in time and by area of achievement In this new edition the entries have been updated and there are new biographies of such figures as George W Bush J K Rowling Julia Roberts and Steve Redgrave **The 100 Most Popular Young Adult Authors** Bernard A. Drew, 1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1976 *The Playboy's Princess* Joy Fulcher, 2014-11-25 What do a Hollywood playboy and a Disney princess have in common Not a lot but they can fake it Jade Pratt is living a tough life surviving paycheck to paycheck by working at Disneyland She'd like nothing more than to be swept off her feet by her own Prince Charming Drew Malik is living what appears to be a charmed life He's the son of a famous actor and has money women anything he could want But he's burning out in a life filled with booze and one night stands When he finds out his trust fund is blocked until he either turns thirty or gets married his friends plot to rescue him by placing an ad in the paper to find him a bride fast When Jade answers the ad the pair meet up and agree to an arrangement that will solve both their problems But when their fake marriage elicits real feelings and real problems they're both forced to re evaluate their deal Happily ever after was never the intention but what if it's their destiny Famous Americans Liza Schafer, 1994-12 Ben Franklin Harriet Tubman Lewis and Clark Share their inspiring stories through these fact based original plays Includes background information discussion questions extension activities and literature links For use with Grades 4-8 **Adolescent Female Portraits in the American Novel 1961-1981** Jane S. Bakerman, Mary Jean DeMarr, 2019-10-01 Originally published in 1983 this title lists and annotates reference sources which will help readers select primary materials useful in studies of the literary portraits of women and their societal roles The years 1961 to 1981 were set as boundaries for this volume because the author's initial research revealed that a twenty year span was a

manageable unit because the novels published between those dates yielded abundant materials for such a reference work and because significant changes in the way portraits of adolescent females were being drawn took place during the period for example sex role stereotyping became a shade less prevalent young women's sexuality was discussed more forthrightly and some topics such as single women's pregnancies and lesbianism were treated more overtly sometimes less judgementally

Children of Hollywood Michelle Vogel, 2005-04-13 Living in the shadow of a famous parent can have powerful effects from professional opportunities to pressure so great it leads to suicide Some children of stars are proud of their roots while others live in secrecy This is a rare look into the private lives of the children and in a few cases grandchildren of these classic Hollywood icons revealing the stresses and inspirations of living with great performers who may or may not have been great parents Some movie stars protected their offspring but others used them as publicity props or even made them into rivals Despite their unusual upbringing some of the children succeeded in the movies or elsewhere but many never lived up to the public expectations Many lost their parents whether to the extremes of the celebrity lifestyle to divorce or to their careers From the beautiful bedtime stories Harpo Marx and his wife told their four adopted children to explain where they'd come from to the studded belt Bing Crosby used to punish his sons for not obeying the strict family rules this work tells the best and worst of growing up in a celebrity home Families covered include those of W C Fields the Marx Brothers Eddie Cantor Mario Lanza Ruth Hussey Jerry Lewis Douglas Fairbanks and Boris Karloff Research is drawn from interviews with celebrity offspring who also provided never before published snapshots of Hollywood legends at home

The Prodigal Son's Less Famous Sister A. J. Sieling, In this series of essays exvangelical A J Sieling takes us on a deeply personal journey out of the darkness of a religion that could never see her Drawing from the Parable of the Prodigal Son she shares her story not as the celebrated youngest son nor as the begrudging elder brother but as the sister invisible overlooked and ultimately liberated Weaving through the pain of being unseen and taken for granted in a community that preached unconditional love these essays explore resentment trauma and the path to healing With candid reflections marked by raw honesty and bold choices Sieling maps out the emotional landscape of leaving behind a world where she was always present but never acknowledged This book isn't about proving points or winning arguments It's about tracing feelings back to their roots and finding freedom in the realization that sometimes invisibility can be a gift the very thing that allows you to walk away to heal and to find happiness with or without religion

Pete Doherty: My Prodigal Son Jacqueline Doherty, 2014-05-22 For over three years Jacqueline Doherty has been watching her rock star son's messy descent into drug addiction Every step of the way has been charted by a hungry media And every step of the way has been agony for a loving mum Pete Doherty's celebrity means that his addiction has become public property But Jacqueline is a private person and her painful account is that of any mum or any parent trying to help a child in trouble This is the compelling story of Pete's childhood his burgeoning talent his success as a musician and his drug addiction set against the backdrop of his loving relationship with his mother and his family It is a

moving memoir of how a happy middle class family is coping with a family member opting to love drugs more than he loves them or himself It is a memoir that will offer hope to other mothers and families in a similar situation Famous — But No Children J. O. Raber, 2014-03-01 Do you have a right NOT to have children Do we have a right NOT to be born Choosing to remain child free or childless is something that sparks various reactions but not everyone has actually given it deep thought The names and viewpoints discussed in this book may spur some thinking among those considering becoming parents feminists ecologists the religious right and the child free community The Internet is full of lists of people who are reported as not having had children some of these lists contain errors Here the author has added dates and places of birth and death to aid in verification Also while most lists focus on contemporary celebrities in this book the author presents an original list painstakingly compiled over these past years it is not a copy of anyone else's list of names and contains mostly historic individuals illustrating how many of our cultural and scientific landmarks are the gifts childless people have bequeathed to humanity **Children's Liturgy of the Word 2009 - 2010: A Weekly Resource - Celebrating the Lectionary**,

Macmillan Dictionary for Children Christopher G. Morris, Simon & Schuster, 2007-07-10 Includes 35 000 up to date entries and more than 3 000 detailed images **The English Expositor Improv'd ...
